A Note from the School

Founded in 2003, DC Prep is the highest-performing network of public charter schools in Washington (2012-16), bridging the educational divide by increasing the number of students from underserved communities with the academic preparation and personal character to succeed in competitive high schools and colleges. DC Prep serves 1,700+ students in PK3-8th grade on five campuses in Wards 5, 7, and 8. Benning Elementary Campus (BEC) is among the top 5 performing 3rd grades in combined ELA and math proficiency in Wards 7 and 8 on the 2016 PARCC assessment. BEC provides a developmentally appropriate, academically challenging education for PK3-3rd graders, creating an exciting learning environment that lays the foundation for college prep from the earliest years.
