A Note from the School

Re-enrollment data was greatly affected by the partial closing of a housing development in which 90 of our students resided. An effect of the closing caused a greater number of our students to be displaced or made in effect, "homeless". Mary McLeod Bethune Day Academy believes that this phenomenon affects other metrics within the PMF. Mary McLeod Bethune Day Academy PCS's mission is to implement a high-performing day school that provides a challenging academic program in a supportive, parentally involved, and diverse learning environment to enable each student to achieve academic success, talent, and positive social development. Mary McLeod Bethune works to achieve its mission by cultivating independent, inquiring thinkers through project-based learning. As a candidate school for the International Baccalaureate Primary Years Programme, Mary McLeod Bethune Day Academy offers all of its students art, music, health/physical education, and two foreign languages, Spanish immersion in grades PK3-2, Spanish instruction in grades 3-8, and Latin in grades 5-8. It is our belief that nurturing the whole child academically, socially, and emotionally will produce a knowledgeable and caring individual who will become a global change agent for the 21st century.
