RECITALS

WHEREAS, pursuant to Section 38-1802.03 of the District of Columbia School Reform Act of 1995, as amended (as now and hereafter in effect, or any successor statute, the “**Act**”), the Board has the authority to approve petitions to establish charter schools in the District of Columbia;

WHEREAS, the School Corporation submitted a petition in accordance with Section 38-1802.02 of the Act to establish a public charter school (such petition, as amended through the date hereof, the “**Application**”; a copy is attached hereto as Exhibit A);

WHEREAS, the Board has (i) determined that the Application satisfies the requirements set forth in Subchapter II of the Act and (ii) approved the Application subject to the execution of this Agreement by the Board and the School Corporation; and

WHEREAS, the Board and the School Corporation hope to foster a cooperative and responsive working relationship;

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Board and the School Corporation agree as follows:

SECTION 1. ESTABLISHMENT OF SCHOOL

1.1 Charter. The School Corporation shall establish a public charter school (the “**School**”) in the District of Columbia and shall operate such school in accordance with the Act, this Agreement and the Application. The Application is incorporated in this Agreement and binding on the School Corporation. To the extent any provision in this Agreement conflicts with any provision of the Application, the provision in this Agreement shall govern. This Agreement and the Application shall constitute the School Corporation’s charter for purposes of Section 38-1802.03(h)(2) of the Act.

1.2 Term; Renewal. **A.** This Agreement shall commence on the date hereof and shall continue for a term of fifteen years unless sooner terminated in accordance with Section 7.1 hereof.

B. The School Corporation may seek to renew its authority to operate the School as a public charter school in the District of Columbia pursuant to the terms of the Act and any rules established by the Board. If such renewal is granted by the Board, the Board and the School Corporation shall (i) renew this Agreement with amendments satisfactory to the Board

and the School Corporation or (ii) enter into a substitute agreement satisfactory to the Board and the School Corporation.

1.3 Location; Permits. The School shall be located at 1419 Columbia Road, NW Washington, D.C. 20009 (the School Corporation's fee or leasehold interest in such property, the "**School Property**"). The School Corporation shall not operate the School at a location other than the School Property without the prior written consent of the Board. The Board reserves the right to delay or prohibit the School's opening until the School Corporation has provided the Board with each of the following items:

A. At least 30 days prior to the first day of the School's first academic year, the School Corporation shall submit to the Board (i) a report regarding the status of all Authorizations required for the School Corporation's use of the School Property, including occupancy permits and health and safety approvals, and (ii) a report identifying any lease, sublease, deed or other instrument authorizing the use or evidencing the ownership of the School Property by the School Corporation and summarizing any financing entered into in connection therewith, along with true, correct and complete copies of each of the documents referenced in the report. "**Authorizations**" shall mean (a) any consent, approval, license, ruling, permit, certification, exemption, filing, variance, order, decree, directive or other authorization of, by or with, (b) any notice to or from, (c) any declaration of or with, or (d) any registration with, any governmental authority, in each case relating to the operation of the School.

B. The School Corporation shall provide the Board a copy of the certificate of occupancy for the School Property certified by an officer of the School Corporation, a member of the Board of Trustees or the chief administrator of the School as true, correct and complete.

C. The School Corporation shall provide the Board the certificates of insurance required by Section 4.4, within the time periods set forth in Section 4.4.

D. The School Corporation shall provide the Board with true, correct and complete copies of any agreements entered into for the provision of food services at the School, or if no such agreements have been entered, a detailed description of how such food services will be provided at the School.

E. The School Corporation shall provide the Board with a certification from an officer of the School Corporation, a member of the Board of Trustees or the chief administrator of the School that the School Corporation has complied in all respects with Section 38-1802.04(c)(1) of the Act in connection with any procurement contracts entered into by or in the name of the School Corporation.

F. The School Corporation shall provide the Board with a certification from an officer of the School Corporation, a member of the Board of Trustees or the chief administrator of the School that the School Corporation has in place all health and safety procedures required by law, including a fire evacuation plan.

G. The School Corporation shall provide the Board with a certification from an officer of the School Corporation, a member of the Board of Trustees or the chief

administrator of the School that the School Corporation has conducted background checks on all employees and persons who volunteer 10 or more hours per week at the School.

H. The School Corporation shall provide the Board with a certification from an officer of the School Corporation, a member of the Board of Trustees or the chief administrator of the School that the School Corporation has sufficient books and other supplies for all students attending the School and that curriculum materials have been developed and provided to all teachers at the School.

