Independent Auditor's Report

To the Board of Trustees of
Kingsman Academy Public Charter School
Washington, DC

We have audited the accompanying financial statements of Kingsman Academy Public Charter School (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kingsman Academy Public Charter School as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 27, 2017, on our consideration of Kingsman Academy Public Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Kingsman Academy Public Charter School's internal control over financial reporting and compliance.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE A – ORGANIZATION AND PURPOSE

Kingsman Academy Public Charter School (the “School”) was incorporated in March 2015 as a not-for-profit school located in Washington, DC. The School has been approved by the District of Columbia Public Charter School Board to operate a charter school in the District of Columbia. The contract was dated June 29, 2015, and remains in effect for 15 years unless terminated sooner in accordance with contract. The School is an open-enrollment, tuition-free, public school that opened its doors in August 2015. The School serves approximately 250 students in grades six through twelve who may be at risk of dropping out of school. Many of these students are over-age and under-credit for their grade level, have attendance problems, and have behavioral or emotional challenges.

The School’s mission is to provide an individualized and rigorous education in a supportive environment to prepare scholars for post-secondary success and responsible citizenship. The School offers individualized instruction and additional resources for all students, rich special education services, a strong multi-tiered system of support, a school-wide positive behavioral intervention and support, and numerous co-curricular and extracurricular programs.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The School’s financial statements are prepared on the accrual basis of accounting. Therefore, revenue and related assets are recognized when earned and expenses and related liabilities are recognized as the obligations are incurred.

Basis of Presentation

Financial statement presentation follows Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic *Not-for-Profit-Entities*. In accordance with the topic, the School is required to report information regarding its financial position and activities according to three classes of net assets. Accordingly, the net assets of the School and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met by either actions of the School and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that may be maintained permanently by the School. There were no temporarily or permanently restricted net assets as of June 30, 2017 and 2016.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNT POLICIES - continued

Cash and Cash Equivalents

For purposes of the statement of cash flows, the School considers all highly liquid debt instruments purchased with an original maturity of less than three months and money market funds to be cash equivalents.

Cash and Cash Equivalents Restricted by Debt Agreements

Cash and cash equivalents restricted by debt agreements are comprised of cash and cash equivalents held by a trustee or the authority to fund the current portion of debt service.

Grants and Accounts Receivable

The School's grants receivable consist of unsecured amounts due from public funding sources whose ability to pay are subject to appropriations. Accounts receivable are related to program service fees and are recognized as revenue on the accrual basis of accounting at the time the program activity has occurred. Management determines if an allowance for doubtful accounts is necessary based upon review of outstanding receivables, historical collection experience and existing economic conditions. Accounts deemed uncollectible are charged off based on this review. Management believes that all receivables will be collected within one year or less. Therefore, no allowance for doubtful accounts has been established.

Property and Equipment

Purchases of property and equipment over \$1,000 are capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Property and equipment are depreciated using the straight line method over the estimated useful lives of the underlying assets, which range from 3 to 40 years. Building improvements are amortized over the lesser of their useful life or the lease term. When assets are sold or otherwise disposed of, the asset and related accumulated depreciation and amortization are removed from the accounts, and any remaining gain or loss is included in operations. Repairs and maintenance are expensed when incurred.

Debt Issuance Costs

Cost incurred in the issuance of debt have been capitalized and are reported on the statements of financial position as a direct deduction from the related debt liability. Debt issuance costs are amortized as interest expense using the straight-line method over the remaining period of the debt, which approximates the effective interest method.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Per Pupil Appropriations

Per pupil appropriated revenue is recognized during the period for which the associated educational services are provided. Per pupil appropriation revenue includes \$3,241,338 and \$4,103,467 for enhancements such as special education and at-risk students for the years ended June 30, 2017 and 2016, respectively.

Federal Entitlements

Federal entitlement revenue is grants received primarily from the District of Columbia Government. The grants are subject to audit by the grantor agencies. Such audit could result in a request for reimbursement by the agency for expenditures disallowed under the terms and conditions of the appropriate grantor. No provision for possible adjustment has been made in the accompanying financial statements because, in the opinion of management, such adjustment, if any, would not have a material effect on the financial statements.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Restricted revenue received that is expended in the year of receipt is treated as unrestricted for financial statements purposes.

Public Sales

Public sales are amounts collected from the sale of merchandise purchased at the School's store. Revenue is recognized at the time of purchase.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Functional Expenses

The costs of providing the School's various programs and supporting services have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs, fundraising and supporting services benefited.

Reclassifications

Certain amounts for the year ended June 30, 2016 have been reclassified to conform to the current year presentation. The reclassification had no effect on the previously reported net assets or change in net assets.

