Dear Faculty and Staff,

It is my pleasure to share with you this most recent edition of the Washington Latin Public Charter School Employee Handbook. I hope that you find it helpful in providing support, as well as guidance, during your tenure with the School.

In the pages that follow you will find not only the rules and regulations which govern our community, but also a sense of the aspirations which inform and shape who we are. Successful communities create norms which allow their members to work with a confidence which comes only when every member clearly understands the rights, limits, and responsibilities necessary to live and work together. This Handbook seeks to provide those to you, together with a sense of how they relate to the aspirations of this special community.

There is much herein devoted to your individual responsibilities. Many of the regulations and policies you will find have been developed through a mixture of common sense and legal requirements, and, perhaps more importantly, through the unique experiences you might have had as an employee of the School. The team which developed this most recent edition of the Handbook remained diligent in their efforts to shape the rules to fit the realities which you face.

You should know, “nothing is written in stone.” If we have learned nothing else from the double pandemic and the “spur of the moment” changes we were forced to make in the spring and the unprecedented way that we are starting the new school year, we should have understanding of and appreciation for the fact that the world changes, situations change, and responsibilities change accordingly. For that reason, you should never look on this Handbook as a set of “divine edicts.” It is rather an important first step which can lead to discussions and possible change when a situation calls for that conversation. You should know that there are defined steps for situations in which you may wish to discuss the effects of particular rules. I encourage you to enter those discussions when your personal experience has taught you such discussions are needed.

There are also many sections of the Handbook devoted to your rights as an employee. You should review those pages carefully. In some cases, you might find a strongly stated warning about the abuse of certain rights, but in every situation, there is a common-sense or legal reason for that stated warning.

Please take note of the various benefits that are listed. Some are provided by law and are listed as such in a separate section. Others are provided by the School leadership as an important component necessary to maintaining community. Many of the latter benefits are so familiar and so commonplace that you might never have given them much thought. They are nonetheless integral to the School’s desire to support our employees strongly. You may see them as a manifestation of the aspirations of the School, for that is what they are.

Thank you for taking the time to review this edition of our Handbook. I trust that it will be an important tool in helping to further our mission as an organization.

Sincerely,

Peter Timothy Anderson
Head of School

Revised and Updated as of September 1st, 2020
SECTION I: INTRODUCTION-BACKGROUND-ORIENTATION
The school reserves the right to make changes to any policies detailed in this handbook, as necessary. Staff will be notified when such changes are made.

ABOUT THE HANDBOOK
Washington Latin Public Charter School believes strongly in an open door, open communication policy. This Handbook is intended to be a means of communicating the School's policies and procedures, so that you, as an employee, may understand how the School operates. This Handbook is not intended to be, nor should it be interpreted as, a written contract between the School and its employees. Neither is it a guarantee of continued employment. It is, quite simply, a source of information.

The information in this Handbook supersedes all prior policies and procedures. Every employee is subject to the policies and procedures set forth in this Handbook, except as otherwise may be provided for under individual contracts.

If you have any concerns regarding this Handbook, or if you foresee a problem in the School's policies which might interfere with your ability to carry out your responsibilities, you are encouraged to discuss that problem with your supervisor, to resolve the issues. If your immediate supervisor is not able to answer your questions regarding the interpretation or application of this Handbook, you should feel free to contact the next higher level of supervision, up to and including the Head of School.

If the steps above fail to meet your needs, you have the right to file an official grievance with Human Resources or the Head of School. The procedures for handling a formal grievance are outlined later in this Handbook. The School reserves the right to suspend, modify, or amend any policy or procedure at any time.

MISSION STATEMENT
Our mission is to provide a challenging, classical education that is accessible to students throughout the District of Columbia. We seek to develop students who will become thoughtful citizens and leaders, contributing to the public good in their lifelong quest towards a fuller humanity. Ours is a school where words matter, ideas matter, and people matter.

VISION STATEMENT
Washington Latin envisions a diverse and integrated school community in which:
☑ All members value truth, beauty and goodness;
☑ All students, regardless of background, can develop the habits of mind, content knowledge and self-efficacy to thrive;
☑ Teachers, counselors, deans and other staff members can grow in their careers and in the development of their craft;
☑ We nurture ambition for lives that are personally fulfilling and of service to others; and
☑ We can serve as a model for exemplary public education.
**DIVERSITY STATEMENT**

Washington Latin Public Charter School is committed to fostering, cultivating, and preserving a culture of diversity and inclusion. Diversity is an essential School value, critical to the fabric of our School's culture. The collective sum of the individual differences, life experiences, knowledge, self-expression, unique capabilities, and talent that our employees invest in their work represents a significant part of not only our culture, but our reputation and achievement as a school.

We embrace and encourage our employees’ differences in age, color, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, learning styles, and types of intelligence political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.

Our school aims to create an inclusive, integrated school population, even as the city remains segregated and as our residential population is gentrifying. We want all members of our community to not only have a sense of belonging, but also to believe that they can bring their authentic selves to work.

Washington Latin’s diversity initiatives are applicable—but not limited—to our practices and policies on recruitment and selection; compensation and benefits; professional development and training; promotions; transfers; social and family programs; and the ongoing development of a work environment built on the following expectations:

- Respectful communication and cooperation between staff.
- Teamwork and staff participation, permitting the representation of all groups and employee perspectives.
- Work/life balance through flexible work schedules to accommodate employees' varying needs.
- Contributions to the communities we serve to promote a greater understanding and respect for the diversity beyond our walls.

