- Low Performing (0.0% - 34.9%)

For schools serving grades PK-12, DC PCSB uses the **Performance Management** Framework (PMF) to assess school-wide academic performance. Schools are rated by tiers: Tier 1 schools meet standards of high performance; Tier 2 schools fall short of high performance standards but meet minimum overall performance standards; and Tier 3 schools fall significantly short of high performance standards, showing inadequate performance. \* Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.

### A Note from the School

Established in 1998, Elsie Whitlow Stokes Community Freedom PCS prepares 350 culturally diverse prekindergarten and elementary school students in the District of Columbia to be leaders, scholars, and responsible citizens who are committed to social justice. We teach children to think, speak, read, write, and learn in two languages: English and French or English and Spanish. With a dual focus on academic excellence and community service, we accomplish our mission by creating an environment of achievement, respect, and non-violence. Our faculty and staff prepare young learners to challenge national and international academic standards, to navigate successfully within their own communities and within the cultures of others, and to function as global citizens.