NOTE C – INCOME TAXES

The School qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code. In addition, the School is classified as an entity that is not a private foundation under Section 509(a)(1).

The School has adopted the accounting of uncertainty in income taxes as required by the Income Taxes topic of the FASB ASC. The topic requires the School to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefits to be recognized is measured as the largest amount of benefit that is more than fifty percent likely of being realized upon ultimate settlement which could result in the School recording a tax liability that would reduce its net assets.

The School has analyzed its tax positions, and has concluded that no liability for unrecognized tax benefits should be recorded related to any uncertain tax positions taken on returns filed for open tax years (2014-2016), or expected to be taken in its 2017 tax return. The School is not aware of any tax positions for which it believes that there is a reasonable possibility that the total amounts of unrecognized tax benefits will change materially in the next twelve months.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE D – PROPERTY AND EQUIPMENT

The following is a summary of property and equipment at June 30:

	2017	2016
Land	\$ 2,259,174	\$ 2,259,174
Building improvements	7,526,088	7,465,863
Furnishings and equipment	210,714	209,175
Computers and materials	96,998	53,355
	10,092,974	9,987,567
Less accumulated depreciation and amortization	(621,658)	(282,145)
Property and Equipment, Net	\$ 9,471,316	\$ 9,705,422

Depreciation and amortization expense for the years ended June 30, 2017 and 2016, totaled \$339,514 and \$282,145, respectively.

NOTE E – LINE OF CREDIT

Effective July 1, 2015, the School entered into a revolving line of credit agreement with Building Hope, a District of Columbia nonprofit corporation, for up to \$100,000. The line of credit bears an interest rate of 6% per annum. The line of credit is secured by the School’s accounts receivable, inventory, equipment, and bank deposit accounts. As of June 30, 2017 and 2016, there was no outstanding balance due on the line of credit.

NOTE F – ASSET PURCHASE AGREEMENT

Options Public Charter School (“Options”) operated as public charter school in Washington, DC offering instruction to students in grades seven through twelve. On June 25, 2015, the School entered into an Amended and Restated Asset Purchase Agreement (the “Agreement”) with Options to serve those students in sixth through twelfth grades. This Agreement is a result of Options’ succession plan, which is to give its students the best chance of receiving a high quality education, and a Consent Order with Appointment of Receiver and Asset Freeze issued by the Superior Court for the District of Columbia. For the School to service these students, Options transferred certain assets and liabilities to the School. These assets included the facility’s land, building and improvements and title thereto, licenses and permits, records, and all tangible personal property, such as, books, supplies, and furniture. In addition, the School assumed the District of Columbia Revenue Bonds, Series 2011, as described in Note G. In accordance with the Agreement, during 2016, the School transferred \$150,000 as the purchase price for certain transferred assets and funded a debt service account in the amount of \$290,903. The transfer of the assets and assumption of the liability were recorded at cost to the School, which approximates fair value.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE F – ASSET PURCHASE AGREEMENT - continued

As stipulated in the Agreement, the School rented the facility from Options for the month of July 2015. Rent expense in accordance with the Agreement totaled \$1,975 and \$64,241 for the years ended June 30, 2017 and 2016, respectively.

NOTE G – NOTES PAYABLE

Revenue Bonds

In accordance with the Agreement, the School assumed Options' District of Columbia Revenue Bonds, Series 2011, issued for \$10,642,000 ("Series 2011 Bonds"). The proceeds of the Series 2011 Bonds at the time of issuance were used to construct and renovate Options' facility. As of the date of assumption by the School, the Series 2011 Bonds' outstanding principal balance was \$9,650,472. The Series 2011 Bonds are collateralized by the School's Deed of Trust dated November 1, 2011 from Options, encumbering the real property and improvements thereto at 1375 E Street, NE, Washington, DC. The Series 2011 Bonds are scheduled to mature on November 1, 2036. Payments under the Series 2011 Bonds are payable monthly and comprised of principal plus interest. The Series 2011 Bonds bear interest at the greater of the following and reevaluated every five year period (i) the five year average monthly Treasury Constant plus 3% multiplied by one minus 38% (the Bank Tax Rate), or (ii) 4.00% per annum. As of June 30, 2017 and 2016, interest accrued at a rate of 4.00% per annum. Prepayment of the Series 2011 Bonds, in whole or in part, is subject to a redemption percentage and additional fees and expenses. As of June 30, 2017 and 2016, the outstanding principal balance of the Series 2011 Bonds totaled \$9,084,033 and \$9,385,831 respectively.