The worth and dignity of every person at all levels of work, study and play are paramount at Washington Latin across any artificial lines of exclusion. We are committed to embracing all of our diversity even as it evolves. Our commitment to the diversity of our student body requires a mirror image of that diversity in the composition of faculty, staff, administration, and Board members, and will likewise be reflected in our curriculum.

The staff of Washington Latin have a responsibility to **always** treat others with dignity and respect. Employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other school-sponsored and participative events.

Any employee found to have exhibited any inappropriate conduct or behavior against others may be subject to disciplinary action.
Employees who believe they have been subjected to any kind of discrimination that conflicts with the school’s diversity policy and initiatives should seek assistance from a supervisor, the Head of School or the Human Resources representative, working with the Business Office. See more below on Standards of Conduct.

A BRIEF HISTORY OF THE SCHOOL
Washington Latin Public Charter School opened in 2006 with 179 students in grades five through seven at Christ Church of Washington on Massachusetts Avenue, NW. The school was founded by T. Robinson Ahlstrom. We added a grade each year thereafter and graduated our first senior class of 42 students in June of 2012.

We moved to the Decatur Campus at 4715 16th St. NW, and, in 2009, we opened our Upshur Campus at Saint Constantine and Helen Greek Orthodox Church. In 2010, our Upper School expanded to include classrooms at Simpson-Hamline United Methodist Church at 4501 16th Street NW. Latin moved into its permanent home in the summer of 2013 (an abandoned former DCPS building, the Cuno H. Rudolph Elementary School). A new gym was built and dedicated in the spring of 2016 (it was named for retiring school leader, Martha Cutts).

In the summer of 2019, the DC Public Charter School Board approved the replication of the school, allowing for the opening of a new school serving Grades 5-12.

OUR STRATEGIC PRIORITIES
1) Leverage the **diversity of our community** and strengthen our commitment to **equity and inclusion** among both students and staff
2) Continue to improve the **responsiveness of our academic program to better support the needs of all learners**, particularly English language learners and our most struggling students
3) Ensure the **classical mission and instructional approach** endures and is supported/enabled across both campuses

**Review of Files**
The School offers you the right to review your personal, personnel, and medical files. You should feel welcome to review these files, but you may not take copies with you. **Employment Checks, References, and Recommendations**
Employment information about present or past employees is confidential and should not be communicated to anyone who does not have a legitimate interest in the information. Requests for references and recommendations should be referred to the Director of Finance.

**Non-Sex-Based Misconduct Policy**

**The School's Policy Against Harassment**
Members of the Washington Latin PCS community have the right to an environment free of discrimination and harassing, coercive or disruptive conduct. Consistent with Washington Latin's respect for the rights and dignity of each employee and community member, any harassment based on race, creed, color, national origin, nationality, ancestry, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, genetic information, sex (including pregnancy) gender identity or expression, disability or atypical hereditary cellular or blood trait of any individual, liability for service in the Armed Forces of the United States, the refusal to submit to a genetic test or make available the results of a genetic test to an employer, or any other characteristic protected by applicable law (collectively referred to as “Protected Categories”) will not be tolerated.

Harassment can be generally defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her Protected Category and that has the purpose or effect of creating an intimidating, hostile, or offensive work environment; or has the purpose or effect of unreasonably interfering with an individual's work performance; or otherwise adversely affects an individual's employment.

This conduct is prohibited in any form at the workplace, at work-related functions or outside of work if it affects the workplace. This policy applies to all employees. The School strictly prohibits and will not tolerate harassment by other members of the School community including but not limited to students, parents, visitors and service providers, vendors or others who have business with or participate in the operations of the School.
Harassment is prohibited in any form at the School, School-related events, or in other instances away from or outside of the School, if it affects the School.

Types of prohibited harassment include, but are not limited to, the following:

☑️ Verbal or written comments related to a trait someone possesses, including name-calling, jokes, slurs, negative stereotyping or threats;
☑️ Explicit or degrading verbal comments about another individual or his or her appearance;
☑️ Nonverbal conduct, such as staring, leering or giving inappropriate gifts;
☑️ Physical conduct, such as assault or unwanted touching; and/or
☑️ Visual images, in hard copy or electronic form, relating to a trait someone possesses (for example, cartoons, drawings or pictures).

**Consequences of Harassment**
Any individual found to have engaged in sexual or any form of harassment prohibited by this policy will be disciplined as appropriate, up to and including termination.

**Reporting Non-Sex-Based Harassment**
If you feel that you are being harassed based on a category prohibited by this policy, you are encouraged, but not required, to tell the harasser that his or her actions are not welcome and you want the actions to stop. If you are uncomfortable raising this issue with the harasser, you must bring the harassment to the Head of School, Director of Finance, HR specialist, or if you are more comfortable, you may raise the issue with your direct supervisor.

Further, if you believe that you or another employee has been the subject of sexual harassment or any form of harassment prohibited by this policy, you are required to bring the matter to the attention of any of the following with whom you feel comfortable: Head of School, Director of Finance, HR specialist, or your direct supervisor.

In response to the report of harassment, the School will conduct a prompt and thorough investigation of the alleged incident, and take appropriate corrective action if warranted, which may include interim measures during the period of investigation. To the extent consistent with adequate investigation and appropriate corrective action, Latin will use its best efforts to keep any complaints of harassment confidential.

