ACTION: Open for Public Comment

PUBLIC COMMENT ACCEPTED UNTIL: **September 18, 2017**

SUMMARY: The District of Columbia Public Charter School Board (“DC PCSB”) announces an opportunity for the public to submit comment on a request submitted by Kingsman Academy Public Charter School (“Kingsman PCS”) on May 26, 2017 to amend its mission and goals and academic achievement expectations.

Currently in its second year of operation, Kingsman PCS serves students in grades 6-12 at a single campus located in Ward 6. The school will be up for its 5-year review in 2020. Effective immediately, the school requests two amendments: 1) a revised mission statement, and 2) to adopt DC PCSB’s Alternative Accountability Framework. The school’s proposed new mission statement reads as follows: *“Kingsman Academy Public Charter School prepares all scholars for post-secondary success and responsible citizenship by providing an individualized and rigorous education in a supportive environment.”* A copy of the school’s proposed performance targets on the Alternative Accountability Framework may be found in its separate amendment application that is attached to this posting.

Pursuant to the School Reform Act, D.C. Code 38-1802 et seq., a charter school must submit a petition to revise its charter, which includes its mission and goals and academic achievement expectations.
