Adult Education Tier Explanations

- 1 High Performing**
- 2 Mid Performing**
- 3 Low Performing**

For schools serving adult populations, DC PCSB uses the **Adult Education Performance Management Framework (PMF)** to assess school-wide academic performance. Schools are rated by tiers:

Tier 1 schools meet at least 65.0% in all categories.

Tier 2 schools meet at least 35.0% on 3 out of 4 categories and not less than 20.0% on the fourth category.

Tier 3 schools do not meet 35.0% in more than one category and less than 20.0% in one.

A Note from the School

The mission of Academy of Hope Adult PCS is to provide high-quality adult education and services that change lives and improve our community. Our classes are small, dynamic, and learner-centered. We have a strong community building focus. In addition to two high school completion programs, preparation for the GED and the National External Diploma Program, we offer student support services, career counseling, computer training, and bridge-to-college classes that allow adults to earn college credit while completing their high school credential. We also offer our Gateway to College and Career Pathway programming for adults who have their high school credential but need to improve their skills to qualify for college, training, or career advancement.