Washington Latin will not retaliate in any way against employees who, in good faith, make a complaint or report of harassment, or who participate in the investigation of such a complaint or report. Such retaliation is prohibited by law. Retaliation by school employees against any individual for reporting a claim of harassment in good faith or cooperating in the investigation of it will not be tolerated and may subject the retaliating employee to discipline, up to and including termination.

If you believe that you or another employee has been the subject of retaliation as a result of
reporting harassment or participation in the investigation, you are required to bring the matter to the attention of any of the following with whom you feel comfortable: Head of School, Director of Finance, HR specialist, or your direct supervisor.

**Sexual and Other Harassment**

Sexual harassment constitutes discrimination and is illegal under federal, state and local laws. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include unwanted sexual advances or requests for sexual favors; sexual jokes; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies; leering, whistling or touching; insulting or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal or visual conduct of a sexual nature.

Any employee who feels that he or she has been the object of harassment should report the incident directly to the Head of School. If the Head of School is involved in the conduct, then complaints should be made to the Human Resources office (hr@latinpcs.org).

Complaints of sexual harassment will receive prompt attention. It is the School's policy to investigate such complaints thoroughly, promptly, and in an impartial manner. If such an investigation reveals that the complaint is valid, the School will administer disciplinary or other corrective action as appropriate to stop the harassment and prevent its recurrence. Such disciplinary action may include immediate termination of employment. Discipline will be based on the seriousness of the offense. To the fullest extent practicable, the School will use discretion regarding the dissemination of information regarding complaints, related investigations, and the terms of their resolution.

**Title IX Coordinator**

The School has designated Lawrence Liu as our Title IX Coordinator. As the Title IX Coordinator, Lawrence Liu is responsible for:

- Ensuring compliance with Title IX.
- Overseeing anti-discrimination and harassment training and education.
- Overseeing and coordinating the response, investigation, and resolution of reports made under this Policy.

Any inquiries concerning the School’s application of Title IX and its implementing regulations may be referred to the Coordinator, the Head of School and/or to the Department of Education, Office of Civil Rights (“OCR”):

Depending on the facts, dating violence, domestic violence, and stalking may also be forms of sexual harassment.

Unwelcome Conduct: Conduct is considered “unwelcome” if the individual did not request or invite it and considered the conduct to be undesirable or offensive. Unwelcome conduct may take various forms, including, name-calling, graphic or written statements (including the use of cell phones or the Internet), or other conduct that may be physically threatening, harmful, or humiliating. Unwelcome conduct does not have to include intent to harm, be directed at a specific target, or involve repeated incidents. Unwelcome conduct can involve persons of the same or opposite sex. Participation in the conduct or the failure to complain does not always mean that the conduct was welcome. The fact that a person may have welcomed some conduct does not necessarily mean that a person welcomed other conduct. Also, the fact that a person requested or invited conduct on one occasion does not mean that the conduct is welcome on a subsequent occasion.

Hostile Environment: A hostile environment exists when sex-based harassment is sufficiently serious to deny or limit the student’s ability to participate in or benefit from the school’s programs or activities or is sufficiently severe or pervasive to create a hostile working environment. The more severe the sex-based harassment, the less need there is to show a repetitive series of incidents to find a hostile environment. Indeed, a single instance of sexual assault may be sufficient to create a hostile environment. Likewise, a series of incidents may be sufficient even if the sex-based harassment is not particularly severe.

Consent: Consent must be informed, voluntary, and mutual, and can be withdrawn at any time. There is no consent when there is force, expressed or implied, or when coercion, intimidation, threats, or duress is used. Whether a person has taken advantage of a position of influence over another person may be a factor in determining consent. Silence or absence of resistance does not imply consent. Past consent to sexual activity with another person does not imply ongoing future consent with that person or consent to that same sexual activity with another person. Note that because of the age of the students at Washington Latin and the position of authority that employees hold over students, the School will never consider a student to have consented to sexual contact with any employee.

Non-Consensual Sexual Activity: Includes any sexual contact, however slight, with an object or bodily part, by a person upon another that is without consent.

Incapacitation: Includes, but is not limited to, lack of consciousness, being asleep, being involuntarily restrained, or otherwise being unable to consent. Indicators of incapacitation include slurred speech, bloodshot or unfocused eyes, unsteady gait (needing assistance walking or standing),
vomiting, concern expressed by others about the individual, expressed memory loss, or disorientation.

**Sexual Assault:** Sexual assault is actual or attempted sexual contact with another person without that person’s consent. Sexual assault includes, but is not limited to: intentional touching of another person’s intimate parts without that person’s consent; or other intentional sexual contact with another person without that person’s consent; or coercing, forcing, or attempting to coerce or force a person to touch another person’s intimate parts without that person’s consent.

**Sexual Contact:** The intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of any person with an intent to abuse, humiliate, harass, degrade, or arouse or gratify the sexual desire of any person.

**Sexual Exploitation:** non-consensual sexual abuse or exploitation of another, when such behavior does not otherwise constitute another specifically defined behavior. Examples of sexual exploitation include, but are not limited to, non-consensual use of electronics to capture, reproduce, or share images of a sexual nature without consent of parties involved, public indecency, or exposing genitals to others without consent, or engaging in ‘peeping’ (observing another when privacy would be reasonably expected) without consent.

