INTRODUCTION

The purpose of this Handbook is to provide information that will help with questions and pave the way for a successful year. You are responsible for reading and understanding the Handbook and other School policies and procedures. All questions regarding the Handbook should be directed to the school principal.

This Handbook may be revised from time to time as deemed necessary by the School. The only official and authorized version of the Handbook currently in effect may be requested from the school principal.

Some of the subjects described in this Handbook are covered in more detail in official School policy and procedures or in benefit/plan documents. Please refer to those documents for specific information, since this Handbook only briefly summarizes those benefits and/or policies.

Please note that any written insurance/benefit plan(s), agreement(s), or other policies may be controlling over this Handbook where there is conflict.

SCHOOL INFORMATION

Description of Harmony D.C. Public Charter Schools

Harmony D.C. Public Schools (“Harmony D.C. Public Charter Schools”, “Harmony,” or “School”) is a system of high performing college preparatory open-enrollment charter schools that focus on math, science, engineering, and computer technologies. For more than a decade, Harmony has provided students in underserved communities an opportunity to excel in the classroom and develop the skills necessary to become successful members of the community.

Mission Statement

Harmony’s mission is to prepare each student for higher education through delivering a student-centered educational program with a strong emphasis on math, engineering, science, and technology in a safe, caring, and collaborative learning environment.

Board of Directors

DC law grants a charter school’s Board of Directors the power to govern and oversee school management. The Board is the policy-making body within the Harmony school system and has overall responsibility for the curriculum, annual budget, and facilities. The Board has complete and final control over school matters, within limits established by state and federal laws and regulations.

The Board meets on a regular basis at Harmony School of Excellence located at 62 T St NE, Washington, D.C. 20002 and may meet at other places and times deemed necessary by the Board. Special meetings may be called and held when and where necessary. In compliance with DC open meetings laws, a written notice of regular and special meetings will be posted on the [Harmony website](#) and at a publicly-accessible location at the school at least 72 hours before the scheduled meeting time. In emergencies, a meeting may be held with a two-hour notice in accordance with applicable legal requirements.

EMPLOYMENT

At-Will Employment

As provided in the Employee Acknowledgement and Agreement provided with this Handbook, nothing in this Handbook creates or is intended to create a promise or representation of continued employment with Harmony D.C. Public Charter Schools. **All employees are employed at-will and may be terminated with or without cause, with or without prior notice, at any time, for any reason or for no reason. Similarly, employment with Harmony D.C. Public Charter Schools is voluntarily entered into, and employees are free to resign at any time, with or without cause or notice.** Employees are requested to provide two-week notice of a resignation when able.

Status as an at-will employee may not be changed except in writing signed by the President of Harmony's Board of Directors and as approved by the Board. Employment at-will is the sole and entire agreement between Harmony and you concerning the duration of your employment, and the circumstances under which your employment may be terminated. Except for an employment agreement approved by the Board of Directors, described above, this Handbook will supersede any and all prior Handbooks, written documents, or oral representations issued by Harmony, whether or not such documents contradict the at-will nature of your employment.

Hiring Standards

Harmony believes that the quality of its professional staff greatly impacts the quality of education offered in the school. Harmony therefore recruits and hires those individuals who are best qualified to meet Harmony's educational needs.

Employee Duties

Each employee is expected to comply with the standards of conduct set out in this Handbook and any other policies, regulations, and guidelines that impose duties, requirements, or standards attendant to his or her status as a Harmony employee. Violation of Harmony policies, regulations, or guidelines may result in disciplinary action, including termination of employment.

Equal Employment Opportunity

It is the policy of Harmony D.C. Public Charter Schools not to discriminate on the basis of any legally-protected classification, including race, color, religion, national origin, sex, or disability, age, or genetic information in its educational programs and employment practices as required by [Titles VI and VII of the Civil Rights Act of 1964](#), as amended; [Title IX of the Education Amendments of 1972](#); [Titles I and V of the Americans with Disabilities Act](#) of 1990, as amended (ADA); the [Age Discrimination in Education Act](#) of 1975, as amended (ADEA); [Section 504 of the Rehabilitation Act of 1973](#), as amended; the [Genetic Information Nondiscrimination Act in Education of 2008](#) (GINA); and any other legally-protected classification or status protected by applicable law. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at Harmony D.C. Public Schools will be based on merit, performance, qualifications, and/or abilities. Harmony D.C. Public Schools will make reasonable accommodations for qualified individuals in compliance with the ADA, as amended.

Employees can raise concerns and make reports without fear of reprisal. Any employees with questions or concerns about any type of discrimination in the workplace are encouraged **to bring these issues to the attention of their school principal or Board President.** .

Prohibition of Harassment and Discrimination

Harmony D.C. Public Charter Schools prohibit discrimination, including harassment, on the basis of a person's race, color, gender, national origin, disability, religion, age or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of Harmony policy. Employees should not tolerate discrimination or harassment of themselves or others and are encouraged to report claims as soon as possible to school principal or if the harassment involves principal, to Board President. Failure to promptly report alleged harassment may impair Harmony's ability to investigate and address the claim(s).

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

- Has the purpose or effect of unreasonably interfering with the employee's work performance;
- Creates an intimidating, threatening, hostile, or offensive work environment; or
- Otherwise adversely affects the employee's performance, environment or employment opportunities.

Employees will not engage in conduct constituting discrimination or harassment. Harmony will investigate all allegations of such claims and take appropriate disciplinary action—up to and including termination—against employees found to engage in such acts.

Religious Discrimination Prohibited

The prohibition against discrimination on the basis of religion includes all aspects of religious observances and practice, as well as religious belief; unless Harmony demonstrates that it is unable to reasonably accommodate an employee's or prospective employee's religious observance or practice without undue hardship to the School's business. "Undue hardship" means more than a de minimus (minimal) cost.

Harmony D.C. Public Schools may not substantially burden an employee's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest.

Sexual Harassment Prohibited

Harmony D.C. Public Charter Schools will not tolerate sexual harassment, nor will it tolerate reprisals against any employee who makes a sexual harassment complaint. All school representatives who violate this prohibition are subject to disciplinary action, up to and including termination from employment.

Sexual harassment consists of unwelcome verbal, visual, or physical conduct—including sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature—when, for example:

- Submission to the conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions; or
- Such conduct has the purpose of affecting or unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Any Principal or supervisor who receives a complaint of sexual harassment and fails to investigate or take corrective action is subject to disciplinary action, including immediate termination.

Student Discrimination and Harassment

Harmony D.C. Public Charter Schools prohibit discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, age, academic, artistic or athletic ability, the school district the

student would otherwise attend, or any other basis prohibited by law. Discrimination against a student is defined as conduct directed at a student on the above legally protected classifications that adversely affects the student. Harmony employees will not engage in discrimination of students nor tolerate student-to-student discrimination.

Harmony D.C. Public Charter Schools further prohibit sexual harassment against students. Such harassment includes unwelcome verbal or physical sexual advances, including but not limited to engaging in sexually-oriented conversations, telephoning students at home or elsewhere to solicit unwelcome social relationships, physical contact that would reasonably be construed as sexual in nature, threatening or enticing students to engage in sexual behavior in exchange for grades or other school-related benefit, request for sexual favors, sexually-motivated physical, verbal, or nonverbal conduct when the conduct affects the student's ability to participate in or benefit from a program or activity, or creates an intimidating, threatening, hostile or offensive educational environment. Sexual harassment of students by employees is always a violation of law and, therefore, cannot be defended on the grounds that the student may have sought or encouraged the conduct.

Romantic or inappropriate social relationships between students and school employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the school Principal or other appropriate school official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has a cause to believe child abuse, neglect or maltreatment of a child must also report his or her knowledge or suspicion to the appropriate law enforcement authorities, within 48 hours as required by law. Failure to report suspected child abuse or neglect is a criminal offense.

Harmony will investigate all allegations of such discrimination and will take appropriate disciplinary action against employees or students who have engaged in such acts. Retaliation against anyone involved in the complaint process is a violation of Harmony policy. Employees will not tolerate any form of discrimination of students, and will report any alleged acts in a timely manner. Failure to promptly report alleged discrimination may impair Harmony's ability to investigate and address the harassment and any employee violating this policy is subject to disciplinary action, up to and including termination from employment.

Complaint Procedures: Harassment

Harmony takes allegations of harassment and discrimination very seriously and intends to investigate all official complaints. Harmony will take appropriate actions against all substantiated allegations. Employees who believe they are being harassed or discriminated against are requested to take the following actions:

- In the event you feel you are a victim of harassment, you should contact your Principal or supervisor immediately. In the event your Principal is the alleged harasser, you should contact Board President.
- Any employee who is uncomfortable with face-to-face interaction may write down their complaints in a memo and submit them to the school principal.
- School principal is required to contact Board President immediately upon receiving a complaint of harassment or discrimination. School principal is not to try and handle the situation alone. All complaints of harassment or discrimination must be turned over to the Board President.
- All complaints will be handled in a timely manner. While due to the need to investigate absolute confidentiality may not always be possible, the complaint will be handled in as confidential a manner as possible. Except as required by law, under no circumstances will information concerning any employee's complaint be released by Harmony to any third person or to anyone within Harmony who is not involved in the investigation.

The purpose of this provision is to maintain impartiality and confidentiality to the extent possible. Both the reporting individual (victim) and the accused have equal privacy rights under the law and Harmony must respond accordingly.

Retaliation against any person who in good faith reports or complains about harassment or discrimination is unlawful and will not be tolerated. Employees who take part in any retaliatory action will be subject to disciplinary action up to and including immediate termination from employment. Unlawful retaliation may include, but is not limited to, any of the following actions as a result of an employee's complaint or involvement in an investigation of harassment or discrimination:

- Demotion;
- Poor performance appraisals;
- Transfers;
- Assignment of demeaning tasks; or
- Taking any kind of adverse action against a person who complains or is involved in an investigation of sexual harassment or discrimination.

In addition to using Harmony's complaint process, an employee may file a formal complaint with the United States Equal Employment Opportunity Commission (EEOC) or DC Department of Employment Services Workforce Commission . Additional information may be found by visiting <http://www.eeoc.gov/employees/charge.cfm>.

Corrective Action

Harmony will take prompt and effective action to end the any harassment and to deter future harassment and discrimination. This may include discipline or termination of the perpetrator or of the complainant in the case that a falsified complaint or contributory behavior was discovered to have occurred.

Both the complaining employee and the alleged wrongdoer have the right to appeal the determination of the investigation according to the terms of Harmony's grievance and complaint policy. *See* "Complaints and Grievances," p. 50 of this Handbook.

Liability for Harassment

Harmony accepts no liability for harassment or discrimination of any kind by an employee. Harmony does not consider harassing or discriminatory conduct to be within the course and scope of employment or the direct consequences of the discharge of any employee's duties. Accordingly, to the extent permitted by law, Harmony reserves the right not to provide a defense or pay damages assessed against employees for harassing or discriminatory conduct in violation of Harmony policy.

Violence in the Workplace

Workplace violence is one of the most serious issues facing employees and employers today. Any employee who feels that his or her personal safety is at risk should contact a campus Principal or Assistant Principal immediately. Harmony has a "zero tolerance" policy regarding workplace violence and as such will not and cannot tolerate employees threatening or attacking other employees. Violation of Harmony's zero tolerance policy will lead to immediate termination of employment.

Immigration Law Compliance

Harmony D.C. Public Charter Schools is committed to employing only United States citizens and documented workers who are authorized to work in the United States, and does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the [Immigration Reform and Control Act of 1986](#), each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with Harmony within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues are encouraged to contact school principal. Employees may raise questions or complaints about Immigration Law compliance without fear of reprisal.

Disability Accommodations

Harmony D.C. Public Charter Schools is committed to complying fully with [Section 504 of the Rehabilitation Act](#) (Section 504) and the [Americans with Disabilities Act](#) (ADA), as amended, and ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis. Hiring procedures have been reviewed and provide persons with disabilities meaningful employment opportunities. Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position. Reasonable accommodation is available to all qualifying disabled employees, where their disability affects the performance of job functions, in accordance with Section 504 and the ADA.

Qualified individuals with disabilities will not be discriminated against on the basis of disability in regards to recruitment, advertising, job application procedures, hiring, upgrading, promotion, demotion, transfer, layoff, termination, right of return from layoff, rehiring, rates of pay, or any other form of compensation and changes in compensation, benefits, job assignments, job classifications, organizational structures, position descriptions, lines of progression, seniority lists, leaves of absence, sick leave, any other leave, fringe benefits available by virtue of employment, selection and financial support for training, Harmony-sponsored activities including social and recreational programs, and any other term, condition, or privilege of employment.

Harmony D.C. Public Schools does not discriminate against any qualified employees or applicants because they are related to or associated with a person with a disability.

Employment Applications

Harmony relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in this information or data may result in Harmony's exclusion of the individual from further consideration for employment or, if the person has been hired, termination from employment.

Employment Checks

Harmony performs criminal history and fingerprinting checks as required by law, and checks applicant employment references.

Criminal History Record Information

Harmony is authorized by state law to obtain criminal history record information on applicants Harmony intends to employ.

Termination or Refusal to Hire

Harmony will discharge or refuse to hire an employee or applicant for employment if Harmony obtains information through a criminal history record information review (or otherwise) that:

1. Pled guilty or nolo contendere with respect to, or received probation before judgment with respect to, or been convicted of one of the following crimes or been held liable in a private cause of action based upon the following:
 - (1) Murder;
 - (2) Child abuse;

- (3) Rape;
- (4) A sexual offense involving a minor or non-consenting adult;
- (5) Child pornography;
- (6) Kidnapping or abduction of a child;
- (7) Illegal possession, use, sale, or distribution of controlled substances;
- (8) Illegal possession or use of weapons; or
- (9) A felony or misdemeanor involving moral turpitude to be defined as one characterized by behavior or acts that gravely violate moral sentiments or accepted moral standards of this community and are of a morally culpable quality.

Additionally, the School shall discharge or refuse to hire an employee or applicant if the individual's criminal history information shows that:

- 1) The employee or applicant has been convicted of:
 - a. A felony offense under Title 22 of the District of Columbia Code;
 - b. An offense on conviction of which the employee or applicant is required to register as a sex offender under Chapter 40, Title 22 of the District of Columbia Code; or
 - c. An offense under the laws of another state that is equivalent to an offense under paragraphs (a) or (b) above; and
- 2) At the time the offense occurred, the victim of the offense was under 18 years of age or enrolled in a public school.

Harmony may discharge an employee if it obtains information of the employee's conviction of any felony or a misdemeanor involving moral turpitude that the employee did not disclose to the School or the Office of Educator Licensure and Accreditation.

Confidentiality of Information

An employee's criminal history record information may not be released or disclosed, except when disclosure is authorized by law.

Discrimination Based on Criminal History

Except as required by state or federal law, Harmony D.C. Public Charter Schools do not prohibit employment or refuse to consider an application for employment solely on the grounds that an applicant/employee has a prior criminal record. Harmony does not prohibit employment or refuse to consider an application for employment based solely on the grounds that the applicant/employee has been arrested. In accordance with Title VII of the Civil Rights Act of 1964, it is the policy of the School, prior to any exclusion of an applicant for employment or continued employment of an employee that has a criminal record, to conduct an individualized assessment of the criminal conduct at issue.

Employee Arrests and Convictions

An employee who is arrested for, convicted of, or receives deferred adjudication for any felony or any offense involving moral turpitude must report the arrest to the Principal or immediate supervisor within three calendar days of the arrest. This includes any arrest, indictment, conviction, no contest or guilty pleas, or other adjudication of the employee for any of the following offenses:

- Crimes involving school property of funds;
- Crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;
- Crimes that occur wholly or in part on school property or at a school-sponsored activity; or
- Crimes involving moral turpitude, which include but are not limited to:
 - Dishonesty, fraud, deceit, theft, misrepresentation;
 - Deliberate violence;
 - Base, vile or depraved acts that are intended to arouse or gratify the sexual desire of the actor;
 - Felony possession, transfer, sale, distribution or conspiracy to possess, transfer, sell or distribute any controlled substance.
 - Acts constituting public intoxication, operating a motor vehicle while under the influence of alcohol, or disorderly conduct if two or more acts are committed within any 12-month period;

Fingerprinting

In compliance with state law, all employees and substitutes hired must complete the fingerprinting process with the authorized police departments, courthouses, or FBI locations prior to employment.

Consumer Reports

Harmony D.C. Public Charter Schools may, at its discretion, and will, when required by law, utilize Consumer Reports – e.g., credit, criminal, employment references and Department of Public Safety reports to assist us in making employment decisions. In addition, Harmony may conduct annual driving record checks to verify that the drivers’ licenses and driving records of those employees required to drive Harmony-owned vehicles are valid and acceptable to Harmony’s insurance carrier.

Where required by applicable law, prior to running any of the above-mentioned checks/records, each employee will be provided any required notice form(s), and must sign an authorization form at the time of the initial job interview or prior to being extended an offer of employment. Refusal to sign such authorization is grounds for disqualification from employment with Harmony. Continued employment is also expressly conditioned on satisfactory results from legally authorized or required record and background checks.

In the event Harmony relies on a “consumer report” for an “adverse action” as defined by the [Fair Credit Reporting Act](#) and regulation – i.e., denying a job application, reassigning or terminating an employee, or denying a promotion – Harmony will take the following action(s):

Step 1: Before taking adverse action, the employee will be provided a pre-adverse action disclosure that includes a copy of the individual’s consumer report and a copy of “[A Summary of Your Rights Under the Fair Credit Reporting Act](#)” – a document prescribed by the Federal Trade Commission.

Step 2: After taking an adverse action, the employee will be provided notice – either orally, in writing, or electronically – that the action has been taken. This notice will include:

- The name, address, and telephone number of the Credit Reporting Agency (CRA) that supplied the report;
- A statement that the CRA supplying the report did not make the decision to take the adverse action, and cannot give specific reasons for it; and
- A notice of the individual’s right to dispute the accuracy or completeness of any information the agency furnished, and his or her right to an additional free consumer report from the agency upon request within 60 days.

The employee will be given a reasonable time period to dispute the information. However, it is ultimately the decision of Harmony as to the action taken.

After Harmony has completed its review of the checks/records, it will dispose of any consumer information and other confidential information in an appropriate manner.

Health Requirements

Harmony may require that an employee undergo a physical examination if at any time his or her ability to perform adequately or safely is in question.

Reassignments and Transfers

All personnel are subject to assignment and reassignment by the school principal. Extra-curricular or supplemental duty assignments may also be assigned or reassigned at any time.

All employees interested in transferring positions and who meet a position's minimum qualifications are encouraged to apply. Selection is based on department needs and a candidate's qualifications and performance. Harmony fills all job vacancies with the individual it deems most qualified for the position, and reserves the right to select candidates from outside Harmony. The school principal's criteria for approval of campus appointments and reassignments will be consistent with the school's policy regarding equal opportunity employment.