I. The School Corporation shall provide the Board with a certification from an officer of the School Corporation, a member of the Board of Trustees or the chief administrator of the School that all signed employment contracts entered into by the School Corporation are on file at the School.

A copy of any information submitted to the Board or otherwise required by Clauses A-I of this Section 1.3 shall be kept on file at the School.

SECTION 2. EDUCATIONAL PROGRAM

2.1 Mission Statement. The School Corporation shall operate the School in accordance with the mission statement set forth in the Application.

2.2 Age; Grade. In its first academic year, the School shall instruct students between the ages of 16 and 24 who are preparing for their GED. In subsequent academic years, in accordance with Schedule I, the School may instruct students in grades eleven through twelve. The School shall not instruct students of any other grade without the prior written consent of the Board.

2.3 Enrollment. **A.** Enrollment in the School shall be open to any pupil between the ages of 16 and 24 who is preparing for his/her GED set forth in Section 2.2 who resides in the District of Columbia. Students who are not residents of the District of Columbia may be enrolled at the School to the extent permitted by the Act. The School Corporation shall determine whether each pupil resides in the District of Columbia according to guidelines established by the Board. Subject to clause B below, the School Corporation shall maintain an enrollment of no more than fifty-five (55) pupils in its first academic year and no more than one hundred (100) pupils in subsequent academic years substantially in accordance with Schedule I attached hereto.

B. No later than April 1, 2009 and April 1, 2014, the School Corporation may petition the Board in writing to change the maximum enrollment of the School for the five academic years succeeding the deadline applicable to such petition. The Board shall review the petition and determine the maximum enrollment of the School for such five-year period. The School Corporation shall provide promptly to the Board any additional information requested by the Board in connection with such petition. Notwithstanding the foregoing, prior to the end of any five-year period, the School Corporation may petition the Board to increase the maximum enrollment of the School from the original maximum enrollment for such five-year period provided that the School Corporation delivers to the Board (i) evidence that (a) the School Property has sufficient capacity to accommodate the increased enrollment, (b) the financial

position of the School Corporation will improve as a result of such increase, (c) the quality of the educational program at the School is satisfactory and will not deteriorate as a result of such increase and (ii) such other items as the Board may request.

C. If eligible applicants for enrollment at the School for any academic year exceed the number of spaces available at the School for such academic year, the School Corporation shall select students pursuant to the random selection process set forth as Exhibit B attached hereto. The School Corporation shall notify the Board in writing of any material change to the random selection process at least 60 days prior to the date (as set forth in the notice to the Board) of the proposed implementation thereof. With respect to any such proposed change, the School Corporation shall consider any comments of the Board, its staff and its agents in connection with such change. The School Corporation shall not implement any material change to the random selection process unless after giving effect to such change the random selection process would (i) include (a) an annual deadline for enrollment applications that is fair and set in advance of such deadline and (b) a process for selecting students for each academic year (1) if applications submitted by the deadline exceed available spaces for such academic year, and (2) for spaces available after the beginning of such academic year, (ii) publicize the application deadline and the selection processes, and (iii) provide a procedure to determine whether applicants reside in the District of Columbia.

D. The School Corporation shall keep records of student enrollment and daily student attendance that are accurate and sufficient to permit preparation of the reports described in Sections 5.1E and Section 5.1F.

2.4 Curriculum. **A.** The School Corporation shall design and implement the educational program set forth in the Application, as modified in accordance with this Agreement. The School Corporation shall notify the Board in writing of any change in the curriculum or instructional method of the School that is a significant departure from the curriculum or instructional method in the plan set forth in the Application as amended in accordance with this Agreement at least 120 days prior to the date (as set forth in the notice to the Board) of the proposed implementation thereof (the "**Implementation Date**"). With respect to any such proposed change, the School Corporation shall consider any comments of the Board, its staff and its agents in connection with such change. The School Corporation shall provide promptly to the Board any materials requested by the Board in connection with such change in curriculum or instructional method.

B. The School Corporation shall not implement any material change in the curriculum or instructional method of the School without the prior written consent of the Board if:

- (i) the Board has previously notified the School Corporation in writing that the School Corporation is on probation for failure to satisfy performance targets set forth in the Accountability Plan and such notice has not been rescinded by the Board in writing; or
- (ii) the Board determines in consultation with the School Corporation that such change would constitute a significant departure from the mission and goals

set forth in the Application, as previously amended in accordance with this Agreement, and notifies the School Corporation of such determination in writing within 60 days after the Board receives notification of such change.