**Reporting Prohibited Conduct**
Washington Latin strongly encourages all individuals to seek assistance from a medical provider and/or law enforcement immediately after an incident involving violence, including sexual assault. This is the best option to ensure preservation of evidence and to begin a timely investigative and remedial response.

The School also encourages all individuals to make a report of Prohibited Conduct to both the School and to local law enforcement, although neither is required. These reporting options are not mutually exclusive. Both internal and external reports may be made simultaneously. The procedures under this Policy may run concurrently with any criminal justice or child protection investigation and will only be subject to temporary delays at the specific request of law enforcement. Because the standards for finding a violation of a criminal law are different from the standards articulated in this Policy, criminal investigations or reports or determinations made by child protection officials are not determinative of whether a violation of this policy has occurred.

**Filing a Report with the School**
Any individual who wishes to report Prohibited Conduct is encouraged to report directly to the Title IX Coordinator or any other Responsible Employee. Reports may be made in person, by telephone, or in writing. Written complaints are encouraged. A complaint may be made on behalf of oneself or on behalf of another employee or student. If a complaint implicates the Title IX Coordinator, or if a Complainant is otherwise uncomfortable bringing their concerns to another Responsible Employee,
they may bring their complaint to the Head of School.

Depending on the nature of the complaint, the Head of School may designate another appropriate individual to conduct and/or coordinate a response.

All employees of the School are required to immediately report suspected child abuse and neglect, to the Head of School, who assists in coordinating the appropriate response and fulfilling employees’ mandatory reporting obligations. Thus, confidentiality cannot be guaranteed when an individual makes a report to a School employee, including school counselors and the school nurse. Employees who become aware of an alleged Title IX violation, including sexual misconduct, interpersonal violence or sexual harassment or retaliation are required to report it to the Title IX Coordinator.

Requests for Confidentiality and/or Anonymity
Individuals making reports under this policy may request that the Coordinator not reveal their identity to the individual they are accusing of misconduct. If an individual requests this type of confidentiality, the Coordinator will weigh the request against the School’s obligation to provide a safe, non-discriminatory environment for all members of its community. The Coordinator will try to honor these requests, but it is not always possible to do so. Regardless of whether an individual requests confidentiality, the School will make every effort to prevent disclosure of the names of all the parties involved – the reporting individual, the Complainant, the witnesses, and the Respondent – except to the extent necessary to carry out an investigation.

Individuals who wish to remain anonymous can leave an anonymous report with the Title IX Coordinator by providing a written summary of the incident and

Prohibition on Retaliation
Washington Latin will not tolerate retaliation. Retaliation is prohibited by Title IX and this Policy. An individual reporting Prohibited Conduct is entitled to protection from any form of retaliation following a report that is made in good faith, even if the report is later not proven to be true. This Policy also prohibits harassment of Respondents. In addition, retaliation is prohibited against individuals participating in an investigation under this Policy (such as a witness). The School will take immediate and responsive action to any report of retaliation or additional harassment and will pursue disciplinary action as appropriate.

Other Rights and Protections

A Drug and Alcohol-Free Workplace
The School maintains a strictly smoke-free, alcohol-free, and drug-free environment. There is to be no smoking, use of any tobacco product, including e-cigarettes, alcohol, recreational or prescription drug (including marijuana) in the School buildings, on School grounds, or at School-sponsored events. The only exception is that alcohol may be served at certain adult-only social functions as approved by the Head of
School and/or the Board of Governors. The use, possession, manufacture, distribution, purchase and/or sale of alcohol or illegal drugs (which includes controlled substances); the abuse or misuse of legal drugs (including medical marijuana or over-the-counter medication); or being impaired by either drugs (illegal or legal) or alcohol during school hours, on school property, on school business, or at school events is prohibited and may result in termination.

The prohibition against tobacco, alcohol and drug use, always, is applicable to students, all school staff, parents, and visitors on school property, in school vehicles, and at school sponsored functions on or away from school property. The sidewalks surrounding the school grounds are also off limits for the use of prohibited substances.

The school takes its commitment to health and wellness seriously. Violation of this policy may result in immediate termination.

Nothing in this policy precludes the appropriate use of any prescribed medications. However, reporting for work impaired by any prescribed or abusive use of a prescription medication, including but not limited to medical marijuana, is strictly prohibited. Any employee taking prescribed medications which may impair her/his ability to work, for whatever reason, should inform her/his supervisor as soon as possible.

At the occasional school-sponsored event where alcoholic beverages are served, you are expected to conduct yourself in an appropriate manner. If you are performing assigned responsibilities at such functions, you are prohibited from consuming alcoholic beverages.

Any employee about whom there is a reasonable suspicion of violating the School’s drug-free workplace policy may be required to submit to drug and/or alcohol testing. Employees responsible for any means of school transportation will be required to submit to random drug and/or alcohol testing. Candidates for employment may be asked to submit to alcohol, drug and controlled substance testing prior to hiring or any time during their employment with the School. Employees who fail a drug test either prior to hiring or any time during their employment with the School may be terminated for cause from the School.

**Security of Personal Belongings**
You are encouraged to secure your personal belongings. The School is not and cannot be responsible for personal items which you bring to the campus.

