

DISCIPLINE/SCHOOL CULTURE

Promoting A Positive School Climate

Our aim at Stokes School is to promote mutual respect, academic excellence, an appreciation of diversity, and exemplary behavior for all our scholars. Our school rules exist to create and preserve an environment in which scholars are free to learn and develop. Everyone within our school community agrees to adhere to the following three rules and core values.

The Three School Rules

- I will take care of myself.
- I will take care of others.
- I will take care of my community.

Core Values

- Excellence
- Respect
- Diversity

Rituals that Promote and Expand Positive Community

Each morning we gather as a school community for morning line-up. We sing together, recognize birthdays, and celebrate individual and school-wide achievements. In addition, examples of how scholars and staff have practiced the three school rules are shared.

Periodic school activities bring us together to mark specific yearly events (e.g. Month of La Francophonie, Hispanic and Latino Heritage Month, Black History Month, Friendship Ball, Family Holiday Celebration, Heritage Day, Cherry Blossom Festival, etc.).

Opportunities and Programs for Strengthening Emotional Competencies

Stokes School provides a variety of programs and activities designed to help scholars strengthen social and emotional competencies:

- Our teachers are trained to use positive approaches to support appropriate or desirable behaviors
- Scholars are engaged in service-learning projects
- Cross-curricular and after-school activities focus on fun, learning, social and emotional skill building;
- Our physical education program promotes collaboration
- The School Psychologist is available to meet with parents to share strategies, and techniques to help strengthen their children's emotional competencies.

Stokes School takes a restorative approach to discipline. Restorative conversations address the following questions:

- What happened?
- Who has been affected?
- How can we repair the harm done?

Student/Family Policies Submission

- What have we learned that will help us make better choices next time?

The goal is to identify where the undesired behavior is coming from and what the student is trying to express through that behavior. Classroom teachers address behavior within the classroom setting first. If the behavior escalates to a Tier 2 or 3 infraction, the teacher will fill out a behavior referral and escort the student to the Dean of Students. From there, the Dean of Students will help the student work through the issue that they are experiencing, brainstorm logical consequences for their actions, and help the student find ways to repair the harm done as a result of the behavior before returning to class. Parents may be contacted once a student has been brought to the office.

Below is a list of Tier 1, 2, and 3 infractions and interventions.

Tier I Infractions:

Suspension

Stokes School complies with the Student Fair Access to School Act of 2018. ***In very rare instances, an in-school or out of school suspension may be necessary if a student willfully caused, attempted to cause, or threatened to cause bodily injury or emotional distress to another person.*** If suspension is warranted, parents will be contacted and the student will be provided with classwork to be completed during the duration of the suspension. The number of days for suspension is based upon the severity of the infraction, the age of the student, and previous infractions. The parent or guardian will receive written notice and the suspension will become effective immediately, unless otherwise stated by the administrator on duty. Students are required to complete their academic assignments during their suspension.

Upon returning to class, a re-entry restorative conference will be held. Parents, teachers, the student, and the Dean of Students will be invited to participate in this process.

Student/Family Policies Submission

Stokes School complies with federal guidelines when disciplining scholars with special needs. In the event that 10 days of suspension has been reached, a “Manifestation Determination Meeting” will be conducted no later than 10 days after disciplinary action.

Expulsion

When a scholar is expelled, she/he is not allowed to be present in the school environment. If a scholar repeatedly ***willfully caused, attempted to cause, or threatened to cause bodily injury or emotional distress to another person***, she/he may be expelled from Stokes School.

Due Process and Appeal Process

Parents/guardians can appeal any discipline decision within 30 days of the discipline decision. However, the appeal must be made first to the Campus Director, Brookland: Bobby Caballero (bobbyc@ewstokes.org) or East End: Karim Ewing-Boyd (karime@ewstokes.org) in writing. Campus Director will attempt to schedule the appeal hearing within 7 days of receiving the written request. The Campus Director will conduct the appeal hearing, including members of the school leadership, the parent/guardian, the scholar and one additional adult to represent the scholar. The hearing will give the scholar and parent/guardian the opportunity to present additional evidence. The Campus Director will communicate the decision within 7 days of the hearing.

If not satisfied, parents can appeal to the school’s Board of Trustees, in the form of a letter or by emailing boardchair@ewstokes.org. The Board of Trustees may invite the parent/guardians and scholar to appeal in person at a regularly scheduled, or special meeting of the Board. The decision of the Stokes School Board of Trustees is final.

Attendance and Truancy

Parents/guardians are required to notify the school on all days when scholars will be absent. Notification can be made by email, written note, or by calling the school at 202-265-7237 by 8:00am. Emails should be sent to attendance@ewstokes.org. Some absences will be excused if you communicate with the school. These include:

- Illness of the scholar (A doctor’s notice is required if a scholar is absent for three consecutive days.)
- An emergency that requires the presence of the scholar at home
- Death in the immediate family
- Observance of religious holidays
- Other absences approved by the Director of Student Services or Director of Teaching and Learning.
- Requests must be received for approval 2-weeks prior to the requested date.

If you do not notify the school about your scholar’s absence within 5 days upon your scholar’s return to school, or if the absence is for a reason not listed above, the absence will be considered “unexcused”. Each time a scholar has one (1) unexcused absence, the school will attempt to contact the parent or guardian by 4:00pm of the same day. The law requires that the school contact The DC Child and Family Services Agency after the accrual of ten (10) unexcused absences. After twenty (20) consecutive days of unexcused absences, the scholar will be removed from the school roster and parents/guardians will be required to complete the re-enrollment process. Not only can unexcused absences result in failing grades but there is also growing evidence of the long-lasting effects of childhood truancy on future success.

Arrival and Tardiness

For PK –5th grade scholars, school begins at 8:00 AM. A scholar who arrives in their class after 8:15 AM is considered tardy. Scholars must sign in at receptionist’s desk and pick up a tardy pass to take to class. Habitual tardiness disrupts class learning, puts your scholar at an educational disadvantage, can be considered educational neglect, and may be referred to DC Child and Family Services. Scholars who miss more than 20% of the school day due to unexcused tardiness (approximately an hour and a half) will be marked absent for the day.

Dismissal and Early Dismissal

Please note the dismissal times of each grade and please be on time to pick up your scholar. Pre-K and kindergarten scholars get picked up from their classrooms. First through fifth grade scholars are dismissed from the multi-purpose

Student/Family Policies Submission

room. Scholars who are not picked up within 15 minutes of their dismissal time will be automatically enrolled in the Aftercare Program and parents will be charged the daily Aftercare rate.

Whenever it is necessary for a scholar to leave during school hours, parents/guardians MUST notify his/her teacher in writing. When picking up a scholar before his/her regular dismissal time, the parent/guardian must report to the receptionist's desk to sign the scholar out and the receptionist will notify the classroom teacher. Appointments away from school should only be scheduled during the school day when absolutely necessary.

Scholars will only be released from school to an adult who is authorized by the parent/ guardian.

FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is

Student/Family Policies Submission

impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
- School officials with legitimate educational interest; A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to re-quest that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

For additional information, you may call 1-800-USA-LEARN

Stokes School PTA publishes a directory with contact information annually, however **families are asked to opt-in with the information that they would like to have shared** before any information is published. Stokes School does not publish any other directory information about families.

Elsie Whitlow Stokes Community Freedom Public Charter School encourages individuals to discuss their concerns with appropriate school officials before resorting to a formal complaint. However, individuals are not required to do so before filing a formal complaint and have the right to file a complaint with the U.S. Department of Education. If a parent or guardian believes that a FERPA violation has occurred and wishes to file a complaint with the U.S.
