1031 Students Enrolled

The DC School Report Card gives families a look into all public schools in the District of Columbia. Start here to learn more about how public schools in DC are preparing all students for success in the next grade, college, and careers.

MESSAGE FROM THE SCHOOL

Briya's mission is to strengthen families through culturally responsive two-generation education. Families enroll in the school together: parents study English as a second language (ESL), digital literacy, and parenting while their children receive a high-quality early education in dual-language, project-based PreK classes. Briya also offers a high school diploma for students in its highest-level ESL class and training for Medical Assistant and Child Development Associate credentials.