**Employee Privacy**
The School reserves the right to look through its premises and property issued to employees for their use, such as offices, desks, filing cabinets, files, computers, email and voicemail, whether those premises or property are issued for any employee’s sole use. More specific information about the School’s right to access electronic and telephonic communication is outlined in a later section of the Handbook.
Accommodations

Accommodations for Persons with Disabilities
The School is firmly committed to complying with the Americans with Disabilities Act (ADA) and other federal and state legislation designed to ensure equal employment opportunities to persons with disabilities. The School prohibits discrimination on the basis of disability in regard to all employment practices or terms, conditions and privileges of employment.

Consistent with this policy and applicable law, the School will make reasonable accommodations for the known physical or mental disabilities of qualified applicants or employees, unless to do so would cause an undue hardship on the operation of the School.

Pregnancy-Related Accommodations
Upon an employee’s request, the School will make reasonable accommodations wherever necessary for all employees whose ability to perform job duties is limited because of pregnancy, childbirth, or medical conditions related to pregnancy or childbirth, including recovery from childbirth. If employees believe they may need accommodations under this policy, they are encouraged to discuss the matter with the HR specialist, Director of Finance and/or Head of School.

Nursing Mothers
The School will provide nursing mothers with reasonable break time and a suitable room or other location with privacy for the purpose of expressing breastmilk. The location will have (1) a place to sit; (2) an outlet to plug in a breast pump; (3) a door that can be locked and (4) a space that is clean. Employees who require a space to express breastmilk should contact the Director of Finance.

Religious Accommodations
Upon an employee’s request, the School will make a reasonable accommodation for an employee whose sincerely held religious belief, practice, or observance conflicts with a work requirement, unless doing so would pose an undue hardship on the School.

Open Door Policy
We strongly believe in an open door, open communication policy as it is an important benefit to both the School and its employees. If you have problems or concerns regarding this handbook or any workplace issue, you are encouraged to come forward and discuss them with your manager in order to resolve the issues quickly and efficiently. However, if your immediate manager is not able to satisfy your questions regarding the interpretation or application of this handbook or any other workplace issue, then you are free to contact the next higher level of supervision. If you have or foresee a problem that may interfere with your ability to adequately perform your responsibilities, you should discuss the matter with your supervisor, the HR specialist, or the Head of School.
It is the policy of the School to promote teamwork, cooperation, and a productive work environment among employees. In support of this policy, we ask that all employees treat co-workers, supervisors, subordinates, vendors and visitors with respect, honesty and cooperation.

SECTION III: POLICIES ON WHAT IS EXPECTED OF EMPLOYEES

CODE OF ETHICS
Each Washington Latin employee, upon accepting a letter of employment, assumes several obligations, one of which is to adhere to a set of principles which defines professional conduct. Washington Latin Public Charter School, as a local education agency (LEA), has adopted, as follows, the Model Code of Ethics for Educators established by The National Association of State Directors of Teacher Education and Certification. It is applicable to all full-time, part-time, and temporary employees (hereafter referred to as professional educators)

Principle I: Responsibility to the Profession
The professional educator is aware that trust in the profession depends upon a level of professional conduct and responsibility that may be higher than required by law. This entails holding one and other educators to the same ethical standards.

The professional educator demonstrates responsibility to oneself as an ethical professional by:

1. Acknowledging that lack of awareness, knowledge, or understanding of the Code is not, in itself, a defense to a charge of unethical conduct;
2. Knowing and upholding the procedures, policies, laws and regulations relevant to professional practice regardless of personal views;
3. Holding oneself responsible for ethical conduct;
4. Monitoring and maintaining sound mental, physical, and emotional health necessary to perform duties and services of any professional assignment; and taking appropriate measures when personal or health-related issues may interfere with work-related duties;
5. Refraining from professional or personal activity that may lead to reducing one’s effectiveness within the school community;
6. Avoiding the use of one’s position for personal gain and avoiding the appearance of impropriety;
7. Taking responsibility and credit only for work actually performed or produced, and acknowledging the work and contributions made by others.

The professional educator fulfills the obligation to address and attempt to resolve ethical issues by:

1. Confronting and taking reasonable steps to resolve conflicts between the Code and the implicit or explicit demands of a person or organization;
2. Maintaining fidelity to the Code by taking proactive steps when having reason to believe that another educator may be approaching or involved in an ethically compromising situation;
3. Neither discriminating nor retaliating against a person on the basis of having made an ethical complaint;
4. Neither filing nor encouraging frivolous ethical complaints solely to harm or retaliate.
5. Cooperating fully during ethics investigations and proceedings

The professional educator promotes and advances the profession within and beyond the school community by:

1. Influencing and supporting decisions and actions that positively impact teaching and learning, educational leadership and student services;
2. Engaging in respectful discourse regarding issues that impact the profession;
3. Enhancing one's professional effectiveness by staying current with ethical principles and decisions from relevant sources including professional organizations;
4. Actively participating in educational and professional organizations and associations; and
5. Advocating for adequate resources and facilities to ensure equitable opportunities for all students.

Principle II: Responsibility for Professional Competence
The professional educator is committed to the highest levels of professional and ethical practice, including demonstration of the knowledge, skills and dispositions required for professional competence.

The professional educator demonstrates commitment to high standards of practice through:

1. Incorporating into one's practice school1, D.C. and national standards, including those specific to one’s discipline;
2. Using the Model Code of Educator Ethics and other ethics codes unique to one’s discipline to guide and frame educational decision-making;
3. Advocating for equitable educational opportunities for all students;
4. Accepting the responsibilities, performing duties and providing services corresponding to the area of certification, licensure, and training of one's position;
5. Reflecting upon and assessing one's professional skills, content knowledge, and competency on an ongoing basis; and
6. Committing to ongoing professional learning.