2.5 Standards. As part of its Accountability Plan, the School Corporation shall adopt student content and performance standards for all subject areas at all grade or other performance levels served by the School. The School's educational program shall be aligned with the School's content and performance standards.

2.6 Students with Disabilities. The School Corporation shall comply with all federal requirements concerning the education of students with disabilities and shall designate and notify the Board and the Director of the Office of Special Education of the District of Columbia Public Schools of the individual responsible for case management of the education of the School's students with disabilities. At least 30 days prior to the first day of the School's first academic year, the School Corporation shall notify the Board in writing of its election to act as either a local education agency or a District of Columbia Public School for purposes of Part B of the Individuals with Disabilities Education Act, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended. The School Corporation shall notify the Board in writing by April 1 prior to any academic year for which the School Corporation shall change such election from the current academic year.

2.7 Student Policies; Expulsion and Suspension. **A.** No later than 30 days prior to the beginning of the School's first academic year, the School Corporation shall deliver to the Board in writing copies of the policies governing students at the School. The School Corporation shall notify the Board in writing of any material change to such policies within 30 days of the adoption of such change. The School Corporation shall consider the comments of the Board, its staff and its agents in connection with such policies. Notwithstanding the foregoing, the policies regarding the expulsion or suspension of students shall be as set forth in Exhibit C hereto. The School Corporation shall make the policies governing students at the School available in writing to parents and students.

B. The School Corporation shall notify the Board promptly of any expulsion or any suspension of more than 5 school days of any student enrolled in the School.

SECTION 3. EVALUATION

3.1 Accountability Plan. **A.** The School Corporation shall develop an accountability plan setting forth (i) goals, content and performance standards and performance indicators for the School, (ii) specific annual and long-term performance targets for such performance indicators related to each goal, (iii) a method to measure the School's achievement of such performance targets, (iv) timelines for achieving performance targets set forth in the Accountability Plan, (v) procedures for taking corrective action when the School's performance falls below such performance targets, (vi) strategies for reporting the School's performance and progress to parents, the community and the Board, and (vii) such other items as the Board may require. In developing or modifying an accountability plan, the School Corporation shall cooperate with the Board, its staff and its agents.

B. Within six months after the beginning of the School's first academic year, the School Corporation shall submit an accountability plan in writing to the Board. Upon notice to the School Corporation of the Board's approval of an accountability plan, such accountability plan (the "**Accountability Plan**") shall be attached to this Agreement and, without further action by the Board or the School Corporation, shall become a part hereof and be binding upon the School Corporation.

C. The School Corporation shall provide the Board written notice of any change in the Accountability Plan at least 120 days prior to the proposed implementation thereof. If such change significantly amends the performance goals, objectives, standards, indicators, targets or other basis against which the School Corporation has elected to have its performance judged, the School Corporation shall not implement such change without the prior written approval of the Board. With respect to any other proposed change in the Accountability Plan, the School Corporation shall consider any comments of the Board, its staff and its agents in connection with such change. With respect to any proposed change in the Accountability Plan requiring the Board's approval, the Board shall rule on such change within 90 days after the Board's receipt thereof.

3.2 Corrective Action. In connection with the Board's review of the School's performance, if the Board determines that the School is not progressing toward one or more performance goals set forth in the Accountability Plan or that the quality of the School's educational program is not satisfactory, then the Board, in consultation with the School Corporation, may require the School Corporation to develop and implement a corrective action plan. Nothing contained herein shall restrict the Board's ability to revoke the School Corporation's charter in accordance with the Act.

3.3 Standardized Testing. At a minimum, the School Corporation shall administer, in accordance with the policies of the governmental body responsible for the District of Columbia Public Schools (the "**Board of Education**"), any District-wide assessments used to measure student achievement required by the Board of Education to be administered in public schools in the District of Columbia covering the same grades or ages as the School and the results of which the Board of Education intends to make publicly available; provided that with respect to students receiving special education, the School Corporation shall only be required to administer tests related to such students' individual education plans.

SECTION 4. CONTRACTS

4.1 Contracts. **A.** The School Corporation shall submit to the Board with respect to any procurement contract awarded by the School Corporation and that has a value equal to or in excess of \$25,000, not later than 3 days after the date on which such award is made: (i) all bids received for such contract, (ii) the name of the party awarded such contract and (iii) the rationale for such award. The foregoing does not apply to any contract for lease or purchase of real property, any employment contract for a staff member of the School Corporation, or any management contract with a management company designated herein.

B. Each contract described in clause A above shall be referred to herein as a **“Material Contract.”** Upon the request of the Board, the School Corporation shall deliver to the Board copies of any Material Contract.

