Mundo Verde Board of Directors meets for regular board meetings on a calendar established by the board at the beginning of every school year. When necessary, special meetings may be called by the President or by one third of the directors. All actions of a special meeting may be reconsidered at the next regular board meeting. The seven regular board meetings scheduled during the school year take place either monthly or bi-monthly, and are no fewer than that required by the school's bylaws, which state that the board should meet "at least bi-monthly". All regular and special board meetings are open to the public, providing the opportunity for stakeholders to observe the board in action. The FY23-24 budget will be discussed and approved at the board meeting on May 18th, 2023. In addition, the board has committed to holding a public comment period in at least one regular meeting during SY22-23. Board members also meet by committees, and the board holds mini-retreats as necessary, these sessions are closed to the public.