The professional educator demonstrates responsible use of data, materials, research and assessment by:

1. Appropriately recognizing others’ work by citing data or materials from published, unpublished, or electronic sources when disseminating information;
2. Using developmentally appropriate assessments for the purposes for which they are intended and for which they have been validated to guide educational decisions;
3. Conducting research in an ethical and responsible manner with appropriate permission and supervision;
4. Seeking and using evidence, instructional data, research, and professional knowledge to inform practice;

1 Including the Washington Latin Academic Indices
5. Creating, maintaining, disseminating, storing, retaining and disposing of records and data relating to one’s research and practice, in accordance with LEA policy, D.C. and federal laws; and
6. Using data, data sources, or findings accurately and reliably.

The professional educator acts in the best interest of all students by:
1. Increasing students’ access to the curriculum, activities, and resources in order to provide a quality and equitable educational experience.
2. Working to engage the school community to close achievement, opportunity, and attainment gaps; and
3. Protecting students from any practice that harms or has the potential to harm students.

Principle III: Responsibility to Students
The professional educator has a primary obligation to treat students with dignity and respect. The professional educator promotes the health, safety and well-being of students by establishing and maintaining appropriate verbal, physical, emotional and social boundaries.

The professional educator respects the rights and dignity of students by:
1. Respecting students by taking into account their age, gender, culture, setting and socioeconomic context;
2. Interacting with students with transparency and in appropriate settings;
3. Communicating with students in a clear, respectful, and culturally sensitive manner;
4. Taking into account how appearance and dress can affect one’s interactions and relationships with students;
5. Considering the implication of accepting gifts from or giving gifts to students;
6. Engaging in physical contact with students only when there is a clearly defined purpose that benefits the student and continually keeps the safety and well-being of the student in mind;
7. Avoiding multiple relationships with students which might impair objectivity and increase the risk of harm to student learning or well-being or decrease educator effectiveness;
8. Acknowledging that there are no circumstances that allow for educators to engage in romantic or sexual relationships with students; and
9. Considering the ramifications of entering into an adult relationship of any kind with a former student, including but not limited to, any potential harm to the former student, public perception, and the possible impact on the educator’s career. The professional educator ensures that the adult relationship was not started while the former student was in school.

The professional educator demonstrates an ethic of care through:
1. Seeking to understand students’ educational, academic, personal and social needs as well as students’ values, beliefs, and cultural background;
2. Respecting the dignity, worth, and uniqueness of each individual student including, but not limited to, actual and perceived gender, gender expression, gender identity, civil status, family
status, sexual orientation, religion, age, disability, race, ethnicity, socio-economic status, and culture; and
3. Establishing and maintaining an environment that promotes the emotional, intellectual, physical, and sexual safety of all students.

The professional educator maintains student trust and confidentiality when interacting with students in a developmentally appropriate manner and within appropriate limits by:
1. Respecting the privacy of students and the need to hold in confidence certain forms of student communication, documents, or information obtained in the course of professional practice;
2. Upholding parents'/guardians' legal rights, as well as any legal requirements to reveal information related to legitimate concerns for the well-being of a student; and
3. Protecting the confidentiality of student records and releasing personal data in accordance with prescribed D.C. and federal laws and local policies.

Principle IV: Responsibility to the School Community
The professional educator promotes positive relationships and effective interactions, with members of the school community, while maintaining professional boundaries.

The professional educator promotes effective and appropriate relationships with parents/guardians by:
1. Communicating with parents/guardians in a timely and respectful manner that represents the students' best interests;
2. Demonstrating a commitment to equality, equity, and inclusion as well as respecting and accommodating diversity among members of the school community;
3. Considering the implication of accepting gifts from or giving gifts to parents/guardians; and
4. Maintaining appropriate confidentiality with respect to student information disclosed by or to parents/guardians unless required by law.

The professional educator promotes effective and appropriate relationships with colleagues by:
1. Respecting colleagues as fellow professionals and maintaining civility when differences arise;
2. Resolving conflicts, whenever possible, privately and respectfully and in accordance with district policy;
3. Keeping student safety, education, and health paramount by maintaining and sharing educational records appropriately and objectively in accordance with LEA policies and D.C. and federal laws;
4. Collaborating with colleagues in a manner that supports academic achievement and related goals that promote the best interests of students;
5. Enhancing the professional growth and development of new educators by supporting effective field experiences, mentoring or induction activities across the career continuum;
6. Ensuring that educators who are assigned to participate as mentors for new educators, cooperating teachers, or other teacher leadership positions are prepared and supervised to assume these roles;
7. Ensuring that educators are assigned to positions in accordance with their educational credentials, preparation, and experience in order to maximize students’ opportunities and achievement; and
8. Working to ensure a workplace environment that is free from harassment.

The professional educator promotes effective and appropriate relationships with the community and other stakeholders by:
1. Advocating for policies and laws that the educator supports as promoting the education and well-being of students and families;
2. Collaborating with community agencies, organizations, and individuals in order to advance students’ best interests without regard to personal reward or remuneration; and
3. Maintaining the highest professional standards of accuracy, honesty, and appropriate disclosure of information when representing the school or LEA within the community and in public communications.