Extra Duties

Professional and paraprofessional staff members will be assigned extra duties to ensure the proper supervision of students outside the classroom. These duties may be assigned at any time by the school Principal or an Assistant Principal.

Professional staff members are further responsible for providing tutorial services to students who are failing or in danger of failing. Staff members are responsible for notifying the student's parents/guardians when tutorials become necessary.

School Activities

Staff members are expected to attend and participate in as many school activities as possible. Staff presence projects support and interest to the students, the school, and the community.

Staff members are also encouraged to become involved in school-related organizations, clubs, etc. Staff members must receive permission from the Principal to use school facilities for such activities. Employees should remember that no school-related activities may be scheduled the night before the PARCC and state/district assessments are administered.

Employees are required to submit ideas or requests for field trips and excursions to the Principal. The Principal may approve or deny the request.

Work Schedules

A school calendar designating all school holidays and staff work schedules is developed and adopted each year. Notice of work schedules, including start and end dates, start and end times, scheduled in-services, and will be distributed each school year. Work schedules may vary based on an employee's department and job position.

Professional and paraprofessional staff members generally will adhere to the following work schedules:

Administrators	7:30 a.m. – 4:30 p.m.
----------------	-----------------------

Administrative Assistants	7:30 a.m. – 4:00 p.m. (8 hours a day and 30 min lunch break)
Teachers	7:45 a.m. – 4:15 p.m.

Please note that these hours are not exclusive, but are simply the minimum hours that an employee is expected to be at work.

Employees eligible for overtime are required to clock out at lunch and clock in when they resume work.

Notification to Parents Regarding Qualifications

Harmony is required by law and will provide to the parent or guardian of each enrolled student written notice of the qualifications of each teacher employed by the school. No Child Left Behind also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not highly qualified.

Staff Dress and Grooming

Harmony D.C. Public Charter Schools believe that all staff members set an example in dress and grooming for students to follow. Staff members who set a good example in dress and grooming present an image of dignity and encourage respect for authority. These factors assist Harmony in maintaining discipline and order.

School employees are expected to dress in a professional and appropriate manner. The School Principal and/or the employee’s direct supervisor are solely responsible for initially interpreting and enforcing the School’s dress and grooming standards. Complaints regarding dress and grooming requirements may be appealed as provided by Board policy.

Employees are expected to arrive to work neatly groomed and dressed, and to keep their hair neat and clean. Employee grooming and dress may not disturb, interfere with, or detract from the educational setting. “Neatly groomed and dressed” means dress and grooming standards that conform to local community and school etiquette and decorum.

Employees are expected to follow the following dress and grooming standards:

- No shorts, wind pants/shorts, or warm-ups may be worn during the school day, except for:
 - Employees assigned to physical education classes. Employees assigned to physical education classes may not, however, wear such clothing in the regular classroom.
 - Days designated by the campus administration, and field-based class activity days.
- No jeans of any color may be worn during the school day, except for :
 - Staff workdays when school is not in session.
 - Days designated by the campus administration, and field-based class activity days.
- Jewelry and Other Accessories:
 - Tattoos must be covered and hidden from view.
 - Body piercings (nose rings, eyebrow rings, and tongue piercings) are prohibited.

Male Dress:

- Hair – Hair length must be kept according to the standards established in the Harmony student grooming code. Hair must be neatly trimmed, and no earrings may be worn.
- Shirts – Men may wear open-collared shirts, either long- or short-sleeved. Acceptable styles include dress, button-down, polo, or golf shirts. No ties are required.

Performance Evaluation

Evaluation of an employee’s job performance should be a continual process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the school principal or designee. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, have a performance conference with their supervisor, and be given an opportunity to respond to the evaluation.

Return of School Property

All materials, including but not limited to business information, files, research, records, memoranda, books, lists, computer disks, hardware, software, cell phones and other wireless devices, documents, drawings, models, apparatus, sketches, designs and any other embodiment of confidential information or intellectual property received by an employee during employment or volunteer service, and any tangible embodiments of such materials created by an employee, alone or with others, whether confidential or not, are the property of Harmony D.C. Public Charter Schools.

Upon separation of employment with Harmony or cessation of volunteer services, or upon the request of Harmony, an individual will return to Harmony all such materials, including copies thereof, in the individual’s possession or under the individual’s control. Such materials will be returned within 24 hours of notice of separation or upon request of Harmony, whichever comes first.

The cost of repairing or replacing any Harmony supplies, materials, equipment, or other property that is damaged (other than normal wear and tear), stolen, or lost by an employee or that is not returned to Harmony upon separation of employment may be deducted from the employee's wages, so long as the deduction does not take the employee's pay below minimum wage or, if the employee is a salaried employee, reduce the salary below its predetermined amount.

Any materials created by staff members for use by Harmony, or created on Harmony time, or produced using the staff or resources of Harmony, are considered works-for-hire and all intellectual property rights are vested exclusively in Harmony.

Working with the Media

The Board of Directors has designated the principal as the official spokesperson for media questions. Any official statements from Harmony to the media are to be handled through the Director of Communications or designee.

Staff Development

Staff development activities are organized to meet the needs of employees and Harmony. Staff development is predominantly campus-based, related to achieving campus performance objectives, and addressed in the campus improvement plan, which is approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements and continued skill development.

Staff development may consist of work at local colleges/universities, professional memberships, workshops, in-service trainings, retreats, and conferences. Employees must submit a request to a Principal or Assistant Principal in advance of registering for development opportunities in order to be fully or partially reimbursed for participation.

Name and Address Change

It is the responsibility of each employee to promptly notify Harmony D.C. Public Charter Schools of any changes in personnel data. Employees should notify their campus Principal of any changes or corrections to their name, home address, telephone number, and marital status, names of dependents, emergency contacts, or beneficiaries. Name changes must be consistent with and match other documentation, including driver's licenses and social security identification.

Building Use

Requests to use school facilities should be directed to the school Principal.

Instructional Supplies

All instructional materials purchased by Harmony D.C. Public Charter Schools become property of the School. Employees may not keep teacher resource materials when leaving employment with Harmony.

Staff members should initiate requests for supplies through the Principal's office. Harmony will assume no financial responsibility for teacher resource materials purchased without a properly issued purchase order.

Communication with Parents in General

Teachers and administrators are expected to notify a parent when a student performs poorly on classwork or testing or begins to misbehave at school. Harmony encourages teachers and administrators not to send information regarding grades, disciplinary issues, or other sensitive matters via e-mail.

Parent and Student Complaints

Parents are encouraged to discuss problems or complaints with teachers and appropriate administrators in an effort to resolve issues in a timely manner and at the lowest administrative level possible. Complaints that cannot be resolved

informally should be directed to the Principal. After all administrative complaint procedures are exhausted; parents and students can bring complaints to the Board of Directors for consideration.

Title I – Parent/Teacher Conferences

It is Harmony’s policy to implement programs, activities and procedures involving parents of students in programs assisted under Title I, Part A. Parental involvement activities provided with Title I, Part A funds are planned and implemented with meaningful consultation with parents of participating children.

All teachers and administrators will be expected to work with parents to improve the performance of the child and provide information on how parents can participate in decisions relating to the education of their child. Training will be provided for all teachers and administrators involved with the implementation and oversight of Title I and associated programs.

CLASSIFICATION, COMPENSATION AND BENEFITS

Employment Classification Categories

It is the intent of Harmony D.C. Public Charter Schools to clarify the definitions of employment classifications as exempt or non-exempt or full time or part time, so that employees understand their employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time.

Exempt and Non-Exempt

Each employee is designated as either EXEMPT or NON-EXEMPT under federal and state wage and hour laws in accordance with applicable federal law. NON-EXEMPT employees are entitled to overtime pay under the specific provisions of federal law. EXEMPT employees are excluded from specific provisions of federal and state wage and hour laws. An employee’s EXEMPT or NON-EXEMPT classification may be changed only upon written notification by Harmony, and in accordance with applicable federal law.

Exempt status applies to the position and not the employee. Exempt simply means the position the employee fills is exempt from the [Fair Labor Standards Act \(FLSA\)](#), and is not entitled to overtime compensation. Exempt employees (excluding teachers) are paid on a salaried basis, and their salary is not reduced for absences of less than one full day. However, any full days of absence taken in excess of the employee’s allotment/service record accumulation of sick or personal leave will result in an employee payroll deduction calculated on a pro-rated daily rate.

Non-exempt positions are those positions that are not exempt from FLSA requirements. Non-exempt positions require Harmony to pay the employee overtime (time and a half) for all hours worked in excess of 40 during a workweek. The key phrase here is “hours worked.” An employee may work 32 hours in a week and have 16 hours of vacation time. This would reflect as 48 hours on a paycheck, but for overtime calculation, the employee actually worked 32 hours – so overtime would not be paid. All employees in positions that are classified as non-exempt will be required to maintain a time card or record, and will be eligible for overtime pay in accordance with the appropriate Wage and Hour Laws, and as outlined in this Handbook. Non-exempt employees may not work beyond 40 hours per week without prior written approval from the supervisor.

Harmony’s positions are reviewed and assigned an FLSA (exempt or non-exempt) status that is maintained on a master record by the school. Upon request, the campus Principal may provide this information to an employee.

Full-Time Employee

An individual who is employed at least 40 hours per week is considered full-time. Full-time employees are those who are not in a temporary or introductory status, and who are regularly scheduled to work Harmony’s full-time schedule.

Generally, full-time employees are eligible for Harmony’s benefit package, subject to the terms, conditions, and limitations of each benefit program.

Part-Time Employee

An individual who is employed at least 20, but less than 40 hours per week, is considered part-time. Part-time employees are those who are not assigned to a temporary or introductory status, and who are regularly scheduled to work every day at a fixed part-time schedule. Part-time employees receive legally mandated benefits but, except as may be required by federal or state law, or provided at Harmony’s discretion, are ineligible for Harmony’s benefit programs.

Temporary Employee

Temporary employees are individuals hired as interim replacements to temporarily supplement the work force, such as substitutes, or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration. Temporary employees retain that status unless and until notified of a change. Employment of temporary employees beyond an initially anticipated period or past completion of a specific project does not change at-will employment status. All legally mandated benefits are provided to temporary employees. Other benefits may also be available, subject to the terms, conditions, and limitations of each benefit program.

Workweek and Work Hours for Purposes of FLSA

The Harmony workweek begins on Monday at 12:00 a.m. and ends on Sunday at 11:59 p.m. Scheduled work hours and days may vary according to service requirements and employment classification. Generally, the scheduled work hours for Harmony employees will conform to the regular schedules of the schools served by Harmony.

Support employees will be notified of their required duty days, holidays, and hours of work for their position by their supervisor.

Salaries, Wages, and Stipends

Employees are paid in accordance with administrative guidelines and an established pay structure/salary scales. Harmony’s pay plans may be reviewed by the Board of Directors each year and adjusted as needed. All school positions are classified as exempt or non-exempt according to federal law and as discussed above.

Payroll

Harmony D.C. Public Charter Schools pays all exempt and non-exempt employees on a biweekly basis, with paychecks issued on the 15th and last day of each month..

Employees may be paid by check or through direct deposit of funds to savings and/or checking accounts at the employee’s financial institution(s). The method of pay may be changed at any time, with or without advance notice. In the event that a regularly scheduled payday falls on a weekend or federal/bank holiday, employees will be paid on the last day of work prior to the regularly scheduled payday.

Harmony D.C. Public Charter Schools Annualized Compensation

Harmony pays all exempt employees over a 10-month or 12-month period, depending on the position and regardless of the number of months employed during the school year. Exempt employees will be paid in equal biweekly payments, beginning with the first pay period of the school year. Exempt employees who separate after the last day of instruction will continue to receive paychecks through the end of the summer. For purposes of healthcare and other benefits, an exempt employee who works a 10-month schedule but does not elect to be paid over 12-months will have the employee’s premium contributions deducted over the prior 2-month period to cover premiums for the 11th and 12th month.

Harmony pays all non-exempt employees over a 12-month period, unless an employee opts out of this annualized compensation system. By paying an annualized salary, employees are able to receive regular income in each two-week pay period, including those times when school is not in session and when employees are not asked to perform any work. Annualized compensation also allows Harmony to deduct any premiums for benefits from an employee's biweekly earnings, which is an added convenience.

All non-exempt employees are expected to work according a set schedule of days and/or hours as set forth in each employee's employment agreement and the Harmony calendar. If an employee does not work these expected days or hours, because of arriving late to work, leaving early, or other absence, Harmony may make a corresponding deduction from any accrued paid leave. Harmony may also make occasional deductions from pay for willful absence or tardiness if an employee, without authorization, fails to work his or her expected schedule. Such a deduction will not affect Harmony's duty to paid earned overtime, and the employee's wages will never drop below minimum wage.

Those employees who opt out of receiving annualized compensation will be paid for hours worked each regularly scheduled pay cycle. For those months in which the employee's work schedule is insufficient to cover his or her contributions toward benefit premiums, including summer months, the employee will be required to pay any premiums to Harmony by the 10th day of any month prior to a month in which the employee's work schedule will not be sufficient to cover the contribution toward a benefit premium. For example, a non-exempt employee who has opted out of annualized compensation and will not work during July and August, and therefore will not receive a paycheck during those months, must pay any benefit premiums to Harmony by June 10 and July 10, respectively, in order for benefits to continue during the summer months. Benefit coverage may lapse if timely payments are not made. Checks must be Payable to the name of school. to campus. Questions regarding annualized pay for non-exempt employees may be directed to the campus administrators.

Timekeeping

Federal and state laws require Harmony D.C. Public Charter Schools to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties. Employees are not to estimate future hours and include them on their time card.

Nonexempt employees should accurately record the time they begin and end their work, as well as the beginning and ending time of each meal period. They should also record the beginning and ending time of any split shift or departure from work for personal reasons. This work log should be recorded as it takes place – not several hours or days later. Overtime work must always be approved before it is performed.

In accordance with Board Policy, all employees should regard coming to work on time, working their shift as scheduled, and arriving and leaving at the scheduled time as essential functions of their jobs.

The School has established the following policies for employee attendance:

- 1) Employees should arrive to work and be at their assigned duty station no later than their scheduled start time.
- 2) Employees should remain at their duty station unless the needs of the job require being elsewhere or as authorized by their supervisor, except during authorized breaks.
- 3) Employees should take only the time normally allowed for breaks as authorized by their supervisor.
- 4) Non-salaried/Non-exempt employees should leave promptly at the end of their scheduled workday, unless given prior authorization from their supervisor to work past that time.
- 5) Employees should call in and personally notify a supervisor if they will be absent or tardy, unless a verifiable emergency makes it impossible to do so.
- 6) In addition to any time-clock or time-recording system Harmony may implement, time keeping for Non-exempt employees must be done weekly and manually using Harmony's approved time sheets provided by the Principal.

Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action, up to and including termination of employment.

Minimum Wage and Overtime

Employees not exempt under the Fair Labor Standards Act will be paid minimum wage and receive compensation for overtime under the conditions specified in the FLSA. Under no circumstances should a non-exempt employee work “off the clock” or outside of the employee’s approved work schedule.

Advance approval from a supervisor is required for any overtime work. Exceptions are granted for advanced approval if the overtime is in support of unforeseeable or emergency circumstances and approval is obtained within one working day of the event.

Harmony does not offer compensatory time, but may reduce work hours in a workweek such that actual work time during the workweek does not exceed 40 hours.

Direct Deposit

All faculty and staff are strongly encouraged to take advantage of direct deposit because of the many advantages it offers. In addition to being efficient and convenient, direct deposit is the most reliable method of receiving pay. Employees should authorize Direct Deposit online through their Employee Portal account. A notification period of one pay period is necessary to activate this service. Terminated employees with Direct Deposit will receive a paper check for their final paycheck within six calendar days of termination.

Employee Advances

It is against Harmony policy to issue payroll advances to employees.

Deductions From Pay

Harmony D.C. Public Schools will deduct from an employee’s paycheck that which is allowable under state and federal law. Generally, optional deductions, if any, may only be made from pay as long as the resulting wage does not fall below the FLSA minimum wage.

All optional deductions from an employee’s paycheck must be approved by the employee in writing.

Deductions Required by Law

The following deductions are required by law and are withheld from every paycheck; no written authorization is required:

- Federal Income Tax Withholding (based on IRS Form W-4)
- Medicare
- Social Security
- Retirement
- HealthCare Premiums

Social Security/Medicare Taxes

The amounts withheld are based upon a tax rate set by law and are applied up to a certain specified amount of annual earnings. Harmony is liable for an amount equal to the amount of tax paid by the employee at the time the wages are paid.

Federal Withholding Income Tax

Federal income tax will be withheld from each employee’s paycheck. The amount is shown on the paycheck stub under the heading “Federal Withholding.” The Internal Revenue Service (IRS) requires that deductions be made based on an

employee's gross earnings in accordance with established withholding tax tables in effect at the time of withholding. The classification used to determine the amount of tax withheld is taken from the Employee's Withholding Allowance Certificate (Form W-4). The withheld tax is forwarded to the IRS, and the employee is given credit toward payment of their individual income tax.

Wage Garnishments

An involuntary assignment of wages – also called a garnishment – requires that Harmony D.C. Public Schools deduct certain amounts from an employee's wages in order to repay the employee's debts, such as child support and court-ordered wage garnishments. Harmony will only make such deduction from an employee's paycheck upon receipt of official notice and/or paperwork from a court or governing body.

Exemption From Withholding

If an employee wishes to claim an exemption from withholding he or she must fill out the qualifying section of the W-4 form. If the Payroll Department determines that the employee does not qualify for an exemption based upon the qualifying statement in the W-4, exemption status may be denied.

Change in Withholding Status

Employees must file a revised W-4 form in order to change withholding status. HR Department will not make changes in an employee's withholding status based upon a verbal or email request. Please note that in accordance with IRS guidelines, if marital status is not checked, the default Single will be entered and if allowances are not completed, the default zero (0) will be entered.

Wage and Tax Statements

All employees will receive a Wage and Tax Statement (Form W-2) from Harmony showing their annual earnings and the amounts deducted for Social Security, Medicare, and federal income taxes. Additional earnings and deductions that may be included, if applicable, are social security tips, allocated tips, advance earned income credit, and dependent care benefits. W-2 forms will be prepared by the Payroll Department and distributed on or before January 31st of each year.

Health Insurance

Health insurance coverage is available to all full time employees. Harmony's contribution to employee insurance premiums is determined annually by the Board of Directors. An employee may pay a group rate to add his or her spouse, children, or other eligible family members to an insurance policy.

Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees in a separate booklet, the Harmony D.C. Public Schools Benefits Summary and benefit plan documents.

COBRA Coverage

In accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), Harmony will continuation coverage under any group health insurance plan established after July 1, 1986, to the following qualified beneficiaries for the stated period of time:

- To the employee for 18 months after a termination (other than for gross misconduct) or reduction in hours. An employee providing notice of being disabled under Title II or XVI of the Social Security Act before the end of the initial 18 months of coverage shall be offered up to 29 months of continuation coverage.
- To dependents of the covered employee for 36 months after the employee becomes eligible for Medicare benefits.