4.2 Contracts for School Management. **A.** Without the prior written consent of the Board, the School Corporation shall not (i) enter into any contract (a **“School Management Contract”**) for the management of the School by another entity, (ii) cancel or terminate or provide a notice of cancellation or termination of any School Management Contract or consent to or accept any cancellation or termination thereof, or (iii) enter into any material amendment, modification or supplement of any School Management Contract.

B. If the Board has previously notified the School Corporation in writing that the School Corporation is on probation for failure to satisfy performance targets set forth in the Accountability Plan or for fiscal management reasons and such notice has not been rescinded by the Board in writing, the School Corporation shall notify the Board in writing 5 business days prior to taking any of the following actions: (1) waiving any material default under, or material breach of, any School Management Contract or waiving, failing to enforce, forgiving, compromising, settling, adjusting or releasing any material right, interest or entitlement, howsoever arising, under, or in respect of any School Management Contract, or giving any consent, waiver or approval under any School Management Contract, or in any way varying, or agreeing to the variation of, any material provision of any School Management Contract or of the performance of any material covenant or obligation by any other party under any School Management Contract, or (2) providing any notice, request or other document permitted or required to be provided pursuant to any School Management Contract affecting any material rights, benefits or obligations under any such School Management Contract in any material respect. If the Board so notifies the School Corporation in writing prior to the intended date of such action, the Board shall have the right to approve such action, and the School Corporation shall not take such action without the prior written consent of the Board.

4.3 Insurance Coverage. **A.** The School Corporation shall procure and maintain in full force and effect at all times insurance policies with an independent insurance broker with a license in the District of Columbia providing at least the limits and coverage provisions set forth below:

(i) Workers’ compensation insurance as required by applicable Law. **“Law”** shall mean any statute, law, constitutional provision, code, regulation, ordinance, rule, judgment, order, decree, permit, concession, grant, franchise, license, agreement, directive, binding guideline or policy or rule of common law, requirement of, or other governmental restriction of or determination by, or any interpretation of any of the foregoing by, any governmental authority, whether now or hereafter in effect.

(ii) General liability insurance on an occurrence basis against claims for personal injury (including bodily injury and death) and property damage. Such insurance shall provide coverage with a \$1,000,000 minimum limit per occurrence for combined bodily injury and property damage, a maximum

deductible of \$2,500 per occurrence and aggregate limits of liability of at least \$2,000,000.

(iii) Automobile liability insurance against claims for personal injury (including bodily injury and death) and property damage covering all owned, lease non-owned and hired motor vehicles, including loading and unloading, with a \$1,000,000 minimum limit per occurrence for combined bodily injury and property damage and containing appropriate no-fault insurance provisions wherever applicable.

(iv) Excess liability insurance on an occurrence basis covering claims in excess of the underlying insurance described in the foregoing clauses (ii) and (iii), with (a) if the School provides transportation for any of its students, a \$5,000,000 minimum limit per occurrence and (b) otherwise, a \$3,000,000 minimum limit per occurrence; provided that aggregate limits of liability, if any, shall apply separately to each location.

(v) Property damage insurance on an "all risk" basis, boiler and machinery insurance on a comprehensive basis and providing coverage for (a) the School Corporation in a minimum aggregate amount equal to the "full insurable value" of the School Property, and (b) attorneys' fees, engineering and other consulting costs, and permit fees directly incurred in order to repair or replace damaged insured property in a minimum amount sufficient to cover 100% of the cost to reconstruct the School Property. For purposes of this clause (v), "full insurable value" shall mean the full replacement value of the School Property, including any improvements, equipment, fuel and supplies, without deduction for physical depreciation and/or obsolescence; all such policies may have deductibles of not greater than \$2,500 per occurrence; provided that to the extent such policies do not have such deductibles, the School Corporation shall establish adequate reserves or other appropriate provisions, if any, as shall be required by the Board. Such insurance shall (a) not include any coinsurance provision, (b) provide for increased cost of construction and loss to undamaged property as a result of enforcement of building Laws with sub-limits not less than 10% of the "full insurable value" of the School Property, and (c) include debris removals with a sub-limit of not less than \$50,000. The property damage coverage shall not contain an exclusion for freezing, mechanical breakdown, loss or damage covered under any guarantee or warranty, or resultant damage caused by faulty workmanship, design or materials.

(vi) Directors and officers liability insurance and professional liability insurance with a \$1,000,000 minimum limit per occurrence. The policies for such insurance shall name the Board of Trustees, the School Corporation, School employees and School volunteers as insureds.