Other Financing

In conjunction with the assumption of the Series 2011 Bonds, the School secured financing with the District of Columbia's Office of Public Charter School Financing and Support for \$900,000 (the "OPCSFS Loan"). The OPCSFS Loan was obtained to finance closing costs associated with the assumption of Options' debt obligations, funding of a debt service reserve, and purchase of Options' property and equipment. The OPCSFS Loan is secured by deed of trust of the School's property. The OPCSFS Loan is payable in quarterly principal and interest payments based on a 15 year amortization schedule. Interest accrues at a fixed rate of 4.50% per annum. The OPCSFS Loan is scheduled to mature on August 1, 2020, at which time, a balloon payment of \$677,600 is due. As of June 30, 2017 and 2016, the outstanding principal balance of the OPCSFS Loan totaled \$823,726 and \$868,235, respectively.

The above described debt agreements contain certain restrictive, financial, and nonfinancial covenants. In the opinion of management, the School has complied with the required covenants for 2017 and 2016. Interest expensed under the debt, excluding amortization of debt issuance costs, for the years ended June 30, 2017 and 2016, totaled \$414,141 and \$424,009, respectively.

KINGSMAN ACADEMY PUBLIC CHARTER SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE G – NOTES PAYABLE - continued

Aggregate annual maturities of the debt are as follows for the years ending June 30:

	OPSCFS	Series 2011 Bonds	Total
2018	\$ 46,546	\$ 314,267	\$ 360,813
2019	48,676	327,252	375,928
2020	50,904	339,851	390,755
2021	677,600	354,815	1,032,415
2022	-	369,476	369,476
2023 and thereafter	-	7,378,372	7,378,372
Total	<u>\$ 823,726</u>	<u>\$ 9,084,033</u>	<u>\$ 9,907,759</u>

In prior years, the School reported debt issuance costs as a deferred charge in the statement of financial position and amortization of such costs in the statement of activities as depreciation and amortization. To comply with new GAAP presentation requirements, in 2017 the Organization began reporting such costs as a direct deduction from the carrying amount of the related debt and reclassified prior year amounts, resulting in a reduction of total June 30, 2016, assets by \$214,208. The change did not effect net assets.

Similarly, the School now reports amortization of debt issuance costs as interest expense and reclassified 2016 amounts accordingly. As a result, reported interest expense in 2016 was increased (and depreciation and amortization decreased) by \$9,617, with no effect on the change in net assets. The amortization of debt issuance costs as interest expense for the year ended June 30, 2017, totaled \$10,492.

The following is a summary of debt issuance costs as of June 30:

	2017	2016
Debt issuance costs	\$ 223,825	\$ 223,825
Less accumulated amortization	(20,110)	(9,617)
Debt Issuance Costs, Net	<u>\$ 203,715</u>	<u>\$ 214,208</u>

NOTE H – CAPITAL LEASE

In July 2015, the School entered into a lease for copier equipment which meets the accounting treatment criteria as a capital lease. The interest rate implicit in the lease is 5% per annum. The monthly payment is \$1,396 and the lease expires on July 22, 2019. As of June 30, 2017 and 2016, the capitalized cost of the equipment lease totaled \$60,618. Accumulated amortization on the equipment totaled \$29,046 and \$13,892, as of June 30, 2017 and 2016, respectively.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016
(continued)

NOTE H – CAPITAL LEASE

Minimum future lease payments under the capital lease are as follows for the years ending June 30:

2018	\$	16,752
2019		16,750
2020		1,398
		34,900
Less interest		(1,822)
Total	\$	33,078

NOTE I – CONCENTRATIONS OF RISK

The School is dependent on funding from the District of Columbia, as authorized by the District of Columbia Public Charter Board. During the years ended June 30, 2017 and 2016, approximately 92% and 89% , respectively, of total support was received from the District of Columbia.

The School is limited to enrolling students that are residents of the District of Columbia. As a DC Public Charter School, the School must adhere to the terms of its Charter Agreement. Uniform Per-Student Funding received from the District of Columbia is based upon actual student enrollment determined by an annual enrollment audit. As a result, actual revenue may vary materially from budgeted revenue if under-enrollment were to occur.

The School maintains its cash in several financial institutions. The cash balances are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. The School’s cash routinely exceeds the FDIC limit. Management does not believe the School is exposed to any significant credit risk on its cash and cash equivalents.

NOTE J – SUBSEQUENT EVENTS

In preparing these financial statements, the School’s management has evaluated events and transactions for potential recognition or disclosure through October 27, 2017, the date the financial statements were available to be issued. There were no events or transactions discovered during the evaluation that required recognition or further disclosure.

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in Accordance
With *Government Auditing Standards***

To the Board of Trustees of
Kingsman Academy Public Charter School
Washington, DC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Kingsman Academy Public Charter School (the "School"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 27, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Trustees of
Kingsman Academy Public Charter School

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
