Eagle Academy Board of Trustees Emergency Meeting

October 12, 2021

6:30pm

Minutes

1. Appeal of DC Public Charter School Board New Policy Regarding Increasing Grade Levels
 - The board unanimously agrees for the appeal to expand to 4th and 5th grade. The board believes that this will alleviate the stress of parents having to send their kids to different schools. The board is in support of the idea that enrollment would not increase, but the ability to have kids go up to 4th and 5th from third would be the only change. The school is prepared with curriculum and space at both campuses to accommodate Eagle Scholars

2. Any Other Pressing Matters
 - Ideas for the PCSB Board Meeting on October 18th:
 - o Invite parents to attend wearing Eagle themed clothing
 - o Have parents sign letter or petition in support—Aaron Lentner offered send out a letter to PTA members and have them sign
 - o Have board members and staff attend wearing Eagle clothing
 - o Ms. Bussey-Reader suggested coming up with a theme or slogan for the visit

Ms. O’Gilvie and Dr. Smith will investigate if this meeting will be in person with COVID restrictions or virtual to see how many people can attend

Meeting adjourned at 7:00pm