The professional educator promotes effective and appropriate relationships with employers by:
1. Using property, facilities, materials, and resources in accordance with LEA policies and D.C. and federal laws;
2. Respecting intellectual property ownership rights (e.g. original lesson plans, LEA level curricula, syllabi, gradebooks, etc.) when sharing materials;
3. Exhibiting personal and professional conduct that is in the best interest of the organization, learning community, school community, and profession; and
4. Considering the implications of offering or accepting gifts and/or preferential treatment by vendors or an individual in a position of professional influence or power.

The professional educator understands the problematic nature of multiple relationships by:
1. Considering the risks that multiple relationships might impair objectivity and increase the likelihood of harm to students’ learning and well-being or diminish educator effectiveness;
2. Considering the risks and benefits of a professional relationship with someone with whom the educator has had a past personal relationship and vice versa;
3. Considering the implications and possible ramifications of engaging in a personal or professional relationship with parents and guardians, student teachers, colleagues, and supervisors; and
4. Ensuring that professional responsibilities to volunteers, fellows, student teachers or interns do not interfere with responsibilities to students, their learning, and well-being.

**Principle V: Responsible and Ethical Use of Technology**
The professional educator considers the impact of consuming, creating, distributing and communicating information through all technologies. The ethical educator is vigilant to ensure appropriate boundaries of time, place and role are maintained when using electronic communication.

The professional educator uses technology in a responsible manner by:
1. Using social media responsibly, transparently, and primarily for purposes of teaching and learning per LEA policy. The professional educator considers the ramifications of using social media and direct communication via technology on one's interactions with students, colleagues, and the general public;
2. Staying abreast of current trends and uses of school technology;
3. Promoting the benefits of and clarifying the limitations of various appropriate technological applications with colleagues, appropriate school personnel, parents, and community members;
4. Knowing how to access, document and use proprietary materials and understanding how to recognize and prevent plagiarism by students and educators;
5. Understanding and abiding by the district's policy on the use of technology and communication;
6. Recognizing that some electronic communications are records under the Freedom of Information Act (FOIA) and D.C. public access laws and should consider the implications of sharing sensitive information electronically either via professional or personal devices/accounts; and
7. Exercising prudence in maintaining separate and professional virtual profiles, keeping personal and professional lives distinct.

The professional educator ensures students' safety and well-being when using technology by:
1. Being vigilant in identifying, addressing and reporting (when appropriate and in accordance with LEA, D.C., and federal policy) inappropriate and illegal materials/images in electronic or other forms;
2. Respecting the privacy of students' presence on social media unless given consent to view such information or if there is a possibility of evidence of a risk of harm to the student or others; and
3. Monitoring to the extent practical and appropriately reporting information concerning possible cyber bullying incidents and their potential impact on the student learning environment.

The professional educator maintains confidentiality in the use of technology by:
1. Taking appropriate and reasonable measures to maintain confidentiality of student information and educational records stored or transmitted through the use of electronic or computer technology;
2. Understanding the intent of Federal Educational Rights to Privacy Act (FERPA) and how it applies to sharing electronic student records; and
3. Ensuring that the rights of third parties, including the right of privacy, are not violated via the use of technologies.

The professional educator promotes the appropriate use of technology in educational settings by:
1. Advocating for equal access to technology for all students, especially those historically underserved;
2. Promoting the benefits of and clarifying the limitations of various appropriate technological applications with colleagues, appropriate school personnel, parents, and community members; and
3. Promoting technological applications (a) that are appropriate for students' individual needs, (b) that students understand how to use and (c) that assist and enhance the teaching and learning process.

**STANDARDS OF CONDUCT**
The Model Code of Ethics informs the Standards of Conduct outlined below. Washington Latin always expects each employee to maintain the highest standards of conduct and to act in a mature and responsible manner. Employees must not engage in activities which violate federal or D.C. laws or which, in any way, diminish the reputation, integrity, efficiency or discipline of the school.

In the sections below, you will find more details about a variety of policies. However, the grid below lays out specific guidance regarding expectations for employee conduct. Note that failure to meet these expectations could place you and the school at risk. Given this, the school may take disciplinary action against those who disregard these standards, including termination of employment and referral to law enforcement.

If you have questions and concerns about what is acceptable or unacceptable, we urge you to speak with the Head of School, the Principal or one of the Assistant Principals.

**Mandatory Reporting Responsibilities in Response to Suspected Child Abuse or Neglect**

It is the policy of Washington Latin to ensure the safety and well-being of every student. When a concern of possible abuse/neglect arises, the expectation is that we as a school will act swiftly and in an organized manner to respond. In accordance with DC regulations, all new staff members and personnel are to participate in Mandated Reporter training during their first year, and returning staff are to participate every two years. Attendance will be tracked to ensure full participation.

To minimize risk in the school environment, one-adult/one-student situations should occur only when necessary. If they are to occur, the interactions and/or activities should take place where they can be seen by others and interrupted easily. More information on Mandatory Reporting is in Appendix B.

**Professional Attire**

Since the School is a place of serious academic pursuits, faculty and staff are expected to come to work dressed in appropriate attire. Men are asked to wear ties. No revealing or overly casual attire is appropriate during the teaching day. Employees should not wear flip-flops to work. Blue denim is not approved attire. Employees are to be dressed and ready for school at least thirty (30) minutes before school starts and remain so until at least thirty (30) minutes after dismissal. Circumstances may call for employees to be dressed and ready prior to or later to the timeframes listed above.

