## Enrollment - Lottery Procedure for SY2020-2021

---

Briya Public Charter School (Briya) conducts an open enrollment period each year followed by an enrollment lottery, if needed, due to having more applicants than spaces available. The enrollment and lottery dates are publicly announced through the Briya website, flyers, the newspaper, and the Public Charter School Board website.

Names of student applicants who complete applications within the enrollment period are drawn at random and placed on the enrollment/waiting list in the order drawn. Students are either placed within any open class slots or assigned to the waiting list from the order in which they are selected in the lottery. Applications received after the deadline are placed on the waiting list in the order received. As spaces at each class level become open, students are called in order from the waiting list to fill the spaces.

Briya will hold open enrollment for School Year 2020-21 from May 18 to May 29. Applications will be due May 29. The enrollment lottery, if needed, will be on June 1.