- To dependents of the covered employee for 36 months after the employee's death or the divorce or legal separation of the employee from a spouse.
- To a dependent child for 36 months after the child ceases to be a dependent under the terms of the plan.

Employees and dependents that are covered by the group health plan at the time of the qualifying event are eligible to continue coverage. If a qualifying event is either: (a) the divorce of an employee; or (b) a child becoming ineligible for coverage, the eligible participants must notify the Benefits or Payroll Department in writing. The Benefits or Payroll Department will then give written notice to the participants of the continuation option. If the qualifying event is the employee's death, Medicare eligibility, or termination of employment (or reduction of hours), the Benefits or Payroll Department will give written notice to the participants of the continuation option.

Eligible participants have 60 days to give written notice to the Benefits or Payroll Department of a desire to continue coverage. The election must specify names of covered individuals and the reason for and the date of the qualifying event.

As long as the premium is paid on a timely basis, the participants' coverage will continue unless:

- The benefit time period expires;
- A continued participant has coverage under any other group health plan, which does not contain an exclusion for any preexisting condition of the participant;
- Coverage ceases for failure to pay the premium;
- A continued participant becomes entitled to Medicare benefits; or
- Harmony no longer provides group health coverage for its employees.

Benefits for continued participants will be the same as those for active employees. Rates will be based upon the rates for active employees, without Harmony's contribution. If Harmony changes benefits or rates, the continued participants will receive the new benefits and a new rate.

A service fee of 2% of the premium may be added to the premium and is payable by the continued participant to Harmony on a monthly basis. An extra premium of 50% may be added for participants who extend coverage from 18 to 29 months. The participant is responsible for the premium payment.

ATTENDANCE, LEAVE AND ABSENCES

Attendance

Harmony D.C. Public Charter Schools expects regular and prompt attendance from all its employees in accordance with Harmony's Board Policy governing attendance. Excessive absences and tardiness puts an unfair burden on co-workers, and will be a significant factor in an employee's continued employment, performance appraisals, salary reviews and advancement opportunities.

Employees are expected to:

- 1) Arrive to work and be at their assigned duty station no later than their scheduled start time.
- 2) Remain at their duty station unless the needs of the job require being elsewhere or as authorized by their supervisor, except during authorized breaks.
- 3) Take only the time normally allowed for breaks as authorized by their supervisor.

- 4) Non-salaried/Non-exempt employees should leave promptly at the end of their scheduled workday, unless given permission by their supervisor to work past that time.
- 5) Call in and personally notify a supervisor if they will be absent or tardy, unless a verifiable emergency makes it impossible to do so.

Scheduling and Attending Parent-Teacher Conferences

Parents are the first educators and must be treated with respect. Teachers are responsible for attending and conducting all Parent Open House Meetings unless approved in writing by a Principal.

Individual parent conferences must be scheduled during non-instructional hours. Teachers are expected to call parents of students who are at risk of failing starting the third week of school after benchmarks. Teachers are expected to make positive phone calls to parents. Parent-Teacher conferences are not to be scheduled during instruction time. Teachers are also expected to call parents to invite them to “Parent Nights.”

Leaving the Classroom

Students must be supervised at all times – it only takes a second for something to happen. If it is necessary to leave the classroom, a teacher must notify the school office or another teacher immediately. It is the teacher’s responsibility to ensure their class is supervised and covered at all times if he or she cannot be in a scheduled class for any period of time.

All employees must obtain authorization from the campus Principal when leaving the school during scheduled work hours.

Tardiness

Employees are required to notify their campus Assistant Principal or supervisor no later than one hour before the start of the school day on any day that the employee suspects that he or she may be late in reporting to his or her assigned campus unless it is medically impossible for the employee to do so. Notification by a friend, spouse or other relative is not acceptable, unless the employee is physically unable to make the notification personally. If, for some reason, the Assistant Principal or supervisor cannot be reached, the employee is responsible for contacting the campus main office. **NOTE:** It is the employee’s responsibility to ensure that the school is notified in a timely manner so that a substitute can be scheduled.

Excessive tardiness will result in corrective action as stipulated for absences, up to and including the possibility of termination. Assistant Principals must notify the Principal regarding excessive tardiness.

Attendance Records

Supervisors are responsible for maintaining accurate attendance records for all employees under their supervision. Accurate attendance records are valuable and necessary tools for performance appraisal, discipline, overtime pay calculations and determination of salary continuation during absences.

Excessive Absenteeism or Tardiness

Excessive absenteeism or tardiness constitutes grounds for disciplinary action up to, and including, termination. Excessive absenteeism, tardiness, and/or leaving work prior to designated time may result in:

- Disciplinary probation.
- Denial of pending or future promotion.
- Production of medical certification of reason or reasons for absences and/or tardiness.
- Any other appropriate disciplinary measure, including termination of employment.

Absences

Regular attendance on the job is very important to the proper functioning of Harmony, and is therefore a condition of continued employment. It is the responsibility of all employees to maintain prompt regular attendance so as to ensure the smooth functioning of their own jobs and avoid inconveniencing or disturbing other interrelated jobs.

When it is necessary for an employee to be absent, the procedures listed below will be followed:

- Teachers are expected to report anticipated absences to the campus Assistant Principal or designee as soon as possible.
- In extreme emergencies or after one hour before school starts, continue calling the school office until you speak to someone directly.

Failure of an employee to give the notification of absence to his or her supervisor in a timely manner for three or more consecutive workdays, unless prevented by circumstances beyond the employee's control, may be considered to be voluntary resignation/job abandonment as of the last day worked in accordance with applicable federal and state laws.

Each teacher is required to have a substitute folder readily accessible containing the following:

- Lesson plans;
- Alternative activities, if needed;
- Seating charts, if applicable;
- Class rolls;
- Discipline plan;
- Fire drill and disaster routes;
- Name and room number of a staff member to answer questions, as well as the names of helpful students; and
- Special instructions unique to your location or subject area.

When you return to work from an absence, it is important to see the Assistant Principal to sign an "absence from duty report" and turn in any paper work related to the absence.

Employees must follow established procedures for reporting and requesting any leave.

Personal Leave

Harmony D.C. Public Charter Schools offers Local Leave to employees for employee use at the beginning of each school year. An employee's maximum Local Leave is as follows:

- Non-exempt and part-time employees may earn up to five (5) personal days and two (2) sick days of leave per school year.
- Exempt teachers may earn up to five (5) personal days and three (3) sick days of leave per school year.
- Exempt Level I Administrators may earn up to five (5) personal days and four (4) sick days of leave per school year.
- Exempt Level II, III, and IV Administrators and Central Office Personnel may earn up to five (5) personal days and five (5) sick days of leave per school year.

All requests for local leave will be considered as a request for personal leave unless the employee notes that sick leave is being requested. Personal leave is earned at a rate of one-half day for each 18 workdays of employment. One day of

earned local leave is equivalent to one assigned workday. Personal leave may be used for anticipated and unanticipated leave. Anticipated leave is leave taken at an employee's discretion and that can be scheduled in advance. Unanticipated leave is unexpected leave taken for personal and family illness, emergency, a death in the family, or active military service. This type of leave allows very little or no advance planning.

Teachers may use personal days at least ½ day increments, all other exempt employees 1 day increments, and non-exempt employees in 2 hours increments. If an employee leaves Harmony before the end of the work year, the cost of any unearned used leave days taken will be deducted from the employee's final paycheck.

At the end of each school year, earned unused local leave days will not roll over, but instead, employees will be compensated as follows: (a) exempt employees will be paid \$100.00 for any full day of unused local leave; (b) non-exempt employees will be paid at their hourly-rate for eight (8) hours for each unused local leave day up to and not to exceed \$100.00 per day.

Before taking anticipated leave, an employee must submit a written request to his or her campus Principal or supervisor within five days in advance of the anticipated absence. The effect of the employee's absence on the educational program and the availability of substitutes are factors that will be considered before leave is granted. Anticipated local leave is granted on a first-come first-served basis.

Anticipated local leave may not be taken for more than three consecutive days, except in extenuating circumstances as determined by the Principal. Additionally, anticipated leave may not be taken under the following circumstances, absent extenuating circumstances as determined Principal:

- The day before a school holiday.
- The day after a school holiday.
- Days scheduled for end-of-semester or end-of-year exams.
- Days scheduled for state assessments.
- System-wide norm-reference testing days.
- Professional or staff development days.

Leave Options for Absences of Less than One-half Day (Paraprofessional and Auxiliary Employees Only)

The following leave options are available for paraprofessional and auxiliary employees upon supervisory approval:

- The employee "make-up" missed time during the same workweek as an absence rather than take paid leave.
- The employee may choose to be paid only for hours actually worked, *i.e.* docked for time missed due to absence, rather than take paid leave.

Medical Certification

Any employee who is absent more than three days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and – in the case of personal illness – the employee's fitness to return to work.

Forfeiture of Leave

Local leave does not accumulate or roll forward from year to year, and is forfeited upon resignation, retirement, or termination from employment.

Military Leave

Harmony D.C. Public Charter Schools is committed to protecting the job rights of employees absent on military leave. In accordance with federal and state law, it is Harmony's policy that no employee or prospective employee will be

subjected to any form of discrimination on the basis of that person's membership in, or obligation to perform service for any of the Uniformed Services of the United States. Specifically, no person will be denied employment, reemployment, promotion, or other benefit of employment on the basis of such membership. Furthermore, no person will be subjected to retaliation or adverse employment action because such person has exercised his or her rights hereunder. If any employee believes that he or she has been subjected to discrimination in violation of this provision, the employee should immediately contact the principal..

Any Harmony D.C. Public Schools employee who is absent from employment due to voluntary or involuntary service in the uniformed services is entitled to certain rights and benefits under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) if:

1. The employee (or an appropriate officer of the uniformed service in which the employee serves) has provided written or verbal notice of such military notice to the School (unless notice cannot be given because of military necessity or is unreasonable or impossible to provide);
2. The cumulative length of the absence and all previous absences from employment with the School does not exceed five years; and
3. The employee reports to or submits an application for reemployment to the School and applies with all other applicable requirements.

Temporary (Two-Week) Military Leave

In addition to the rights and benefits provided to employees taking Extended Military Leave (as described in this Handbook), eligible employees who must be absent from their job for a period of not more than 10 working days each year in order to participate in temporary military duty are entitled to as many as 10 days unpaid military leave. All benefits will continue during an employee's temporary military leave.

All Other (Extended) Military Leave

Employees directed to participate in extended military duties in the U. S. Armed Forces that exceed 10 working days will be placed on an unpaid military leave of absence status for a period of as long as five years, except as otherwise required by the Uniformed Services Employment and Reemployment Rights Act (USERRA), and will be entitled to the rights and benefits described below.

Procedures For All Military Leave

The employee, or an "appropriate officer" from the employee's military service branch, will provide the employee's Principal with verbal or written notice that the employee will be engaging in military service, including, where feasible, a copy of the orders directing the military duty, unless the employee is prevented from doing so by military necessity. Employees are requested to make every effort to give notice of impending military service as far in advance as is practicable under the circumstances, and are strongly encouraged to provide notice at least 30 days prior to active military service, except where such notice is precluded by military necessity, or is otherwise impossible or unreasonable. Failure to provide advance notice may render the employee ineligible for the rights and benefits described in this Handbook.

To request a temporary or extended military leave of absence the employee should, unless prevented from doing so by military necessity, notify his or her campus's Principal, complete an Employee Change Notice (ECN) and submit the ECN form to the principal. The principal will review the ECN, collect any applicable insurance premiums from the employee, and process the employee's request.

An employee on temporary or extended military leave may elect, at his or her option, to use any accrued paid leave (vacation, sick or personal leave) available; the remainder of military leave will be unpaid.

When the employee intends to return to work, he or she must submit a timely application for reinstatement/reemployment to the HR Department within the application period set forth below. If the employee does not return to work following the conclusion of military leave, his or her campus's Principal must notify the HR

Department so that appropriate action may be taken. In such event, the employee will be considered to have voluntarily resigned.

Continuation of Health Benefits

If an employee is absent from work due to military service, benefits will continue as follows:

- An employee on extended military leave may elect to continue group medical, dental, and vision insurance coverage for the employee and his or her covered dependents. If the employee is on military leave for a period not to exceed 31 days from the date the military leave of absence begins, the employee may continue coverage under the same terms and conditions, and must pay the premium normally paid by the employee. If the military leave exceeds the 31-day period, the employee and covered dependents can continue group health insurance for up to 24 months at 102% of the overall (both employer and employee) premium rate. [COBRA](#) coverage runs concurrently with USERRA coverage for up to 18 months.
- If the employee does not elect to continue coverage while on military leave, or coverage terminates after a 24-month period, the employee and qualified dependents have the right to be reinstated in the Harmony health plan when reemployed, generally without any waiting periods or exclusions (such as pre-existing condition exclusions) except for service-connected illnesses or injuries.
- Employees do not accrue vacation, personal leave or sick leave while on military leave.
- With respect to Harmony's retirement plan, upon reemployment, employees who have taken military leave will be credited, for purposes of vesting, with the time spent in military service, and will be treated as not having incurred a break in service. Immediately upon reemployment, the employee may, at the employee's election, make any or all contributions that the employee would have been eligible to make had his or her employment not been interrupted by military service. Such contributions must be made within a period that begins with the employee's reemployment, and that is not greater in duration than three times the length of the employee's military service. Employees will receive all associated matches paid by Harmony for such contributions.

Reemployment

Upon an employee's prompt application for reemployment (as defined below), an employee will be reinstated to employment in the following manner depending upon the employee's period of military service:

- If the employee's period of military service was less than 91 days, he or she will be reemployed (a) in a position that the employee would have attained if employment had not been interrupted by military service; or (b) if found not qualified for such position after reasonable efforts by Harmony, in the position in which the employee was employed prior to military service.
- If the employee's period of military service was for 91 or more days and less than five years, he or she will be reemployed (a) in a position that the employee would have attained if employment had not been interrupted by military service or a position of like seniority, status and pay, the duties of which the employee is qualified to perform; or (b) if proved not qualified after reasonable efforts by Harmony, in the position the employee left, or a position of like seniority, status and pay, the duties of which the employee is qualified to perform.
- Employee returning with a service-connected disability. If, after reasonable accommodation efforts by Harmony, an employee with a service-connected disability is not qualified for employment in the position he or she would have attained or in the position that he or she left, the employee will be employed in (a) any other position of similar seniority, status and pay for which the employee is qualified or could become qualified with reasonable efforts by Harmony; or (b) if no such position exists, in the nearest approximation consistent with the circumstances of the employee's situation.

Application for Reinstatement/Reemployment

An employee who has engaged in military service must, in order to be entitled to the reemployment rights set forth above, submit an application for reinstatement according to the following schedule:

- If the employee’s military service is less than 31 days (or for the purpose of taking an examination to determine fitness to perform service), the employee must report for reinstatement at the beginning of the first full regularly-scheduled working period on the first full calendar day following completion of service and the expiration of eight hours after a period allowing for safe transportation back to the employee’s residence.
- If the employee’s military service is for 31 days or more but less than 180 days, the employee must submit an oral or written request for reinstatement with the HR Department no later than 14 days following the completion of service, except as otherwise provided by USERRA.
- If the employee’s military service is for more than 180 days, the employee must submit an oral or written request for reinstatement with the HR Department no later than 90 days following the completion of service, except as otherwise provided by USERRA.
- If the employee is hospitalized or convalescing from a service-connected illness or injury, the employee must submit an application for reinstatement with the HR Department based on the notification procedures determined by the length of service, after the time period required for the person’s recovery, but the recovery period may generally not exceed two years. The two-year recuperation period begins on the date of completion of military service.

Exceptions To Reinstatement

In addition to the employee’s failure to apply for reinstatement in a timely manner, an employee is not entitled to reinstatement as described above if any of the following conditions exist:

- Harmony’s circumstances have so changed as to make reinstatement impossible or unreasonable.
- The employee’s employment prior to the military service was merely for a brief, non-recurrent period, and there was no reasonable expectation that such employment would have continued indefinitely or for a significant period.
- The employee is separated from uniformed service with under other than honorable conditions – such as a dishonorable or bad conduct discharge.

Benefits Upon Reinstatement

An employee reinstated following eligible military leave will receive seniority and rights and other benefits determined by seniority that the employee had at the beginning of the military leave, plus any additional seniority and rights and benefits the employee would have attained, with reasonable certainty, had he or she remained continuously employed. In addition, an employee’s time spent on active military duty will be counted toward eligibility for FMLA leave once the employee returns to his or her job with Harmony.

Documentation

An employee’s campus Principal or supervisor will, upon the employee’s reapplication for employment, request that the employee provide military discharge documentation that establishes the timeliness of the application for reinstatement and length and character of the employee’s military service.

Service in State Military Services

Harmony will not terminate the employment of a permanent employee who is a member of the state military forces of this state or any other state because the employee is ordered to authorized training or duty by proper authority. Such an employee is entitled to return to the same employment held when ordered to training or duty and shall not be subjected to loss of time, efficiency rating, vacation time, or any benefit or employment during or because of the absence.

Called to Duty

An employee who is a member of the state military forces that is ordered to active state duty by the governor or by other proper authority under the law of this state is entitled to the same benefits and protections provided to persons

performing service in the uniformed services under USERRA and to persons in the military service of the United States under the Service members Civil Relief Act under 50 App. U.S.C. 501-536, 560, and 580–594, as those laws existed on April 1, 2003.

Family and Medical Leave Act (FMLA)

The [Family and Medical Leave Act](#) (FMLA) provides employees who meet the eligibility criteria with unpaid leave for certain family and medical reasons during a 12-month period. During this leave, employees are entitled to continue group health plan coverage as if they had continued to work. At the conclusion of the leave, subject to some exceptions, employees generally have the right to return to the same or to an equivalent position, equivalent pay, benefits and working conditions.

Employment Eligibility Criteria

To be eligible for FMLA leave, an employee must have been employed by Harmony D.C. Public Charter Schools:

- For at least 12 months (which need not be consecutive); and
- For at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave; and
- The employee must work at a worksite –
 - With 50 or more employees; or
 - 50 or more employees are located within 75 miles of the worksite.

Events That May Entitle Employees to FMLA Leave

An eligible employee will be entitled to a total of 12 workweeks of leave during any 12-month period for one or more of the following:

- Because of the birth of a son or daughter of the employee and in order to care for such son or daughter.
- Because of the placement of a son or daughter with the employee for adoption or foster care.
- In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.
- Because of a serious health condition that makes the employee unable to perform the functions of his or her position.
- Because of any Qualified Exigency (defined below) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

Service Member FMLA Leave

An eligible employee may be eligible for up to 26 weeks of “Service Member Family Leave” if the employee’s spouse, child, parent (not parents-in-law), or next of kin, is a current member of the active duty Armed Forces (including National Guard or Reserves), or a member of the Armed Forces (including National Guard or Reserves) on the Temporary Disability Retired List, who is recovering from a serious injury or illness incurred in the line of duty, while on active duty for which he or she is undergoing medical treatment, recuperation, therapy, in outpatient status, or otherwise on the Temporary Disability Retired List. (Does not include former members of the Armed Forces, former members of the National Guard and Reserves and members on the Permanent Disability Retirement List.)

