IDEA is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. IDEA performed an evaluation of uncertain tax positions for the year ended June 30, 2015, and determined that there were no matters that would require recognition in the financial statements or which may have any effect on its tax exempt