(vii) Educators legal liability insurance with a \$1,000,000 minimum limit per occurrence.

B. If the School Corporation has entered into a School Management Contract, the School Corporation shall require the Person managing the School pursuant to that School Management Contract (the “**School Manager**”) to maintain management professional liability insurance with a \$1,000,000 minimum limit per occurrence.

C. The School Corporation may satisfy its obligations under this Section 4.3 by being an additional named insured on insurance policies of an Affiliate of the School Corporation or the School Manager, if any, providing the School Corporation the coverage required pursuant to this Section 4.3 to the same extent as if the School Corporation obtained such required insurance itself.

D. All policies of insurance required to be maintained pursuant to clause A (except subclauses (vi) and (vii)) shall be endorsed to name the Board and its directors, officers, employees and agents as additional insureds. All policies of insurance required to be maintained pursuant to this Section 4.3 shall be endorsed to provide that the insurer is required to provide the Board with at least 30 days’ prior notice of substantial reduction in coverage or amount (other than a reduction in coverage or amount resulting from a payment thereunder), cancellation or non-renewal of any policy. The Board may from time to time, by written notice to the School Corporation, amend the amount and scope of insurance coverage required by this Section 4.3 to include such additional insurance coverage which, in the reasonable opinion of the Board, is generally maintained with respect to schools by prudent school management, subject to the availability of such insurance in such amounts on commercially reasonable terms.

4.4 Insurance Certificates. No later than August 1, 2005 and no later than August 1 of each subsequent year, the School Corporation shall deliver to the Board a certificate of insurance with respect to each insurance policy required pursuant to Section 4.3. Such certification shall be executed by each insurer providing insurance hereunder or its authorized representative and shall (1) identify underwriters, the type of insurance, the insurance limits and the policy term and (2) specifically list the special provisions enumerated for such insurance required by Section 4.3. Concurrently with the furnishing of the certification referred to in this Section 4.4, the School Corporation shall furnish the Board with a report of an independent insurance broker satisfactory to the Board, signed by an officer of such broker, stating that all premiums then due have been paid. In addition, the School Corporation will notify the Board in writing promptly of any default in the payment of any premium and of any other act or omission on the part of the School Corporation or the School Manager, if any, which may invalidate or render unenforceable, in whole or in part, any insurance being maintained pursuant to Section 4.3. Upon request by the Board, the School Corporation will promptly furnish the Board with copies of all insurance policies, binders and cover notes or other evidence of insurance relating to the insurance required to be maintained pursuant to Section 4.3.

4.5 Transactions with Affiliates. The School Corporation shall not, directly or indirectly, enter into or permit to exist any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the School Corporation, any member of the board of trustees of the School Corporation (the “**Board of Trustees**”) or any employee of the School Corporation unless the terms of such transaction (considering all the facts and circumstances) are no less favorable to the School Corporation than those that could be obtained at the time from a Person that is not such an Affiliate. “**Affiliate**”

shall mean, as applied to any Person, any other Person directly or indirectly controlling, controlled by, or under common control with, that Person and, if such Person is an individual, any member of the immediate family (including parents, spouse, children and siblings) of such individual and any trust whose principal beneficiary is such individual or one or more members of such immediate family and any Person who is controlled by any such member or trust; for purposes of the definition of "Affiliate," "control" (including, with correlative meanings, the terms "controlling," "controlled by" and "under common control with"), as applied to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that Person, whether through the ownership of voting securities or by contract or otherwise. "Person" shall mean and include natural persons, corporations, limited liability companies, limited liability partnerships, limited partnerships, general partnerships, joint stock companies, joint ventures, associations, companies, trusts, banks, trust companies, land trusts, business trusts or other organizations, whether or not legal entities, governments and agencies or other administrative or regulatory bodies thereof.

4.6 Costs. The School Corporation shall be responsible for all costs associated with its operation and the operation of the School including the costs of goods, services and the assessments administered pursuant to Section 3.3 hereof.

4.7 No Agency. The School Corporation shall disclose to all third parties entering into contracts with the School Corporation that the Board has no responsibility for the debts or actions of the School Corporation. The School Corporation shall not purport to act as the agent of the Board or the government of the District of Columbia with respect to any contract.

4.8 Inventory. The School Corporation shall maintain an inventory of all assets of the School Corporation purchased with District of Columbia public funds or federal funds. The School Corporation shall make such inventory available to the Board from time to time upon the Board's request.

SECTION 5. REPORTS

5.1 Reporting Requirements. The School Corporation shall deliver to the Board:

A. C.