Qualifying Exigency FMLA Leave

An employee may be entitled to Qualifying Exigency FMLA leave if the employee’s spouse, child, or parent is in the National Guard, is a Reservist, or is retired military and is called to active duty, or has been notified of an impending call or order to active duty in support of a contingency operation as defined by federal law. The time spent in several specific activities, defined by law as “Qualifying Exigencies,” may also be considered FMLA time. (Does not include those on

the Permanent Disabled Retired List or Active Duty Military). An employee may also be granted Qualifying Exigency FMLA leave if Harmony and the employee agree that the leave qualifies as an exigency and agree to the timing and duration of the leave.

With respect to both Qualified Exigency and Service Member Family leave, eligible employees may take the leave intermittently or on a reduced leave schedule. However, if an employee has accrued paid leave (vacation, sick, or personal leave), he or she must substitute any qualifying paid leave for unpaid leave first. “Qualifying paid leave” is leave that would otherwise be available to employees for the purpose for which FMLA leave is taken. The remainder of the 26 workweeks of leave, if any, will be unpaid leave. Any paid leave used for an FMLA-qualifying reason will be charged against an employee’s entitlement to FLMA leave. This includes leave for disability or workers’ compensation injury/illness, provided that the leave meets FMLA requirements. The substitution of paid leave for unpaid leave does not extend the 26 workweek leave period.

Certification of Leave

The first time an employee requests Qualifying Exigency leave, Harmony will require the employee to provide a copy of the covered military member’s active duty orders or other documentation issued by the military that indicates that the covered military member is on active duty, or call to active duty status in support of a contingency operation, and the dates of the covered military member’s active duty service.

In addition, each time an employee first requests leave for one of the Qualifying Exigencies, Harmony may require certification of the exigency necessitating leave. Certification supporting leave for a Qualifying Exigency includes: appropriate facts supporting the need for leave, including any available written documentation supporting the request; the date on which the Qualifying Exigency commenced or will commence, and the end date; where leave will be needed on an intermittent basis, the frequency and duration of the Qualifying Exigency; and appropriate contact information if the exigency involves meeting with a third-party.

Post-Deployment Activities

An eligible employee may be entitled to take Qualifying Exigency leave for certain qualifying post-deployment exigencies, including reintegration activities, for a period of 90 days following the termination of the covered military member’s active duty status.

State calls to active duty are not covered unless under order of the President of the United States.

Maximum Amount of FMLA Leave Within a 12-Month Period

Except as provided above, an eligible employee is entitled up to 12 workweeks of unpaid leave during a 12-month period for any FMLA qualifying reason(s). Harmony utilizes a fixed 12-month “leave year” beginning on August 1 of each calendar year to determine the 12-month period in which FMLA leave is available. An employee who is eligible for Service Member Family Leave may take a maximum of only 26 weeks during a rolling 12-month period, even if the employee also qualifies for FMLA leave for a reason other than Service Member Family leave.

Limitations on FMLA Leave

Leave to care for a newborn, or for a newly placed adopted or foster child, must conclude within 12 months after the birth or placement of the child. When both spouses are employed by Harmony, they are entitled to a combined total of 12 work weeks of FMLA leave within the designated 12-month period for the birth, adoption, or foster care placement of a child, for aftercare of the newborn or newly-placed child, and to care for a parent (but not an in-law) with a serious health condition. Each spouse may be entitled to additional FMLA leave for other FMLA-qualifying reasons, but not more than a total of 12 workweeks per person.

If the School’s activity temporarily ceases and employees generally are not expected to report for work for one or more weeks – e.g., a school closing for Spring Break or for the Christmas/New Year holiday – those days do not count against

an employee's FMLA leave entitlement. Similarly, the time during summer vacation when the employee is not required to report to work does not count against the employee's FMLA leave entitlement.

Intermittent or Reduced Work Schedule Leave

FMLA leave may be taken intermittently or on a reduced leave schedule under certain circumstances. "Intermittent leave" is FMLA leave taken in separate blocks of time due to a single qualifying reason. A "reduced leave schedule" is a leave schedule that reduces an employee's usual number of working hours per workweek, or hours per workday.

For leave taken because of the employee's own serious health condition, to care for a parent, son, or daughter with a serious health condition, or military caregiver leave, there must be a medical need for leave, and it must be that such medical need can be best accommodated through an intermittent or reduced leave schedule. Leave due to a Qualifying Exigency may also be taken on an intermittent or reduced schedule basis.

When leave is taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, an employee may take leave intermittently, or on a reduced leave schedule, only if Harmony agrees.

Transfer to an Alternative Position

If an employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment, Harmony may require the employee to transfer temporarily to an available alternative position for which the employee is qualified, and which better accommodates recurring periods of leave than does the employee's regular position.

Calculating Leave Use

When an employee takes leave on an intermittent or reduced schedule, only the amount of leave actually taken may be counted toward the employee's leave entitlement. Harmony must account for intermittent or reduced schedule leave using an increment no greater than the shortest period of time that it uses to account for use of other forms of leave, provided the increment is not greater than one hour.

Request for FMLA Leave

Any absence of five or more days for an illness or medical condition may be designated FMLA leave and will require appropriate documentation. Employees should request FMLA leave by notifying their appropriate campus Assistant Principal and must complete the Department of Labor's form WH-380-E (or WH-380-F as appropriate) made available from the Department of Labor or from the Principal. Completed forms should be returned to the Principal.

Employees must provide 30 days' advance notice of the need to take FMLA leave when the need is foreseeable. When such notice is not possible, the employee must provide notice as soon as practicable, and generally must comply with Harmony's call-in procedures.

Employees must provide sufficient information to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider; or circumstances supporting the need for military family leave. Employees also must inform the HR Department if the requested leave is for a reason for which FMLA leave was previously taken or certified.

Required Documentation for Birth, Adoption, or Health-Related FMLA Leave

When leave is taken to care for a family member, Harmony will require employees to provide documentation or a statement of a family relationship (birth certificate or court document). The employee may be required to submit medical certification from a health care provider to support a request for FMLA leave for his or her or a family member's serious health condition. Medical certification forms are available from the HR Department.

If Harmony deems the medical certification to be incomplete or insufficient, Harmony will specify, in writing, what information is lacking, and the employee will have seven calendar days to cure the deficiency. It is the employee's responsibility to provide a complete and sufficient certification. Such failure to provide complete and sufficient certification, despite the opportunity to cure any deficiency, may lead to denial of FMLA leave. Harmony may (a) have a designated health care provider, the leave administrator or other official (but in no case the employee's direct supervisor) contact the employee's health care provider in an effort to clarify or authenticate the initial certification if Harmony has reason to doubt an employee's initial certification; and/or (b) require the employee to obtain a second opinion by an independent provider at Harmony's designation and expense. If the initial and second certifications differ, Harmony may, at its expense, require the employee to obtain a third, final and binding certification from a jointly selected health care provider.

During FMLA leave, Harmony may request that the employee provide recertification of a serious health condition, at intervals, in accordance with the FMLA. In addition, during FMLA leave, the employee must provide Harmony with periodic reports regarding his or her status and intent to return to work. If the employee's anticipated return to work date changes, and it becomes necessary for the employee to take more or less leave than originally anticipated, he or she must provide Harmony with reasonable notice (within two business days) of such changed circumstances and new return to work date. If the employee gives notice of such intent not to return to work, he or she will be considered to have voluntarily resigned.

Before an employee returns to work from FMLA leave for his or her own serious health condition, the employee will be required to submit a fitness-for-duty certification from his or her health care provider with respect to the condition for which the leave was taken, stating that the employee is able to perform the essential functions of his or her job. Where a reasonable job safety concern exists, Harmony may require a fitness-for-duty certification before an employee's return to work from intermittent leave.

FMLA leave or return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner. Also, a failure to provide requested documentation of the reason for an absence from work may lead to termination of employment.

Use of Paid and Unpaid Leave

If an employee has accrued paid leave he or she must substitute any qualifying paid leave for unpaid FMLA leave first. Substituted paid leave will run concurrently with unpaid FMLA leave. "Qualifying paid leave" is leave that would otherwise be available to an employee for the purpose for which FMLA leave is taken. The remainder of the 12 workweeks of leave, if any, will be unpaid leave. Any paid leave used for an FMLA-qualifying reason will be charged against the employee's entitlement to FMLA leave. This includes leave for disability or workers' compensation injury/illness, provided that the leave meets FMLA requirements. The substitution of paid leave for unpaid leave does not extend the 12 work week period. During the period that an employee takes a leave of absence, including FMLA, he or she is not eligible to accrue paid time off benefits. Accruals will resume upon the employee's return to work.

Designation of Leave

Harmony will notify an employee that his or her leave has been designated as FMLA leave within five business days, absent extenuating circumstances. If an employee has not notified Harmony of the reason for the leave, and desires that leave be counted as FMLA leave, he or she must notify the HR Department within two business days of his or her return to work that the leave was for an FMLA reason.

FMLA Special Rules for Instructional Employees

Special rules may apply to certain employees of charter schools. These special rules affect leave taken intermittently or on a reduced schedule, or taken near the end of an academic term (semester) by instructional employees.

“Instructional employees” are those whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This term includes not only teachers, but also athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists. It also does not include cafeteria workers, maintenance workers, or bus drivers.

Failure to Provide Notice of Foreseeable Leave

If an instructional employee does not give required notice of foreseeable FMLA leave to be taken intermittently or on a reduced schedule, Harmony may require the employee to take leave of a particular duration or to transfer temporarily to an alternative position. Alternatively, Harmony may require the employee to delay the taking of leave until the notice provision is met.

Twenty Percent (20%) Rule

If an eligible instructional employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered service member, or for the employee’s own serious health condition; the leave is foreseeable based on planned medical treatment; and the employee would be on leave for more than 20% of the total number of working days over the period the leave would extend, Harmony may require the employee to choose:

- To take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- To transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee’s regular position.

“Periods of a particular duration” means a block or blocks of time beginning no earlier than the first day for which leave is needed and ending no later than the last day on which leave is needed, and may include one uninterrupted period of leave. If an employee chooses to take leave for “periods of a particular duration” in the case of intermittent or reduced schedule leave, the entire period of leave taken will count as FMLA leave.

Leave at the End of a Semester

As a rule, Harmony may not require an employee to take more FMLA leave than the employee needs. The FMLA recognizes exceptions where instructional employees begin leave near the end of a semester. As set forth below, Harmony may, in certain cases, require the employee to take leave until the end of the semester.

The school semester, or “academic term,” typically ends near the end of the calendar year and the end of Spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of the FMLA.

If Harmony requires the employee to take leave until the end of the semester, only the period of leave until the employee is ready and able to return to work will be charged against his or her FMLA leave entitlement. Any additional leave required by Harmony to the end of the semester is not counted as FMLA leave; however, Harmony will maintain the employee’s group health insurance and restore the employee to the same or equivalent job, including other benefits, at the end of the leave.

More Than Five Weeks Before the End of the Semester

Harmony may require an instructional employee to continue taking leave until the end of the semester if:

- The employee begins leave more than five weeks before the end of the semester;
- The leave will last at least three weeks; and

- The employee would return to work during the three-week period before the end of the semester.

During Last Five Weeks of the Semester

Harmony may require an instructional employee to continue taking leave until the end of the semester if:

- The employee begins leave during the last five weeks of the semester for any reason other than the employee's own serious health condition or a Qualifying Exigency;
- The leave will last more than two weeks; and
- The employee would return to work during the two-week period before the end of the semester.

During Last Three Weeks of the Semester:

Harmony may require an instructional employee to continue taking leave until the end of the semester if the employee begins leave during the three-week period before the end of the semester for any reason other than the employee's own serious health condition or a Qualifying Exigency.

FMLA and Workers' Compensation

A serious health condition may result from injury to the employee "on or off" the job. If the School designates the leave as FMLA leave, the leave counts against the employee's FMLA leave entitlement. Because the workers' compensation absence is not unpaid, neither the employee nor the School may require the substitution of paid leave. However, the School and an employee may agree, where state law permits, to have paid leave supplement workers' compensation benefits.

If the health-care provider treating the employee for the workers' compensation injury certifies that the employee is able to return to a "light duty job" but is unable to return to the same or equivalent job, the employee may decline the School's offer of a "light duty job." As a result, the employee may lose workers' compensation payments, but is entitled to remain on unpaid FMLA leave until the employee's FMLA leave entitlement is exhausted. As of the date workers' compensation benefits cease, the substitution provision becomes applicable and either the employee may elect or the School may require the use of accrued paid leave.

Maintenance of Health Benefits

During any FMLA leave, the School must maintain the employee's coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period.

An employee may choose not to retain group health plan coverage during FMLA leave. However, when the employee returns from leave, the employee is entitled to be reinstated on the same terms as before taking leave without any qualifying period, physical examination, exclusion of pre-existing conditions, and the like.

Payment of Premiums

During FMLA leave, the employee must continue to pay his or her share of group health plan premiums. If premiums are raised or lowered, the employee would be required to pay the new premium rates.

Failure to Pay Premiums

Unless the School has an established policy providing a longer grace period, the School's obligations to maintain health insurance coverage cease if an employee's premium payment is more than 30 days late. In order to terminate the employee's coverage, the School must provide written notice to the employee that the payment has not been received. Such notice must be mailed to the employee at least 15 days before coverage is to cease, advising that coverage will be dropped on a specified date at least 15 days after the date of the letter unless the payment has been received by that date. Coverage for the employee may be terminated at the end of the 30-day grace period, if the required 15-day notice has been provided.

Upon the employee's return from FMLA leave, the School must still restore the employee to coverage/benefits equivalent to those the employee would have had if leave had not been taken and the premium payment(s) had not been missed. The employee may not be required to meet any qualification requirements imposed by the plan, including any new preexisting condition waiting period, to wait for an open season, or to pass a medical examination to obtain reinstatement of coverage.

Recovery of Benefit Cost

If an employee fails to return to work after FMLA leave has been exhausted or expires, the School may recover from the employee its share of health plan premiums during the employee's unpaid FMLA leave, unless the employee's failure to return is due to one of the reasons set forth in the regulations. The School may not recover its share of health insurance premiums for any period of FMLA leave covered by paid leave.

Salary Action

The length of the leave will delay any planned, but not implemented, salary increase for a period equal to an employee's leave of absence, including FMLA.

Performance Evaluation

The length of the leave will extend an employee's normal performance evaluation date by the length of the leave of absence, including FMLA.

Right to Reinstatement

On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave began, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence. However, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

Moonlighting During FMLA Leave

It is the School's policy to prohibit outside employment while an employee is on a leave of absence where benefits may be maintained or received. The principal and/or designee may develop a uniformly applied policy governing and permitting outside or supplemental employment during FMLA leave. If the principal or designee does not develop such a procedure, the School's policy prohibiting outside employment shall apply. Employees abusing leave will lose their right to leave and may be subject to discipline or discharge.

Pay Increases and Bonuses

An employee is entitled to any unconditional pay increases that may have occurred during the FMLA leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with the School's policy, procedure or practice with respect to other employees on an equivalent leave status for a reason that does not qualify as FMLA leave.

Equivalent pay includes any bonus or payment, whether it is discretionary or non-discretionary. However, if a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to FMLA leave, then the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify as FMLA leave. For example, if an employee who used paid vacation leave for a non-FMLA purpose would receive the payment, then an employee who used paid vacation leave for an FMLA-protected purpose also must receive the payment.

Key Employees

The School may deny job restoration to a key employee, as that term is defined in law, if such denial is necessary to prevent substantial and grievous economic injury to the operations of the School.

Requests for FMLA Leave

An employee giving notice of the need for FMLA leave must state a qualifying reason for the leave and otherwise satisfy the requirements for notice of foreseeable and unforeseeable leave, as described below. The employee need not expressly assert rights under the Act or even mention the FMLA.

Failure to Return to Work Following FMLA Leave

If an employee does not return to work following the conclusion of FMLA leave, he or she will be considered to have voluntarily resigned. Harmony may recover from the employee such portion of health insurance premiums paid on the employee's behalf during any unpaid FMLA leave. Recovery may be made through deductions from any outstanding sums due to the employee, except where prohibited by federal or state law, or through legal action against the employee.

For further information or clarification about FMLA leave, please contact the HR Department.

An employee may file a complaint with the U. S. Department of Labor (DOL) by contacting them at 1-866-487-9243 or by visiting <http://www.wagehour.dol.gov>.

Requests for FMLA Leave

An employee giving notice of the need for FMLA leave must state a qualifying reason for the leave and otherwise satisfy the requirements for notice of foreseeable and unforeseeable leave, as described below.

Foreseeable Leave

An employee must provide his or her immediate supervisor at least 30 days' advance notice before FMLA leave is to begin if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, planned medical treatment for a serious health condition of the employee or of a family member, or the planned medical treatment for a serious injury or illness of a covered service member. If 30 days' notice is not practicable, the employee must give notice as soon as practicable, generally on the same day as or next business day after the reason for the leave is known. For leave due to a qualifying exigency, the employee must provide notice as soon as practicable regardless of how far in advance the leave is foreseeable.

When planning medical treatment, the employee must consult with his or her immediate supervisor and make a reasonable effort to schedule the treatment so as not to disrupt unduly the School's operations, subject to the approval of the health-care provider.

Unforeseeable Leave

When the approximate timing of leave is not foreseeable, an employee must provide notice to his or her immediate supervisor as soon as practicable under the facts and circumstances of the particular case.

Compliance with School Requirements

The School may require an employee to comply with its usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances. If an employee does not comply with usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA leave may be delayed or denied.

Certification of Leave

The School may require that an employee's FMLA leave be supported by certification, as described below. The School shall give notice of a requirement for certification each time certification is required. At the time the School requests certification, the School must advise the employee of the consequences of failure to provide adequate certification.

Timing

In most cases, the employee's immediate supervisor will request certification at the time the employee gives notice of the need for leave or within five business days thereafter or, in the case of unforeseen leave, within five business days after the leave commences. The School may request certification at a later date if the School later has reason to question the appropriateness of the leave or its duration. The employee must provide the requested certification to his or her immediate supervisor within 15 calendar days after the School's request, unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts.

Incomplete or Insufficient Certification

The School shall advise an employee if it finds a certification incomplete or insufficient and shall state in writing what additional information is necessary to make the certification complete and sufficient. The School must provide the employee with seven calendar days (unless not practicable under the particular circumstances despite the employee's diligent, good faith efforts) to cure any such deficiency.

