High School Score Explanations

For schools serving 9th through 12th grades, DC PCSB has implemented the **High School Performance Management Framework (PMF)** to assess academic performance school-wide. The framework includes data for students in all grades at the school for multiple measures.

Starting in the spring of 2015, students in high school participated in the Partnership for Assessment of Readiness for College and Careers (PARCC).

* Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.

A Note from the School

The mission of National Collegiate Preparatory PCHS is to provide a rigorous 9th-12th grade standards-based college preparatory curriculum, to provide an interdisciplinary curriculum that integrates international studies themes across the academic curriculum that would offer an opportunity for an International Baccalaureate education, and to prepare our students to be self-directed, life long learners equipped to be engaged 21st-century citizens of their school, community, country, and world. National Collegiate Preparatory PCHS is an internationally and nationally accredited high school in Ward 8. Our goal is for our students to be prepared academically and socially when they enter college.