A certification is "incomplete" if one or more of the applicable entries have not been completed. A certification is "insufficient" if it is complete, but the information provided is vague, ambiguous, or non-responsive. A certification that is not returned to the School is not considered incomplete or insufficient, but constitutes a failure to provide certification.

Medical Certification of Serious Health Condition

When leave is taken because of an employee's own serious health condition, or the serious health condition of a family member, the School may require the employee to obtain medical certification from a health-care provider. The School may use DOL optional form WH-380-E when the employee needs leave due to the employee's own serious health condition and optional form WH-380-F when the employee needs leave to care for a family member with a serious health condition. The School may not require information beyond that specified in the FMLA regulations.

An employee may choose to comply with the certification requirement by providing the School with an authorization, release, or waiver allowing the School to communicate directly with the health-care provider.

Genetic Information

When requesting medical certification, the School shall comply with all requirements for requesting medical information under the Genetic Information Nondiscrimination Act ("GINA").

Authentication and Clarification

If an employee submits a complete and sufficient certification signed by the health-care provider, the School may not request additional information from the health-care provider. However, the School may contact the health-care provider for purposes of clarification and authentication of the certification after the School has given the employee an opportunity to cure any deficiencies, as set forth above. To make such contact, the School must use a health-care provider, a human resources professional, a leave administrator, or a management official. Under no circumstances may the employee's direct supervisor contact the employee's health-care provider.

"Authentication" means providing the health-care provider with a copy of the certification and requesting verification that the information on the form was completed and/or authorized by the health-care provider who signed the document; no additional medical information may be requested.

"Clarification" means contacting the health-care provider to understand the handwriting on the certification or to understand the meaning of a response. The School may not ask the health-care provider for additional information beyond that required by the certification form. The requirements of the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule must be satisfied when individually identifiable health information of an employee is shared with the School by a HIPAA-covered health-care provider.

Second and Third Opinions

If the School has reason to doubt the validity of a medical certification, the School may require the employee to obtain a second opinion at the School's expense. If the opinions of the employee's and the School's designated health-care providers differ, the School may require the employee to obtain certification from a third health-care provider, again at the School's expense.

Foreign Medical Certification

If the employee or a family member is visiting another country, or a family member resides in another country, and a serious health condition develops, the School shall accept medical certification as well as second and third opinions from a health-care provider who practices in that country. If the certification is in a language other than English, the employee must provide the School with a written translation of the certification upon request.

Recertification

The School may request recertification no more often than every 30 days and only in connection with an absence by the employee, except as set forth in the FMLA regulations. The School must allow at least 15 calendar days for the employee to provide recertification.

As part of the recertification for leave taken because of a serious health condition, the School may provide the health-care provider with a record of the employee's absence pattern and ask the health-care provider if the serious health condition and need for leave is consistent with such a pattern.

Certification—Qualifying Exigency Leave

The first time an employee requests leave because of a qualifying exigency, the School may require the employee to provide a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military member is on active duty or call to active duty status in support of a contingency operation, and the dates of the covered military member's active duty service.

The School may also require that the leave be supported by a certification that addresses the information at 29 CFR 825.309(b). The School may use DOL optional form WH-384, or another form containing the same basic information, for this certification. The School may not require information beyond that specified in the regulations.

Certification—Military Caregiver Leave

When an employee takes military caregiver leave, the School may require the employee to obtain a certification completed by an authorized health-care provider of the covered service member. In addition, the School may request that the employee and/or covered service member address in the certification the information at 29 CFR 825.310(c). The School may also require the employee to provide confirmation of a covered family relationship to the seriously injured or ill service member.

The School may use DOL optional form WH-385, or another form containing the same basic information, for this certification. The School may not require information beyond that specified in the regulations. The School must accept as sufficient certification "invitational travel orders" ("ITOs") or "invitational travel authorizations" ("ITAs") issued to any family member to join an injured or ill service member at his or her bedside.

The School may seek authentication and/or clarification of the certification under the procedures described above. Second and third opinions, and recertifications, are not permitted for leave to care for a covered service member.

Failure to Provide Certification

If the employee fails to provide the School a complete and sufficient certification, despite the opportunity to cure, or fails to provide any certification, the School may deny the taking of FMLA leave. This provision applies in any case where the School requests a certification, including any clarifications necessary to determine if certifications are authentic and sufficient.

Prohibition Against Discrimination and Retaliation

Harmony D.C. Public Charter Schools shall not interfere with an employee's rights under the FMLA, or with legal proceedings or inquiries relating to an employee's rights. Specifically, the School shall not:

- Interfere with, restrain, or deny the exercise of (or attempts to exercise) any rights provided by the FMLA.
- Discharge or in any other way discriminate against any person (whether or not an employee) for opposing or complaining about any unlawful practice under the FMLA.
- Discharge or in any other way discriminate against any person (whether or not an employee) because that person has:
 - Filed any charge, or has instituted (or caused to be institute) any proceeding under or related to the FMLA;
 - Given, or is about to give, any information in connection with an inquiry or proceeding relating to a right under the FMLA; and/or
 - Testified, or is about to testify, in any inquiry or proceeding relating to a right under the FMLA.

Emergency Leave

Employees may be granted up to two days of emergency leave without loss of pay or accumulated local leave for destruction of their home or domicile flood, fire, or storm, or other natural disasters. Such leave is subject to the approval of the campus Principal or designee. Any further leave granted will result in a deduction of the daily rate of pay or accumulated local leave, unless otherwise provided by Harmony.

Bereavement Leave

School employees may be absent, without loss of pay, in the event of the death of one of the following relatives of the employee or his or her spouse: husband, wife, child (including a biological, adopted, stepchild, a child for whom the employee stands in loco parentis, or foster child), father, mother, brother, sister, grandfather, grandmother, grandchildren, or any person who may be residing in the employee's household at the time of illness or death. No more than five paid bereavement leave days will be used for this purpose in any one school year unless otherwise approved by the campus Principal or designee.

Paid Maternity Leave

While FMLA leave is generally unpaid, the School provides the lesser of thirty (30) days, or six calendar workweeks (either one calendar week before delivery and five calendar weeks following delivery or six weeks after delivery) of paid maternity leave for the birth of an employee's child, if the employee has given birth and is the primary caregiver of the child during the planned period of absence. This maternity leave will run concurrently with other FMLA leave and with all school breaks, holidays or vacations. Employees should inform the Principal immediately if they have been placed to bed rest by their health care provider during pregnancy.

Jury Duty and Other Court Appearances

Harmony will pay a non-exempt employee his or her normal daily compensation for each regularly scheduled workday on which the employee serves in any phase of jury service. Any employee selected for jury duty must notify his or her supervisor within 48 hours of the courts notice. The employee must also present documentation of jury service to his or her supervisor.

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Absences for court appearances related to an employee's personal business must be taken as local leave or leave without pay (if no local leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

Voting Leave

Any employee who does not have two consecutive non-work hours while the polls are open on election day will be given up to two hours off with pay in order to vote, unless more time is required by state law. The employee should notify the appropriate supervisor before Election Day if time off is needed, so that the timing of the employee's absence can be pre-arranged.

Religious Observances

An employee requesting to attend a religious observance on a regularly scheduled school day may use local leave. In the event that all Personal Leave has been used, deductions from the employee's salary shall be made on the basis of the employee's daily rate of pay. Harmony may require advance notice prior to an employee taking leave for a religious observance.

EMPLOYEE RELATIONS AND COMMUNICATIONS

Announcements

All written announcements, class newsletters or correspondence sent home must be approved by a Principal one day ahead of time. Only announcements concerning school activities will be accepted. No correspondence of any kind should be sent out without a Principal's signature and approval. No notices should be posted without a Principal's initials. Where appropriate, the Principal will consult the Cluster Superintendent.

Distribution of Non-School Materials

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by Harmony D.C. Public Schools, or by a Harmony-affiliated school-support organization will not be sold, circulated, distributed, or posted on any Harmony premises by any employee, or by persons or groups not associated with Harmony, except in accordance with this section.

Harmony will not be responsible for, nor will it endorse, the contents of any non-school literature distributed on any Harmony premises.

For purposes of this provision, "distribution" means the circulation of one or more copies of material from a source other than Harmony.

Limitations on Content

Non-school literature will not be distributed on Harmony property if:

- The materials are obscene, vulgar, or otherwise inappropriate for the age and maturity of the audience.
- The materials endorse actions endangering the health or safety of students.
- The materials promote the illegal use of drugs, alcohol, or other controlled substances.
- The distribution of such materials would violate the intellectual property rights, privacy rights, or other rights of another person.
- The materials contain defamatory statements about public figures or others.
- The materials advocate imminent lawless or disruptive action, and are likely to incite or produce such action.
- The materials are hate literature or similar publications that scurrilously attack ethnic, religious, or racial groups or contain content aimed at creating hostility and violence; and the materials would materially and substantially interfere with school activities or the rights of others.

- There is reasonable cause to believe that distribution of the non-school literature would result in material and substantial interference with school activities or the rights of others.

Prior Review

All non-school materials intended for distribution on Harmony campuses or other school premises will be submitted to the Superintendent or designee for prior review in accordance with the following:

- Materials will include the name of the person or organization sponsoring the distribution.
- Using the standards found at Limitations on Content, the Superintendent will approve or reject submitted materials within two school days of the time the materials were received.

Violations

Failure to comply with Harmony requirements regarding distribution of non-school literature will result in appropriate administrative action, including but not limited to confiscation of nonconforming materials and/or suspension of use of Harmony facilities. Law enforcement officials may be called when appropriate. Decisions made by the Administration may be appealed in accordance with the appropriate Harmony complaint policy.

COMPLAINTS AND GRIEVANCES

Harmony values the opinions of all its employees, and employees have the right to express their views through appropriate informal and formal processes.

The Board encourages employees to discuss their complaints and concerns through informal meetings with their supervisor and/or campus Principal. Concerns and complaints should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Neither the Board of Directors nor any Harmony employee will retaliate against an employee for bringing a complaint or concern. All persons involved in the grievance process are expected to be courteous to one another and adhere to the Code of Ethics and Standard Practices for DC Educators.

Complaint Process

The formal complaint process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the Board of Directors, as outlined below.

In the event of a problem or dispute with other personnel, students, or parents, an employee may submit a grievance following the process described below.

A grievance must specify the harm alleged by each individual and the remedy sought. An employee is prohibited from bringing separate or serial grievances regarding the same event or action. Multiple grievances may be consolidated at Harmony's discretion. All time limits will be strictly complied with unless modified by mutual consent. Costs of any grievance will be paid by the party incurring them.

All complaints, whether informal or formal, must be brought within 10 days of the time the employee knew or should have known of the event(s) or incident(s) giving rise to the complaint.

Note: An employee may begin the grievance process immediately at Level 3.

Level One. An employee will submit a proper grievance, in writing, to the employee's campus Principal within 10 days of the time the employee knew or should have known of the event(s) giving rise to the complaint. The Level 1 Hearing Officer will meet with the employee to consider the grievance within 10 working days of receipt of the written grievance. The Level 1 Hearing Officer will then supply a written response to the employee within 10 working days of the meeting.

Level Two. If the grievance is not resolved to the employee's satisfaction at Level One, or if no written decision is received from the Principal within the time allotted, the employee may submit a written appeal to the appropriate Cluster Superintendent within 10 working days of the deadline for receipt of a decision. The appeal must be specific, reference the law or policy alleged to have been violated or the dissatisfaction raised by the employee, and where possible, suggest a resolution. The Level 2 Hearing Officer will meet with the employee to consider the appeal within 10 working days of receipt of the appeal. The Level 2 Hearing Officer will then supply a written response to the employee within 10 working days of the meeting.

Level Three. If the matter is still not resolved, the employee may submit a written appeal to the Board of Directors within 10 working days of receipt of the Level 2 Hearing Officer's response, or if no written decision is received, no later than within 10 working days of the deadline for receipt of a decision from the Level 2 Hearing Officer. The complaint will be directed and delivered to the President of the Board of Directors, and will include a copy of the written Level 2 complaint and the Level 2 response, if any. The Board of Directors will then make and communicate its decision orally or in writing at any time up to and including the next regularly scheduled Board of Directors meeting. If the grievance involves the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of the employee bringing the grievance, it may be heard by the Directors in closed meeting. However, if the grievance involves a complaint or charge against another Harmony employee or a Director or officer, it will be heard in closed meeting unless an open meeting is requested in writing by the employee, Director or officer against whom the complaint or charge is brought.

The failure of the Board of Directors to act on a complaint has the effect of upholding the decision below.

- The educator will refrain from inappropriate communication with a student or minor, including, but not limited to, electronic communication such as cell phone, text messaging, e-mail, instant messaging, blogging, or other social network communication. Factors that may be considered in assessing whether the communication is inappropriate include, but are not limited to:
 - the nature, purpose, timing, and amount of the communication;
 - the subject matter of the communication;
 - whether the communication was made openly or the educator attempted to conceal the communication;
 - whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
 - whether the communication was sexually explicit; and
 - whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student.

Financial Ethics

Harmony prohibits fraud and financial impropriety in the actions of its Board of Directors, employees, vendors, contractors, consultants, volunteers, and others seeking or maintaining a business relationship with Harmony.

Fraud and financial impropriety will include but not be limited to:

- Forgery or unauthorized alteration of any document or account belonging to Harmony.
- Forgery or unauthorized alteration of a check, bank draft, or any other financial document.

- Inappropriately destroying, removing, or using records, furniture, fixtures, or equipment.
- Failure to provide financial records required by state or local entities.
- Failure to disclose conflicts of interest as required by law or Harmony policy.
- Any other dishonest act regarding the finances of Harmony.

Any person who suspects fraud or financial impropriety in Harmony will report the suspicions immediately to any supervisor, principal or designee, the Board President, or local law enforcement.

Reports of suspected fraud or financial impropriety will be treated as confidential to the extent permitted by law. Limited disclosure may be necessary to complete a full investigation or to comply with law. All employees involved in an investigation will be advised to keep information about the investigation confidential.

Neither the Board nor any Harmony employee will unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

If an employee is found to have committed fraud or financial impropriety, principal or designee will take or recommend appropriate disciplinary action, which may include termination of employment and, when circumstances warrant, the Board of Directors, principal, or designee may refer matters to appropriate law enforcement or regulatory authorities.

Standards of Conduct

All employees are expected to work together in a cooperative spirit to serve the best interests of Harmony and to be courteous to students, one another, and the public. In addition to the ethical standards outlined above, employees are expected to observe the following standards of conduct:

- Abuse of Harmony's leave policy.
- Alteration or falsification of school records, including grades, academic records, employee and/or student forms, or any other school information.
- Conduct in violation of any Harmony policy or established expectation of performance.
- Conducting personal business during business hours while on school property.
- Corporal punishment of students.
- Excessive absences and/or tardiness. Improper conduct toward students and other employees.
- Incompetence or inefficiency in the performance of duties.
- Insubordination, including the willful refusal to perform an assignment or to comply with a directive given by a supervisor. However, in the event a supervisor directs an employee to perform an illegal or immoral act/task, the employee should notify the next level of authority immediately.
- Malicious gossip and/or spreading rumors; engaging in behavior designed to create discord and lack of harmony; interfering with fellow employee's job performance; willfully restricting work output or encouraging others to do the same.
- Negligence or any careless action that endangers the life or safety of another person, or damages or destroys the property of Harmony.
- Possession, use, or being under the influence of alcohol or other intoxicants, illegal narcotics, or other controlled substances on school property or during any school function.

The preceding list is not intended to limit the type of unacceptable employee behavior. Questions regarding Harmony’s expectations for employee conduct should be directed to the principal. Violations of these or any other standards of employee conduct may lead to immediate disciplinary action, up to and including termination of employment.

All Harmony employees should perform their duties in accordance with state and federal law, Harmony policies and procedures, and ethical standards.

Employee Discipline

Harmony is intent on administering equitable and consistent discipline for unsatisfactory conduct in the workplace. The best disciplinary measure is the one that does not have to be enforced and comes from good leadership and fair supervision.

Harmony’s own best interest lies in ensuring fair treatment of all employees, and in making certain that disciplinary actions are prompt, uniform, and impartial. The major purpose of any disciplinary action is to correct the problem, prevent recurrence, and prepare the employee for satisfactory service in the future.

Although employment with Harmony is based on mutual consent and both the employee and Harmony have the right to terminate employment at-will, with or without cause or advance notice, Harmony **may** use progressive discipline at its discretion.

Disciplinary action may call for any of four steps: (1) verbal warning, (2) written warning, (3) suspension with or without pay, or (4) termination of employment. The progression of these steps depends upon the severity of the problem and the number of occurrences. There may also be circumstances when one or more steps are bypassed.

Progressive discipline means that, with respect to most disciplinary problems, these steps will normally be followed: a first offense may call for a verbal warning; a next offense may be followed by a written warning; another offense may lead to a suspension; and, still another offense may then lead to termination of employment.

Harmony recognizes that there are certain types of employee problems that are serious enough to justify either a suspension, or in extreme situations, termination of employment, without going through the usual progressive discipline steps.

By using progressive discipline in appropriate circumstances, Harmony hopes that most employee problems can be corrected at an early stage, benefiting both the employee and the school.

Drug-Free Workplace

Harmony D.C. Public Charter Schools supports a drug-free workplace. Recognizing that a drug-free workplace is a safer and more productive place for our employees to work and for our students to be educated, Harmony has adopted a Substance Abuse Prevention Policy (the “Drug-Free Policy”) that applies to all employees. Please read the Drug-Free

Policy, or have it read to you, then sign the verification and consent form (contained at the end of this Handbook) acknowledging that you understand it and have received a copy. Compliance with the Drug-Free Policy is a condition of continued employment with Harmony D.C. Public Schools. Your continued employment with Harmony will evidence your agreement to comply with the terms and provisions of the Drug-Free Policy.

Harmony D.C. Public Charter Schools prohibits the unlawful manufacture, possession, distribution, or use of controlled substances—including alcohol, illegal drugs, and inhalants—in the workplace. Harmony will establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, Harmony’s policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violation.

“Workplace” is defined to mean the site for performance of work done in connection with all assignments or duties of a person’s employment with Harmony D.C. Public Charter Schools. This includes any school building or any school premises; any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school-sponsored or school-approved activities; or any non-school property during any school-sponsored activity, event, or function, such as a field trip or athletic event where students are under the jurisdiction or supervision of the school.

Employees who violate this prohibition will be subject to disciplinary sanctions. Such sanctions may include referral to drug and alcohol counseling or rehabilitation programs or employee assistance programs, and/or termination from employment with Harmony at Harmony’s sole discretion, and also includes referral to appropriate law enforcement officials for prosecution.

Possession of Dangerous Substances

Employees will not manufacture, distribute, dispense, possess, use, or be under the influence of any of the following substances during working hours while at school or at school-related activities during or outside of usual working hours:

- Any controlled substance or dangerous drug as defined by law, including but not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, barbiturate or any “look-alike” substances.
- Alcohol or any alcoholic beverage.
- Any abuse-able glue, aerosol paint, or any other chemical substance for inhalation.
- Any other intoxicant, or mood-changing, mind-altering, or behavior-altering drugs.
- Equipment and paraphernalia related to illegal drug or substance use.

An employee need not be legally intoxicated to be considered “under the influence” of a controlled substance.

Exceptions

An employee who manufactures, possesses, or dispenses a substance listed above as part of the employee’s job responsibilities, or who uses a drug authorized by a licensed physician prescribed for the employee’s personal use will not be considered to have violated this policy. The drugs, both prescription and over-the-counter, are limited to one day’s supply, or must be kept in the original container. When appropriate, Harmony may determine, by consulting a medical doctor, if the drug or inhalant produces hazardous effects that may impair an employee’s ability to work safely. Harmony may check with prescribing physicians to see if other medications are available which would not impair the employee’s ability to work safely.

Mandatory Conviction Notification

As a condition of employment, each employee will notify his or her supervisor of the employee’s conviction of any criminal drug statute for a violation occurring in the workplace as defined above, or for any charge to which the employee

enters a plea of guilty or nolo contendere and receives deferred adjudication. Such notification will be provided no later than five days after such conviction.

Within 30 calendar days of receiving notice from an employee of a conviction for any drug statute violation occurring in the workplace, Harmony will either (1) take appropriate personnel action against the employee, up to and including termination of employment, or (2) require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health agency, law enforcement agency, or other appropriate agency.

Drug and Alcohol Testing

Random Drug Testing

Harmony D.C. Public Schools may conduct drug tests, without a warrant, and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. All employees, as a condition of continued employment, have an obligation to cooperate with any Harmony investigation of drug or alcohol abuse in the work place. Failure to cooperate in any such investigation will result in disciplinary action up to and including suspension and/or termination.

Enforcement

Because of the importance of maintaining a drug-free workplace, Harmony will take the following steps to ensure that the Drug-Free Policy is being adhered to:

- If an employee is suspected of using or being under the influence of unauthorized drugs or alcohol during school hours, the employee's campus's Principal may request an immediate drug test by urine and/or blood for the employee. The request will be forwarded for approval to the principal.
- Employees who are involved in an on-the-job accident that requires medical treatment or that involves damage to any property may be required to submit to a drug test, or a blood alcohol test when required.

Employee Responsibility

All fees or charges associated with drug/alcohol abuse counseling or rehabilitation will be the responsibility of the employee.

Reasonable Suspicion Testing

Principals will be specifically trained in accordance with federal regulations on how to recognize a "reasonable suspicion," and may remove a driver from a safety-sensitive position and require testing for alcohol and/or controlled substances. The determination of reasonable suspicion will be based on specific observations of the appearance, behavior, speech, or body odors of the driver whose motor ability, emotional equilibrium, or mental acuity seems to be impaired. Such observations must take place just preceding, during, or just after the period of the workday that the driver is on duty.

The observations may include indication of the chronic and withdrawal effects of controlled substances. Within 24 hours of the observed behavior, the supervisor will provide a signed, written record documenting the observations leading to a controlled substance reasonable suspicion test.

Consequences of Positive Test Results

In addition to the consequences established by federal law, a Harmony employee confirmed to have violated Harmony's policy pertaining to alcohol or controlled substances will be subject to school-imposed discipline, as determined by his or her school Principal. Such discipline may include any appropriate action from suspension without pay during the period of removal from safety-sensitive functions, up to and including termination of employment. Employees who test positive for drugs and/or alcohol use will be prohibited from performing job functions immediately and will be recommended for termination.

In cases where a driver is also employed in a non-driving capacity by Harmony, disciplinary action imposed for violation of alcohol and controlled substances policies will apply to the employee's functions and duties that involve driving. Additionally, upon recommendation of the employee's supervisor, disciplinary measures up to and including termination of employment with Harmony may be considered.

Consequences of Employee Refusal to Test

Any employee who refuses to submit to an alcohol/drug test without valid medical reason will be prohibited from performing job functions immediately, and will be recommended for termination.

An employee who does not produce an adequate sample (urine or breath) without a valid medical reason, or an employee who engages in conduct that obstructs the collection process will be prohibited from performing job functions immediately, and will be recommended for termination.

An employee who leaves the scene of an accident without a valid reason will be prohibited from performing job functions immediately and will be recommended for termination.

Alcohol Results Between 0.02 And 0.04

A driver tested under this policy and found to have an alcohol concentration of 0.02 or greater, but less than 0.04, will be suspended without pay from driving duties for 24 hours. Any subsequent violation may subject the driver to termination in accordance with Board policy.

DWI Conviction

School bus drivers and drivers of Harmony-owned vehicles who are convicted of a driving while intoxicated (DWI) offense while driving a school vehicle will be terminated. Other DWI convictions will subject employees to disciplinary action up to and including termination. This applies to conviction as a result of operating either a school-owned or personal vehicle.

Finding of Alcohol or Drug Use

Employees who are found to be in violation of Harmony's drug-free workplace requirements will be recommended for termination, provided that such action is not required for an employee who voluntarily admits to alcohol use or illegal drug use prior to the initiation of any drug or alcohol test (except that in the case of an alcohol/drug-related accident, the self-referral must occur prior to the accident) and obtains counseling or rehabilitation and thereafter refrains from using alcohol or illegal drugs.

Tobacco Use

Smoking and the use of tobacco by employees is prohibited on all Harmony-owned property, in Harmony-owned vehicles, and while supervising students during school-related events.

Prohibition of Weapons

D.C. Code § 22-4502.01(2014), prohibits a person from illegally possessing a gun within 1,000 feet of a public school.

Employees, visitors, and students are prohibited from bringing firearms, knives, clubs or other prohibited weapons onto School premises (*i.e.*, building or portion of a building) or any grounds or building where a school-sponsored activity takes place. To ensure the safety of all persons, employees who observe or suspect a violation of Harmony's weapons policy should report it to their Supervisor or the campus's Principal immediately. Any violation of this policy by a Harmony employee can result in immediate termination.

Theft

Theft of property, whether from Harmony or from a fellow employee, will not be tolerated. Employees must have a Principal's permission before removing any Harmony-owned material, tools or other items, including damaged goods or scrap materials from Harmony's premises. Any employee who violates this provision will be subject to disciplinary action, up to and including immediate discharge.

Workplace Searches and Video Surveillance

Searches

Harmony reserves the right to conduct searches to monitor compliance with rules concerning safety of employees, security of company and individual property, drugs and alcohol, and possession of other prohibited items. ***"Prohibited items"*** include, without limitation, illegal drugs; alcoholic beverages; prescription drugs or medications not used or possessed in compliance with a current valid prescription; weapons; any items of obscene, harassing, demeaning, or violent nature; and any property in the possession or control of an employee who does not have authorization from the owner of such property to possess or control the property. ***"Control"*** means knowing where a particular item is, having placed an item where it is currently located, or having any influence over its continued placement. In addition to Harmony's premises, Harmony may search employees, their work areas, lockers, and other personal items such as bags, purses, briefcases, backpacks, lunch boxes, and other containers. In requesting a search, Harmony is by no means accusing anyone of theft, some other crime, or any other variety of improper conduct.

There is no general or specific expectation of privacy in Harmony's workplace, either on school premises, or while on duty. In general, employees should assume that what they do while on duty or on Harmony's premises is not private. All employees and all of the areas listed above are subject to search at any time; if an employee uses a locker or other storage area at work, including a locking desk drawer or locking cabinet, Harmony will either furnish the lock and keep a copy of the key or combination, or else allow the employee to furnish a personal lock, but the employee must give Harmony a copy of the key or combination. The areas in question may be searched at any time, with or without the employee being present. As a general rule, with the exception of items relating to personal hygiene or health, no employee should ever bring anything to work or store anything at work that he or she would not be prepared to show and possibly turn over to Harmony's officials and/or law enforcement authorities.

All Harmony employees are subject to this policy. However, any given search may be restricted to one or more specific individuals, depending upon the situation. Searches may be done on a random basis or based upon reasonable suspicion. ***"Reasonable suspicion"*** means circumstances suggesting to a reasonable person that there is a possibility that one or more individuals may be in possession of a prohibited item as defined above. Any search under this policy will be done in a manner protecting employee privacy, confidentiality, and personal dignity to the greatest extent possible. Harmony will respond severely to any unauthorized release of information concerning individual employees.

No employee will ever be physically forced to submit to a search. However, an employee who refuses to submit to a search request by Harmony will face disciplinary action, up to and possibly including immediate termination of employment.

Video Surveillance

In order to promote the safety of Harmony's employees, students, and visitors, as well as the security of its facilities, Harmony may conduct video surveillance of any portion of its premises at any time. The only areas excepted from video surveillance are private areas of restrooms, showers, and dressing rooms.

Employee Acceptable Use

Harmony's policies regarding the acceptable use of technology and the Internet, as well as the "Employee Acceptable Use Agreement," can be accessed at the main office of each campus. All employees are expected to read, agree to and submit the "Employee Agreement Form for Technology Usage" form through the Employee Portal.

All technology provided by Harmony D.C. Public Charter Schools is primarily intended for administrative and instructional purposes. Every user of Harmony technology is responsible for respecting and protecting the rights of other users. Use of Harmony's technology system is a privilege, not a right, and inappropriate use will result in cancellation of that privilege, disciplinary action (up to and including termination), and possible prosecution.

Computers

Harmony's electronic communications systems, including its network and access to the Internet, are primarily for administrative and instructional purposes. Limited personal use of the system is permitted if the use:

1. Does not result in any direct cost paid with State funds, or if Harmony's Charter Holder is reimbursed for any direct costs involved;
2. Does not relate to private commercial purposes; and
3. Involves only incidental amounts of employee time, comparable to reasonable coffee breaks during the day.

Some employees are given access to the Internet to assist them in the performance of their jobs. Employees may only access the Internet through Harmony's approved Internet firewall.

All Harmony computer resources are school property, and any information located in or on computers and e-mail/voice mail systems is also school property and will be subject to inspection by Harmony.

E-Mail and Voice Mail Systems

All messages sent, received, composed and/or stored on these systems are the property of Harmony. E-mail transmissions and other use of Harmony's electronic communications systems are not confidential and can be monitored at any time to ensure appropriate use.

Confidentiality

Employees will not use a password, access a file, or retrieve any stored information unless authorized to do so. Employees may not attempt to gain access to another employee's files/messages.

Privacy

All files and messages on Harmony computers are the property of Harmony. They are not the property of any employee, even if created by an employee. Anything created on the computer or Internet may, and likely will be reviewed by others. If necessary, employees will take steps to help protect the security of documents. Harmony has the right to monitor any and all aspects of its computer system, including, but not limited to, monitoring sites employees visit on the Internet. Employees have no expectation of privacy in anything they create, store, send, or receive on their workplace computer, the Harmony network, or Internet resources.

Restrictions

1. Employees are not allowed to use Harmony computer resources for any reason other than official school business.
2. Employees may not use e-mail or the Internet to send or receive materials, proprietary financial information, or other similar materials that violate copyright law.
3. The e-mail system may not be used to create any offensive or disruptive messages. Among those which are considered offensive are any messages that contain sexual implications, racial or gender-specific slurs, or any other comment that offensively addresses an individual's age, sexual orientation, religious or political beliefs, national origin, disability, or anything that could be construed as harassment or disparaging of others.
4. Employees should refrain from sending non-business related e-mails to other Harmony employees or persons outside Harmony.

5. Harmony is responsible for maintaining records of software licensing agreements for the school. In order to ensure compliance with copyright laws and software licensing agreements, and help prevent computer viruses from being transmitted through the system, employees are not permitted to install or download any software or content, such as music, videos, or non-work related “zipped” files onto the Harmony computer system without prior approval from the Information Systems Director.
6. Unauthorized duplication of software, often referred to as “piracy,” is a federal crime. Employees are not permitted to make, acquire, or use unauthorized copies of computer software.

Employee Use of Social Media

While Harmony D.C. Public Charter Schools encourages its employees to enjoy and make good use of their off-duty time, certain activities on the part of employees may become a concern if they have the effect of impairing the work of any employee or student; harassing, demeaning, or creating a hostile working or learning environment; disrupting the smooth and orderly flow of work within the School; or harming the goodwill and reputation of the School among its employees, students, or the community at large.

In the area of social media (print, broadcast, digital, and online services such as Facebook, LinkedIn, MySpace, Plaxo, and Twitter, among others), employees may use such media in any way they choose so long as such use does not produce the adverse consequences noted above. The School has established the following guidelines for employee use of social media, both on and off duty:

1. If an employee publishes any personal information about the employee, another School employee, or the School in any public medium (print, broadcast, digital, or online) that:
 - a. Has the potential effect of involving the employee, their coworkers, students, or the School in any kind of dispute or conflict with other employees or third parties;
 - b. Interferes with the work of any employee or student;
 - c. Creates a harassing, demeaning, or hostile working or learning environment;
 - d. Disrupts the smooth and orderly flow of work within the office, or the educational process of the School;
 - e. Harms the goodwill and reputation of the School among its students or in the community at large; or
 - f. Tends to place in doubt the reliability, trustworthiness, or sound judgment of the person who is the subject of the information.

The employee(s) responsible for such problems will be subject to disciplinary action, up to and potentially including termination of employment, depending upon the severity and/or repeat nature of the offense.

2. No School employee may use School equipment or facilities for furtherance of non-work-related activities or relationships without the express advance permission of principal or designee.
3. Employees who conduct themselves in such a way that their actions toward and relationships with each other interfere with or damage work relationships, disrupt the flow of work or the School’s mission, or cause unfavorable publicity in the community should be concerned that their conduct may be inconsistent with one or more of the above guidelines. In such a situation, the employees involved should request guidance from principal or designee to discuss the possibility of a resolution that would avoid such problems. Depending upon the circumstances, failure to seek such guidance may be considered evidence of intent to conceal a violation of the policy and to hinder an investigation into the matter.
4. Use of social media that involves any kind of criminal activity or harms the rights of others may result in criminal prosecution or civil liability to those harmed, or both.
5. Employees may not use the School’s computers, network, or other equipment to set up or update social network page(s).
6. Employees shall not use or display the School’s logo or other material copyrighted by the School without express written consent.

7. Employees remain subject to applicable state and federal laws, School regulations and policies, and the Harmony DC Code of Ethics when using electronic media, regardless of whether the employee is using private or public equipment, on or off campus. The employee shall:
 - a. Maintain the confidentiality of student records;
 - b. Maintain the confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law;
 - c. Maintain the confidentiality of School records, including staff evaluations and private e mail addresses;
 - d. Respect copyright law; and
 - e. Refrain from harming others by knowingly making false statements about colleagues, students, or the School system.

Use of Electronic Media with Students

A certified or licensed employee, or any other employee designated in writing principal or designee, may communicate through electronic media with students who are currently enrolled in the School. A certified or licensed employee means a person employed in a position requiring District of Columbia Education Licensure Commission certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the School through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew; a student who is the child of an adult friend; a student who is a friend of the employee's child; or a member or participant in the same civic, social, recreational, or religious organization.

An employee who uses electronic media to communicate with students shall observe the following:

1. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility.
2. The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
3. The employee shall not communicate directly with any student between the hours of 10:00 p.m. and 6:00 a.m.
4. The employee remains subject to applicable state and federal laws, School regulations and policies, and the Harmony DC Code of Ethics, including:
 - a. Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records.
 - b. Copyright law.
5. The employee shall not solicit or engage in sexual conduct or a romantic relationship with a student.
6. Upon request from the School, the employee shall provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any currently-enrolled student(s).
7. Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

Recommendations for "Friending" Students

One of the hallmarks of social networks is the ability to “friend” others – creating a group of individuals that share interests and personal views. The School strongly discourages teachers from accepting invitations to “friend” students within social networking sites. When students gain access into a teacher’s network of friends, the student-teacher dynamic is altered and results in providing more personal information than should be shared in an educational setting. Maintaining a professional relationship with students is important in helping to avoid the appearance of relationships that could cause bias or favoritism in the classroom.

For the protection of your professional reputation, the School recommends the following practices:

“Friends” and “Friending”

1. Do not accept students as friends on personal social networking sites. Decline any student-initiated friend requests. Friend requests from former students who no longer attend the School or who have reached the age of 18 may be accepted.
2. Do not initiate online friendships with students.

If you wish to use networking protocols as part of the educational process, please work with School administrators and technology staff to identify and use a restricted, School-endorsed networking platform.

Content

1. Your on-line behavior should reflect the highest professional standards of honesty, respect, and consideration that are used in face-to-face communications.
2. Do not post content that is defamatory or obscene. Exercise caution with regards to exaggeration, colorful language, obscenity, legal conclusions, and derogatory remarks or characterizations.
3. Be mindful of copyright protections, and avoid posting proprietary materials without proper authorization.
4. Do not discuss students or coworkers, or publically criticize School policies or personnel.
5. Do not post images that include students.

Security

1. Be cautious when installing external applications that work with the social networking site, e.g., calendar programs and games. These add-ons often pose security risks.
2. Run updated malware protection to avoid infections of spyware and adware that may be placed on your computer.
3. Visit your profile’s security and privacy settings. At a minimum, educators are encouraged to have all privacy settings set to “only friends.” “Friends of friends” and “Networks and Friends” open your content to a large group of unknown individuals, and may place your privacy at risk.

Cellular and Wireless Telephone Acceptable Use

Access to cellular and/or wireless telephone equipment and accounts is made available exclusively for instructional and administrative purposes in accordance with Harmony guidelines and regulations. Access to this equipment is a privilege, not a right, and can be revoked at any time.

This policy explains and defines responsible and ethical use of Harmony-supplied telephone equipment and accounts. All rules embodied herein are designed to guide employees in appropriate and acceptable use of this technology, and are designed to protect both the employee and Harmony.

You are responsible for carrying the phone at all times during duty hours, for properly charging and maintaining the phone, and for returning the phone and any/all attachments to your supervisor at the time of termination of your employment.

You are responsible for initializing and maintaining your cellular voicemail account; Harmony is not responsible for designating or changing your voicemail password.

You will be provided with documentation for regarding your particular cellular phone usage plan. Your cellular plan provides a fixed number of airtime minutes, varying from plan to plan, which may be used without incurring any additional usage fees. Your plan may also include free night and weekend calls, free long distance, and/or free direct-connect radio airtime. You must review your plan with your supervisor, and acknowledge understanding of and agreement to this plan in writing in this document.

You may use your phone for both Harmony business and essential personal calls. However, if you exceed your standard plan airtime minutes, you will be responsible for reimbursing Harmony for your personal call minutes and personal directory assistance calls up to the amount of your overage.

Each month, your supervisor will provide you a copy of the usage and fee summary for your telephone. Any discrepancies on your usage summary, such as incorrect number of airtime minutes or charges for calls you did not place, must be brought to the attention of your supervisor immediately. You are to review this summary, highlight your personal calls, and return the summary to your supervisor. During each month that you exceed your plan minutes and have made personal calls, you must attach a check made payable to Harmony D.C. Public Schools when returning the summary to your supervisor. Payment for excess personal calls must be submitted within five business days from the time you are presented your monthly usage summary by your supervisor.

If you exceed your plan minutes due to excessive business use or excessive business directory assistance calls, you must attach a written justification for the excess usage to your phone statement before returning your usage summary to your supervisor.

Harmony prohibits using a school-provided cellular or wireless telephone to engage in the following conduct:

1. Using the cellular and/or wireless telephone equipment for illegal, inappropriate, subversive or obscene purposes or activities. Illegal activities shall be defined as activities violating local, state, and/or federal laws, including use of the phone to make “crank” calls, place false emergency calls, make terroristic threats, commit forgery or fraud, or assist in the commission of a felony. Inappropriate use shall be defined as a violation of the intended educational or administrative use of the phone. Subversive activities shall be defined as activities undermining the security of local, state or national governments, or activities intended to cause mental anguish, bodily injury or death to any citizen or group of citizens. Obscene activities shall be defined as a violation of generally accepted social standards for use of a publicly-owned and operated communications vehicle, including obscene phone calls and/or possession or transmission of any form of pornographic or erotic material, in either audible or digital formats.
2. Using the telephone and/or any attached equipment for any illicit activity, including violation of copyrights, patents, institutional or third-party copyrights, license agreements, or other contracts. Illicit activities also include transmitting or accessing information designed to aide or abet an individual or group in violating the law, including all forms of access to gang-related or organized-crime related web sites and bulletin boards if your telephone is Internet-enabled.
3. Using the telephone and/or any attached equipment to obtain and/or distribute illegally duplicated and distributed digital music, video, and/or software from copyrighted sources if you phone is Internet-enabled. This expressly prohibits accessing websites and web-rings designed to disseminate non-public domain content and entertainment including, but not limited to, MP3 audio files, movies, and executable software code.
4. Intentionally disrupting telephone or network traffic, deliberately “crashing” any network or connected system, or maliciously tampering with communications devices.
5. Damaging or destroying telephone equipment or deliberately degrading system performance, including deliberate infection of phones, computers, or servers with viruses.

6. Disclosing a voicemail password to another employee or student, or attempting to disclose or discover another employee's voicemail password.
7. Attempting to copy Harmony-owned software for personal gain, attempting to install privately-owned software onto a telephone or the network, or transmitting without authorization any software via electronic mail or the Internet on an Internet-enabled phone.
8. Using the Harmony telephone or network resources for commercial or financial gain.
9. Stealing or vandalizing data, equipment, or intellectual property.
10. Gaining or attempting to gain unauthorized access to internal and external resources or entities, including "hacking" into external networks, web-sites, or bulletin boards via Internet-enabled phones.
11. Forging or altering electronic or voicemail messages or using an account or password owned by another user.
12. Invading or assisting others in invading the privacy of an individual or group.
13. Using the telephone to eavesdrop, record, wiretap or otherwise illegitimately and inappropriately monitor the audible conversations or data streams of other users.
14. Possessing or conveying any data in any form, audible or digital, which might be considered a violation of these rules.

Consequences for Violations

Violations of this policy will be treated like other allegations of wrongdoing at Harmony. Allegations of misconduct will be adjudicated according to established procedures. Sanctions for violations of this policy may include, but are not limited to, one or more of the following:

- Temporary or permanent revocation of access to some or all cellular or wireless telephone resources.
- Disciplinary action, up to and including termination.
- Legal action according to applicable laws and contractual agreements.

Conflicts of Interest

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. This section establishes only the framework within which Harmony wishes to operate, and is guided by applicable state and federal law governing conflicts of interest and nepotism applicable to DC open-enrollment charter schools and nonprofit entities. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Contact the HR Department for more information or questions about conflicts of interest.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of Harmony's business dealings. For purposes of this section, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

No "presumption of guilt" is created by the mere existence of a relationship with outside firms. However, if employees have any influence on transactions involving purchases, contracts, or leases, it is imperative that they disclose to their school Principal or an officer of Harmony's Board of Directors as soon as possible, the existence of any actual or potential conflict of interest, so that safeguards can be established to protect all parties.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which Harmony does business, but also when an employee or relative receives any benefit, including but not limited to kick-back, bribe, substantial gift, or special consideration, as a result of any transaction or business dealings involving Harmony.

An employee with reason to believe that an actual conflict of interest exists must bring that concern to the attention of his or her immediate Supervisor or the HR Department.

Conflict of Interest/Non-School Related Activities

Employees sponsoring non-school-related student travel or other activities in the summer or during vacation times will not take advantage of their access to students to advertise or promote student-focused activities. Employees must follow the same procedures as any other community member in advertising non-school-sponsored activities or events for profit or personal benefit.

Conflict of Interest/Outside Employment

An employee cannot engage in outside employment or activity for monetary gain that interferes with or detracts from the ability to function in his or her employment with Harmony. Employees who wish to engage in outside employment must submit a written request to the Principal. Approval for outside employment will be determined by the Principal.

Conflict of Interest/Tutoring

Teachers are not allowed to privately tutor Harmony students for pay, except during the summer months and so long as the tutoring does not occur not on school property.

Gifts and Favors

A school director, administrator, or teacher who receives a commission or rebate on textbooks, electronic textbooks, instructional materials, or technological equipment used by the school may be committing a Class B misdemeanor criminal offense.

A school officer, administrator, or teacher who accepts a gift, favor, or service given to the person or to the school that could not be lawfully purchased with funds from the state textbook fund, and that might reasonably tend to influence the person in the selection of a textbook, electronic textbook, instructional material, or technological equipment may be committing a Class B misdemeanor criminal offense.

Copyrighted Materials

Employees are expected to comply with the provisions of copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data, web material, and programs, etc.). Federal copyright law protects “original works of authorship fixed in any tangible medium of expression...” The types of works that are protected include but are not limited to:

- Literary works;
- Musical works, including any lyrics;
- Dramatic works, including any musical accompaniment;
- Pantomimes and choreographic works;
- Motion pictures and other audiovisual works;
- Sound recording; and
- Architectural works.

If employees use a protected work in an inappropriate manner, the action constitutes an “infringement” of the [Copyright Act](#). Infringement is similar to theft, and there are both civil and criminal penalties for such action. Under what is called the [Fair Use Doctrine](#), School employees may use portions of copyrighted works without the owner’s permission if the use “serves a public purpose.” Factors to be considered in determining fair use are found at <http://www.copyright.gov/fls/fl102.html>.

Non-Disclosure

The protection of confidential business information and trade secrets is vital to the interests and the success of Harmony. Such confidential information includes, but is not limited to, the following examples:

- Curriculum systems;
- Instructional programs;
- Curriculum solutions;
- Student course work;
- Compensation data;
- Computer processes;
- Computer programs and codes;
- New materials research;
- Pending projects and proposals;
- Proprietary production processes;
- Research and development strategies;
- Technological data; and
- Technological prototypes.

All employees may be required to sign a non-disclosure agreement as a condition of employment. An employee who improperly uses or discloses trade secrets or confidential business information belonging to Harmony D.C. Public Charter Schools will be subject to disciplinary action, up to and including termination of employment and legal action, even if the employee does not actually benefit from the disclosed information. This does not include any disclosure of otherwise confidential business information or trade secrets in accordance with applicable federal or state law.

Use of Personal Vehicles

Harmony has a strict policy prohibiting any member of its staff from transporting a student in the employee's personal automobile, except in potentially life threatening or other emergency situations. The School Principal must approve any exceptions to this policy.

Employees conducting Harmony-related business in their personal vehicles must comply with all state laws related to vehicle insurance coverage requirements. If involved in an accident while on Harmony -related business, personal vehicle insurance takes precedence. If applicable, Workers' Compensation Insurance covers only physical injuries to the employee.

Employees' Children

Harmony's campuses are intended to be safe and professional environments at all times. Therefore, while on any Harmony property, children of Harmony employees should abide by the same guidelines as other students before, during, and after normal hours of operation. Additionally, Harmony employees are expected to monitor their children in such a way as to ensure minimal disruption to the work environment.

Solicitation and Distribution

Any solicitation of employees by salespersons or other employees on school property or the distribution of promotional or sales literature on school property is prohibited at all times. Commercial advertisements or sales for personal profit or non-school activities are prohibited.

Associations and Political Activities

Harmony D.C. Public Schools will not directly or indirectly encourage or discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

Use of School resources, including work time for political activities, is prohibited.

Whistleblower Protection Policy

Whistleblower policies are critical tools for protecting individuals who report activities believed to be illegal, dishonest, unethical, or otherwise improper.

- I. The organization will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes he/she is being retaliated against must contact the Human Resources Director immediately. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.
- II. Whistleblower protections are provided in two important areas: confidentiality and retaliation. Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law, and to provide accused individuals their legal rights of defense.
- III. Individuals protected include a. the employee, or a person acting on behalf of the employee, who reports to a public body or is about to report to a public body a matter of public concern; or b. the employee who participates in a court action, an investigation, a hearing, or an inquiry held by a public body on a matter of public concern.
- IV. The organization may not discharge, threaten, or otherwise discriminate against an employee regarding the employee's compensation, terms, conditions, location, or privileges of employment.
- V. The organization may not disqualify an employee or other person who brings a matter of public concern, or participates in a proceeding connected with a matter of public concern, before a public body or court, because of the report or participation, from eligibility to bid on contracts with the organization; receive land under a district ordinance; or receive another right, privilege, or benefit.
- VI. The provisions of this policy do not a. require the organization to compensate an employee for participation in a court action or in an investigation, hearing, or inquiry by a public body; b. prohibit the organization from compensating an employee for participation in a court action or in an investigation, hearing, or inquiry by a public body; c. authorize the disclosure of information that is legally required to be kept confidential; or d. diminish or impair the rights of an employee under a collective bargaining agreement.
- VII. Limitation to protections a. A person is not entitled to the protections under this policy unless he or she reasonably believes that the information reported is, or is about to become, a matter of public concern; and

reports the information in good faith. b. A person is entitled to the protections under this policy only if the matter of public concern is not the result of conduct by the individual seeking protection, unless it is the result of conduct by the person that was required by his or her employer. c. Before an employee initiates a report to a public body on a matter of public concern under this policy, the employee shall submit a written report concerning the matter to the organization's chief executive officer. However, the employee is not required to submit a written report if he or she believes with reasonable certainty that the activity, policy, or practice is already known to the chief executive officer; or that an emergency is involved.

Procedures

- I. If an employee has knowledge of or a concern of illegal or dishonest/fraudulent activity, the employee is to contact his/her immediate supervisor or the Human Resources Director. All reports or concerns of illegal and dishonest activities will be promptly submitted by the receiving supervisor to the Human Resources Director, who is responsible for investigating and coordinating any necessary corrective action. Any concerns involving the Human Resource Director should be reported to the chief executive officer.
- II. The whistleblower is not responsible for investigating the alleged illegal or dishonest activity, or for determining fault or corrective measures; appropriate management officials are charged with these responsibilities.
- III. Examples of illegal or dishonest activities include violations of federal, state, or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to disciplinary action.

GENERAL PROCEDURES

Workplace Safety and Occupational Safety and Health Administration (OSHA) Compliance

To assist in providing a safe and healthful work environment for employees, students, parents, and visitors, Harmony has established a workplace safety program. This program is a top priority for Harmony. Its success depends on the alertness and personal commitment of all.

Harmony D.C. Public Schools provides information to employees about workplace safety and health issues through regular internal communication channels such as supervisor-employee meetings, bulletin board postings, memos, or other written communications.

Each employee is expected to obey safety rules and to exercise caution in all work activities. Employees must immediately report any unsafe condition to the appropriate campus Assistant Principal. Employees who violate safety standards, cause hazardous or dangerous situations, or fail to report or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

In the case of accidents that result in injury, regardless of how insignificant the injury may appear, employees should immediately notify the campus Assistant Principal. Such reports are necessary to comply with laws and initiate insurance and workers' compensation benefits procedures.

Occupational Safety and Health Administration (OSHA) Statement

Accidents and Injuries

Harmony wants to reduce dangers to health and safety by creating and maintaining improved working conditions, free from recognized hazards that might cause serious physical injury.

In accordance with the [Occupational Safety and Health Act](#) (OSHA), Harmony maintains a log of all occupational injuries and illnesses, and asks that employees report such injuries and illnesses within 48 hours so that Harmony may report these occurrences within a lawful period of time to the nearest OSHA office.

As Employees of Harmony:

- You have the right to notify Harmony or OSHA about workplace hazards. You may ask OSHA to keep your name confidential.
- You have the right to request an OSHA inspection if you believe that there are unsafe and unhealthful conditions in your workplace. You or your representative may participate in that inspection.
- You can file a complaint with OSHA within 30 days of retaliation or discrimination by Harmony for making safety and health complaints, or for exercising your rights under the OSHA Act.
- You have a right to see OSHA citations issued to Harmony.
- You have the right to copies of your medical records and records of your exposures to toxic and harmful substances or conditions.
- You must comply with all occupational safety and health standards issued under the OSHA Act that apply to your own actions and conduct on the job.

As Your Employer:

- Harmony must post notice, informing you of the protections of the [Occupational Safety and Health Act](#), and its amendments, in your workplace.
- If a citation is issued upon Harmony by OSHA, the school must (1) post the citations at or near the place of the alleged violation; and (2) correct workplace hazards by the date indicated on the citation, and must certify that these hazards have been reduced or eliminated.
- Harmony must furnish all employees a place of employment free from recognized hazards.
- Harmony must comply with the occupational safety and health standards issued under the OSH Act.

If you would like more information regarding your OSHA rights or additional information, visit <http://www.osha.gov> or call 1-800-321-OSHA.

Reporting Employee Injuries

Any employee suffering an injury or illness that is work-related is responsible for immediately reporting that illness or accident – no matter how minor – to the employee’s supervisor. The supervisor must report the accident or illness to the appropriate agency.

Employees failing to report a work-related illness or accident, or delaying such report, may have their Workers’ Compensation Insurance benefits adversely affected. Harmony requires that once an accident or injury has been reported, an injury report must be completed within 48 hours. Harmony pays for lost time necessary for appointments with physicians for treatment or examinations of compensable work-related injuries.

Reporting Serious Injuries

Within eight hours after the death of any employee from a work-related incident or the in-patient hospitalization of three or more employees as a result of a work-related accident, Harmony will orally report the fatality/multiple hospitalization by telephone or in person to the Area Office of OSHA that is nearest to the site of the incident. If the Area Office is not reachable, Harmony may use the OSHA toll-free central telephone number, 1-800-321-6742.

Reporting Procedures

Harmony will utilize the required OSHA forms to document and log each recordable injury or illness. This information will be kept current, maintained accurately, and retained for a period of five years.

Exposure Control Plan for Blood-Borne Pathogens

OSHA has issued regulations on job exposure to blood-borne pathogens. These are viruses present in human blood and body fluids that can cause disease in humans. Harmony’s plan covers employees who could be “reasonably anticipated” to incur exposure to blood or other potentially infectious body fluids as a result of performing required job duties. Copies of the Exposure Plan are located in the office of each school campus and are available upon request.

The plan includes the personnel covered by the standard, the potential hazards of each job description, what measures will be taken to reduce the risk of exposure, and all forms necessary to carry out the plan. Harmony is committed to providing a safe and healthy work environment for all employees, not just those covered by the standard. If you feel you are at risk, but are not among the identified people listed in the plan, you should complete the form entitled “Employee Exposure Determination Questionnaire” found in your School office and send the completed form to the Safety and Security Department. According to OSHA, “Good Samaritan” acts, such as assisting a student or co-worker with a nosebleed, would not be considered “reasonably anticipated occupational exposure.” Since most Harmony employees are not “occupationally exposed” to blood-borne pathogens while performing their jobs, it is important for everyone in the school setting to understand the dangers of infection and safe procedures to minimize risk. A safe and effective Hepatitis B vaccination is available to “occupationally exposed” employees at no cost. However, all employees who have a blood-borne pathogen exposure while on the job will be referred to the nearest Occupational Health Center, or to their personal physician, or to an emergency room, as appropriate.

An exposure incident is a specific eye, mouth, or other mucous membrane, non-intact skin, or parental contact with blood or other potentially infectious materials. The employee should take a completed Exposure Form with them to the nearest Occupational Health Center. These forms can be obtained in your School office. Taking “universal precautions” will reduce the risk of infection. These precautions require taking routine care in handling blood and body fluids containing blood of all persons regardless of whether those persons are known to be infected with some specific disease-causing agent. Get in the habit of washing your hands with soap and running water for at least 10 seconds at regular times during the school day. All restrooms should be stocked with antibacterial soap. Disposable gloves should be worn when cleaning up blood, feces, vomit, and urine. This is to be done in addition to, not as a substitute for, hand washing. Gloves are the most widely used and basic form of personal protective equipment. Each Harmony campus will issue gloves to staff members. After use, the employee should contact the School office for new gloves. Gloves should be removed immediately after finishing the task. Carefully dispose of trash that contains body wastes and sharp objects. Double bag (sealed plastic bag) any paper towels or any disposable materials containing blood or body fluids before putting in the trash can. All equipment and environmental working surfaces will be decontaminated after contact with blood or other potentially infectious materials. A 1:10 solution of sodium hypochlorite or EPA-registered germicidal detergent can be used. These supplies are located with custodians on each Harmony campus. An emergency “spill pack” is also available in the campus’s Assistant Principal’s office. Contact the School custodian to assist in proper cleaning and disposal of waste materials.

Safety Plans

General Safety

All employees are expected to work in a safe and prudent manner abiding by all safety related school policies and procedures. A clean, safe and organized work environment is essential. Using good housekeeping practices reduces the potential for and may lessen the severity of fires, which may result in injury and/or property damage. Additionally, good housekeeping practices ensure the best use of space and create a positive and pleasing school environment for the students, staff, parents, and visitors. Each employee is responsible for the safety and care of the building and environment.

Asbestos Management Plan

Harmony is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each [school](#)

Pest Control Treatment

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of school principal. Any application of pesticide or herbicide must be done in a manner prescribed by law and Harmony’s integrated pest management program.

Employees should note that pesticides are periodically applied at campus facilities. Notices of planned pest control treatment will be posted in a school building 48 hours before the treatment begins. Notices are generally located in the main office of each campus. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written or electric means. Pest control information sheets are available from an Assitant Principal upon request.

Employees should immediately report any evidence of pest activity to school administrators.

Eye Protection

Employees who are working with hazardous chemicals should check the MSDS for the proper personal protective equipment. Safety glasses and goggles should be worn when the possibility of a splash is present.

First Aid Treatment

School nurses can provide first aid during normal school hours. School nurses are trained in Cardiopulmonary Resuscitation and the use of Automated External Defibrillator (CPR/AED). They can provide assistance with minor everyday emergencies and how to initiate treatment for chemical contaminations of the skin and eyes or those that occur by ingestion. If the school nurse is not available, the employee(s) should refer to the MSDS for specific first aid treatment or call Poison Control at 800-222-1222, or if it is life threatening, call 911.

Foot Protection

No open-toed shoes will be allowed in the area where hazardous chemicals are stored or used.

Gloves

Gloves must be worn when the potential for contact with toxic materials exist. Before gloves are used, they should be inspected for discoloration, punctures, and tears. Any gloves that show wear or defects should be disposed of and not used.

Labels

Effective hazard communication is essential in any safety program. Labels are the primary source of information concerning the hazards associated with chemicals used in the workplace. Employees will not be required to work with hazardous chemicals from unlabeled containers. Portable containers, of which the contents are known by the user, are exempt if the product will be used within a standard work shift. HAZCOM requires that all containers of hazardous chemicals entering the workplace be properly labeled. A label must show the identity of the hazardous chemical, the name and address of the manufacturers, and the appropriate warning such as toxic or corrosive. Warnings relate whether a chemical is a health or physical hazard, or both.

Physical hazards are flammable, corrosive or reactive; flammable chemicals can cause chemical burns; and reactive chemicals can cause explosions or release toxic fumes. Chemicals that are health hazards are toxic chemicals that are poisonous. Overexposure can cause acute or chronic health effects.

When a facility receives a new chemical product, a copy of the MSDS should be forwarded to the Facilities Manager.

Material Safety Data Sheets (MSDS)

The MSDS is written information that can help protect you from overexposure to chemicals in the workplace. The following steps are a general format for interpreting an MSDS.

1. **Chemical Name** – Identifies the name of the substance, what is on the label, the date the MSDS was prepared, and the name/address/phone number of an emergency contact with the manufacturer.
2. **Hazardous Ingredients** – Identifies the name of the substances in the chemical product that might be dangerous, and the safe exposure limits, such as the Permissible Exposure Limit (PEL) or the Threshold Limit Value (TLV). The common name(s) of the chemical product are also listed.
3. **Physical Characteristics** – Identifies the physical qualities of the chemical.
4. **Fire/Explosion Information** – Identifies the lowest temperatures in which the chemical could ignite. This is often called the flashpoint. It identifies if the chemical is flammable (catches fire at or below 100 degrees F) or if the chemical is combustible (catches fire above 100 degrees F).
5. **Reactivity** – Explains what happens when the chemical comes in contact with water, air, or other chemicals.
6. **Health Hazards** – Explains how chemicals may enter the body by ingestion, inhalation, and absorption. It will identify if the chemical will make a preexisting condition worse.
7. **Usage, Handling, and Storage** – Lists the proper way to clean up spills, leaks, or releases.
8. **Special Protection and Precautions** – Explains what personal protective equipment is recommended when using a particular chemical. Each workplace should have an MSDS master copy of the chemicals located at that workplace.

Personal Protective Equipment (PPE)

Each campus should provide PPE for all employees so they are able to work safely with chemicals. If a product or chemical MSDS recommends the use of PPE – such as gloves, safety glasses, or face shield – the employee should follow the PPE recommendation. If an employee feels that they do not have the proper equipment necessary, the employee should contact their Supervisor immediately to obtain the proper equipment.

Clean Air Act

The [Clean Air Act](#) addresses chlorofluorocarbon (CFR) in the atmosphere. In conformance with Clean Air Act amendments of 1990 and the Environmental Protection Agency recovery and recycling regulations, Harmony uses only licensed technicians to service and replace air conditioning and refrigeration equipment.

HIPAA

The [Health Insurance Portability and Accountability Act](#) of 1996 (HIPAA) established rules for protecting individual Personal Health Information (PHI). HIPAA provides individuals certain rights regarding their PHI, and requires employers and other individuals to adhere to restrictions on how PHI is disclosed. Every employee should respect the rights of others and only disclose PHI about themselves and others to those with a need to know. Disclosure of PHI without the written approval of the individual is a violation of federal law. Harmony complies with HIPAA requirements at all times.

FERPA

The [Federal Educational Rights and Privacy Act](#) (FERPA) is the federal law that sets forth basic privacy requirements for personally identifiable information contained in educational records maintained by schools. Employees with access to student information and/or performance data will consistently and uniformly maintain the privacy and confidentiality of this information in accordance with FERPA.

Purchasing and Reimbursements

Purchasing Procedures

All purchase requests must be submitted to the Business Office on an official order (PO) form with the appropriate approval signatures. No purchases, charges, or commitments to buy goods or services on behalf of Harmony D.C. Public Schools can be made without a PO number. Harmony will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the Harmony Business Office.

Reimbursement Requests

Harmony will honor reimbursement requests for purchases, travel, and other expenses only if the expenditure received prior administrative approval. All reimbursement requests must include original receipts. Before an employee incurs travel expenses, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule authorized by the Board of Directors and the Internal Revenue Service.

Key Security

Key security is important because of the nature and value of property on each campus. Each employee is responsible for keys issued and losses **MUST BE REPORTED IMMEDIATELY**. Keys may not be loaned or duplicated without approval from Harmony's Director of Facilities. Employees are required to take all reasonable precautions with the keys issued, and all keys must be accounted for at all times.

Personal Property

Harmony recognizes that employees may desire to display mementos pertaining to their families or bring other personal items to work. Harmony takes no responsibility for the safekeeping of these items. However, should any such personal

property be stolen, employees should report the incident to their appropriate campus's Assistant Principal. The following guidelines should be observed:

- Safety comes first. No object can interfere with job safety as determined by the campus's Assistant Principal.
- Nothing can be displayed that is derogatory (in the opinion of the campus Principal) to any person or system of beliefs, or that is considered sexually offensive under the reasonable person standard.
- Objects that are inappropriate (in the opinion of the campus Principal) or that hinder work efforts will not be allowed and must be removed upon request.

Visitors in the Workplace

Harmony requires all visitors who enter upon its premises to report to the main office to display his or her driver's license or other form of photo identification. This applies to family members of employees, friends, parents, social service workers, Board members, invited speakers, maintenance and repair persons not employed by Harmony, vendors, representatives of news media, former students, and any other visitors.

Harmony may establish an electronic database for the purpose of storing information concerning campus visitors. Such database may only be used for purposes of Harmony's security, and may not be sold or otherwise disseminated to a third party for any purpose. Harmony may also verify whether any visitor to a campus is a sex offender, registered with the computerized central database maintained by the Metropolitan Police Department, or any other database accessible by Harmony.

Bad Weather Closing

Harmony may close because of bad weather or emergency conditions. Principal will determine when it becomes necessary to open late, to release students early, or to cancel school.

Emergencies

All employees should be familiar with the evacuation diagrams posted in their work areas. Fire, tornado, and other emergency drills will be conducted to familiarize employees and students with evacuation procedures. Fire extinguishers are located throughout all district buildings. Employees should know the location of the extinguishers nearest their place of work and how to use them.

STUDENT WELFARE: REPORTING ABUSE AND/OR NEGLECT

Purpose of Reporting Law

The purpose of the reporting law is to protect the child by encouraging more complete reporting of suspected child abuse and/or neglect. This purpose is accomplished by:

1. Identification of the child in peril as quickly as possible;
2. Designation of the agency, Child and Family Services Agency (CFSA), and local law enforcement to receive and investigate reports of suspected child abuse;
3. Offering, where appropriate, services and treatment.

Protection for Reporting Child Abuse and/or Neglect

Any Harmony officer, employee, agent or volunteer who has cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse, neglect or other maltreatment by any person, must immediately make a report as required by law.

If a professional employee has cause to believe that a child has been or may be abused, maltreated, or neglected, he or she **MUST** make a verbal report within 48 hours after the person first suspects abuse, neglect or maltreatment. The person **MAY NOT** delegate to or rely on another person to make the report. For purposes of this reporting requirement, the term “professional” means an individual who is licensed or certified by the state or who is an employee of a facility licensed, certified, or operated by the state and who, in the normal course of official duties or duties for which a license or certification is required, has direct contact with children.

If the suspected abuse or neglect involves a person responsible for the custody, care or welfare of the child, the report must generally be made to the Child and Family Services Agency (CFSA). All other reports should be made to any local or state law enforcement agency, the CFSA, another state agency near where the abuse occurred, or any agency designated by a court as responsible for the protection of children.

A report should reflect the reporter’s belief that a child has been or may be abused or neglected or has died of abuse or neglect. The reporter will identify the following information, if known:

- The name and address of the child;
- The name and address of the person responsible for the care, custody, or welfare of the child; and
- Any other pertinent information concerning the alleged or suspected abuse or neglect.

Failure to report suspected child abuse or neglect is a misdemeanor punishable by imprisonment of up to 180 days and/or a fine of up to \$300 (DC Code 22-3020.51 et seq.)

Harmony D.C. Public Schools or its agents may not suspend or terminate the employment of, or otherwise discriminate against, a professional employee who, in good faith:

- Reports child abuse or neglect to:
 - The employee’s supervisor,
 - An administrator of the facility where the employee works,
 - A state regulatory agency, or
 - A law enforcement agency; or
- Initiates or cooperates with a governmental investigation or proceeding relating to an allegation of child abuse or neglect.

Child and Family Services mandator reporting website:
dc.mandatedreporter.org
Child and Family Services reporting hotline: (202) 671-7233

Photographs

Only during an on-site investigation can CFSA or a law enforcement officer direct an employee to photograph alleged abuse.

Photographing will be conducted in a way that protects the privacy of the child and ensures professional conduct on the part of the employee taking the photographs. Photographs may only be taken using equipment furnished by the investigation agency.

Notifying the Parents

The CFSA/MPD or law enforcement agency conducting the investigation is responsible for notifying the parents when a child abuse report has been made concerning their child. The campus and Harmony staff do not ordinarily notify parents of such investigations unless CFSA directs the campus or staff to do so.

Officer/Caseworker Interviewing/Removing a Student

If a member of a law enforcement agency or a CFSA caseworker requests permission to interview a student on or off campus, the Principal or Principal's designee (professional employee) should verify and record the identity of the officer or caseworker making the request and determine the purpose of the interview. The Principal may also contact the supervisor of the officer or caseworker to validate the person's authority to conduct the interview.

The Principal or designee will not impede a CFSA investigation; however, students should not be removed from class in order for CFSA to simply check on the child or conduct counseling sessions.

If the student is to be interviewed on campus, the Principal or designee should ask the caseworker or law enforcement officer if he or she may be present with the child during the questioning to serve as an advocate for the child in the absence of a parent/guardian. If the investigator raises a valid objection to a third party's presence, documentation of the request and the response of the investigator should be recorded.

If the student is to be removed from the campus, the Principal will complete an "Acknowledgement of Student Removal/Questioning by Law Enforcement Officials" form to document the action.

Confidentiality

Confidentiality is assured under State law for purposes of the investigation. However, the identity of the person making the report may be disclosed orally to Harmony's attorney and to other law enforcement officials. Neither the fact of the written or oral report nor any of its contents, including the name of the person making the report, should be revealed to anyone other than the immediate school officials (Principal, Assistant Principal, nurse, and/or counselor), CFSA/MPD and local law enforcement authorities.

This report should not be released to the parent of the child involved or to the individual upon whom the report is made. The individual about whose behavior the report was filed will be informed by CFSA/MPD that a report has been filed and both parents and the individual upon whom the report was made will have a right to receive a copy of the record made by CFSA/MPD. The name of the person making the report, however, will not be revealed to either the parents or the person against whom the report is made.

Harmony personnel should be aware that they must be extremely cautious about maintaining the confidentiality of both the report and the fact that the report has been filed. This is particularly important to remember in dealing with anyone who may ask for a confirmation that a report has been made. Harmony personnel must simply state that such reports are confidential and that it would be inappropriate to either confirm or deny the information.

Any comment or reporting could be considered a violation of confidentiality or violate the privacy rights of the individuals involved.

Child Sexual Abuse and Other Maltreatment

Harmony D.C. Public Schools has established a plan for addressing child sexual abuse and other maltreatment of children. The plan may be accessed at the Central Office or in the main office of each campus. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise mistreated. Sexual abuse in the DC Code is defined as (A) engaging in, or attempting to engage in, a sexual act or sexual contact with a child; (B) causing or attempting to cause a child to engage in sexually explicit conduct; or (C) exposing a child to sexually explicit conduct. Other maltreatment of a child includes "abuse" or "neglect," as those terms are defined by D.C. Code § 16-2301(2014). Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to CFSA.

GENERAL STUDENT ISSUES

Equal Educational Opportunities

Harmony D.C. Public Schools does not discriminate on the basis of race, color, religion, national origin, gender, or disability in providing education services, activities, and programs, including vocational programs, in accordance with [Title VI of the Civil Rights Act of 1964](#), as amended; [Title IX of the Educational Amendments of 1972](#); and [Section 504 of the Rehabilitation Act of 1973](#), as amended. In accordance with state charter school law and regulations, Harmony also does not discriminate against students based on academic, artistic or athletic ability or the school district a student would otherwise attend.

Questions or concerns about discrimination of students based on any of the reasons listed above should be directed to the Superintendent or designee.

Student Records

Student records are confidential and are protected from unauthorized inspection or use under federal law known as the Family Educational Rights & Privacy Act (FERPA). Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights;
- The student (if 18 or older or emancipated by a court); and
- School officials with legitimate educational interests.

Parents or students who want to review student records should be directed to the campus Principal for assistance.

Lesson Plans

Lesson plans are the most basic teaching tool, and are valuable because they tell where students are going academically, how they will get there, and when they will arrive.

All teachers are expected to write lesson plans. Lesson plans will be made available to the teacher's supervisor upon request.

There are several types of lesson plans that teachers must develop and follow:

1. Overall Yearly Plan: provides an overview of the course in conjunction with the Harmony Curriculum, and includes the units to be taught and the time devoted to each unit.
2. Daily Lesson Plan: a written outline of what will be taught during each class period, including concepts and objectives, time blocks, and the instructional materials needed.
3. Substitute Teacher Plan: lesson plans for substitute teachers should be carefully planned and detailed, and should be placed on the teacher's desk in plain view.

Teachers should follow the lesson plan submission format requested by their Principal.

Parent and Student Complaints

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Principal office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus's Principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Student Health Services

Harmony's school health services supplement the efforts of parents and personal health care providers to promote, improve, and maintain student health and well-being. These school health services are not intended to replace outside health care and should not be viewed as an alternative to seeking medical attention outside of the school.

Teachers should be alert for signs of illness in their students and immediately report such signs to the school nurse and/or Principal.

The following procedure should be followed in case of serious accidents, injuries, or sudden illness:

- Administer first aid, if necessary and appropriate.
- Notify the student's parents.
- Contact the school nurse or the student's family doctor if the student's parents or emergency contacts cannot be located.
- If necessary, call an ambulance.
- Complete an incident form, and return the completed form to the Principal.

Administering Medication to Students

Only designated employees can administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. A student who must take medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the Principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

School employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to students. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

School employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or any school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student.

However, a School officer or employee may:

- Make an appropriate referral under Child Find;
- Recommend that a child be evaluated by an appropriate medical practitioner, if the employee is a registered nurse, advanced nurse practitioner, physician, or certified or appropriately credentialed mental health professional; or
- Discuss an aspect of a child's behavior or academic progress with the child's parent or other School officer or employee, as appropriate.

Student Conduct and Discipline

Students are expected to follow classroom rules, campus rules, and the rules contained in the Student Code of Conduct and Student Handbook. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management procedures adopted by Harmony. Non-instructional employees with concerns about student behavior should contact the student's classroom teacher or the Principal.

Teachers must file a written report with the Principal or another appropriate administrator upon learning that a student has violated the Student Code of Conduct. The Principal or administrator will send a copy of this report to the student's parents within 24 hours.

Discipline should be handled by professional staff members. The staff member should confer with the student, Principal, and parents in unusual circumstances. Cooperation and understanding between parents and the school can often eliminate problems.

Student Attendance

Teachers and staff should be familiar with Harmony's policies and procedures for attendance accounting. Contact a Principal for additional information.

There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Below is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to <http://www.ftc.gov/credit> or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See <http://www.ftc.gov/credit> for additional information.
- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See <http://www.ftc.gov/credit> for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written

consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to <http://www.ftc.gov/credit>.

- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.ftc.gov/credit.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. Federal enforcers are:

Drug and/or Alcohol Testing Consent Form and Policy Acknowledgement Form

I hereby agree, upon a request made under the drug/alcohol testing policy of Harmony D.C. Public Schools (“HPS”), to submit to a drug or alcohol test and to furnish a sample of my urine, breath, and/or blood for analysis. I understand and agree that if I at any time refuse to submit to a drug or alcohol test under any HPS policy, or if I otherwise fail to cooperate with the testing procedures, I will be subject to immediate termination. I further authorize and give full permission to have HPS and/or its physician send the specimen or specimens so collected to a laboratory for a screening test for the presence of any prohibited substances under the policy, and for the laboratory or other testing facility to release any and all documentation relating to such test to HPS and/or to any governmental entity involved in a legal proceeding or investigation connected with the test. Finally, I authorize HPS to disclose any documentation relating to such test to any governmental entity involved in a legal proceeding or investigation connected with the test.

I understand that only duly-authorized HPS officers, employees, and agents will have access to information furnished or obtained in connection with the test; that they will maintain and protect the confidentiality of such information to the greatest extent possible; and that they will share such information only to the extent necessary to make employment decisions and to respond to inquiries or notices from government entities.

I will hold harmless HPS, its physician, and any testing laboratory that it might use, meaning that I will not sue or hold responsible such parties for any alleged harm to me that might result from such testing, including loss of employment or any other kind of adverse job action that might arise as a result of the drug or alcohol test, even if a HPS or laboratory representative makes an error in the administration or analysis of the test or the reporting of the results. I will further hold harmless HPS, its company physician, and any testing laboratory that it might use for any alleged harm to me that might result from the release or use of information or documentation relating to the drug or alcohol test, as long as the release or use of the information is within the scope of this policy and the procedures as explained in the paragraph above.

I have had an opportunity to read the **Drug-Free Workplace Policy** included in the HPS Employee Handbook, and I understand that I may ask my Supervisor or the Human Resources Department any questions I might have concerning the policy. I accept the terms of the Drug-Free Workplace Policy. I also understand that it is my responsibility to comply with the Drug-Free Workplace Policy, and any revisions made to it. I further agree that if I remain with HPS following any modifications to the policy, I thereby accept and agree to such changes.

This policy and authorization have been explained to me in a language I understand, and I have been told that if I have any questions about the test or the policy, they will be answered.

I UNDERSTAND THAT HPS WILL REQUIRE A DRUG SCREEN TEST UNDER THIS POLICY WHENEVER I AM INVOLVED IN AN ON-THE-JOB ACCIDENT OR INJURY UNDER CIRCUMSTANCES THAT SUGGEST POSSIBLE INVOLVEMENT OR INFLUENCE OF DRUGS OR ALCOHOL.