**PROFESSIONAL CONDUCT**

**Confidentiality**

During employment, Washington Latin employees may have access to confidential information. Confidential information includes, but is not limited to, financial information, student information, data or statements, the existence and contents of agreements, proposals, grants, strategies, donor lists, contact lists, membership lists, student lists, student contact information, computer data, personnel data, and planned activities that are not public knowledge. Confidential information should only be made known to employees in confidence in connection with their job duties.

Disclosure or use of confidential information by employees other than for the sole benefit of Washington Latin would be wrongful, may be against the law, and may cause irreparable harm to Washington Latin. If an employee is in doubt as to whether certain information is confidential, the employee is to treat such information as confidential. Employees may not disclose or use confidential information for any purpose other than in the performance of their duties for Washington Latin. This obligation extends during the entire term of the employee’s tenure with Washington Latin and after the date of termination of that employment for any reason.

**Supporting the Mission of the School**

Employees are asked to support publicly the mission of the School as articulated by the administration through its policies and decisions. Any employee who knowingly releases information that has the purpose or effect of undermining the mission of the School or violating the privacy of a student is subject to immediate dismissal at the discretion of the Head of School.
Appropriate Use of Computers and Other School Equipment

Any and all computing services (including access to the School’s network), are to be used for work purposes and not for personal business. Incidental and occasional use of computing services is permitted subject to the terms of this handbook and other School policies. Use which exceeds incidental or occasional use for personal reasons or which is inappropriate is strictly forbidden. Appropriate usage of these resources is:

- Use consistent with the educational mission of the School;
- Use for purposes of, or in support of, education and research; and
- Use related to administrative and other support activities of the School.

E-MAIL, INTERNET, AND TELEPHONE POLICY

All School-supplied communications resources – including telephone, voicemail, fax, e-mail, and Internet – are property of Washington Latin. Messages that are created, sent, or received using these communications systems are the property of Washington Latin. Washington Latin reserves the right to access and disclose the contents of all messages created, sent, or received using these systems.

Washington Latin staff members are prohibited from using communications resources to send messages that are defamatory or harassing. Staff members are also prohibited from uploading, downloading, or otherwise transmitting sexually explicit materials and those materials – including trademarked or patented documents – whose transmission is prohibited by law.

Staff members are expected to maintain their Washington Latin network and account passwords in such a manner as to deter unauthorized access to Washington Latin systems. Staff must immediately report any viruses, tampering, or other system breaches to the IT Director. In-house staff must have the approval of the IT Director before adding any software to computers.

Solicitation and Distribution

Washington Latin prohibits the solicitation, distribution and posting of materials on or at Latin property by any employee or non-employee, except as may be permitted by this policy. The sole exceptions to this policy are charitable and community activities supported by Washington Latin management and School-sponsored programs. This policy extends to the use of computers for the solicitation or distribution of any goods or services.

Note that employees may not use staff meeting time to promote events, meetings, programs or initiatives that are unrelated to normal school business without the express permission of the Head of School or Principal.
SOCIAL MEDIA USE AND GUIDELINES

Introduction
At Washington Latin Public Charter School (WLPCS or Latin) we understand that social media can be a fun and rewarding way to share one's life and opinions with family, friends and co-workers. It can also benefit our students in preparing them to succeed in their educational and career endeavors. However, use of social media also presents certain risks and carries with it certain responsibilities. To assist you in making responsible decisions about your use of social media, we have established these guidelines for appropriate use of social media.

These social media guidelines provide guidance regarding recommended practices for professional social media communication among Latin employees, as well as social media communication between Latin employees and students.

This policy applies to all employees of WLPCS. Leadership and supervisors should use these Guidelines for additional guidance in administering the policy.

Social Media Definitions
In the rapidly expanding world of electronic communication, “social media” can mean many things. Social media is defined as any form of online publication or presence that allows interactive communication, including, but not limited to, social networks, blogs, websites, and Internet forums. Examples of social media include, but are not limited to, Facebook, Twitter, YouTube, Google+, Kik, Snapchat and Instagram.

- Professional social media is a work-related social media activity that is either school-based, or non-school based (e.g., wikis, or Latin's official Facebook, Twitter, and Instagram profiles).
- Personal social media use is a non-work related social media activity (e.g., a Twitter account or Instagram account solely for the employee's personal use).

Professional Social Media Use

Maintaining Separate Professional and Personal Email Accounts
WLPCS employees who decide to engage in professional social media activities should maintain separate professional and personal email addresses. Latin employees should not use a personal email address for professional social media activities. Rather, employees should use a professional address that is completely separate from any personal social media address they maintain. (The official Latin email address is recommended.) Regular and continuous use of a personal email address for professional purposes, including social media use, may result in Latin considering the email address, and the corresponding use of that address, as a professional account.

Communication with Latin Students
WLPCS employees who communicate with students through professional social media sites should follow these guidelines:
Professional social media sites that are school based should be designed to address instructional, educational, or extra-curricular program matters only.

Each school year, Latin parents will be notified about the professional social media activities in which their children may participate. A consent form will be distributed and must be acknowledged by each parent. WLPCS will instruct parents to contact the school with any questions or concerns.

**Guidance Regarding Professional Social Media Sites**

WLPCS employees should treat professional social media space and communication like a classroom and/or a professional workplace. The same standards expected in WLPCS professional settings are expected on professional social media sites. If a particular type of behavior is inappropriate in the classroom or a professional workplace, then that behavior is also inappropriate on the professional social media site.

Latin employees should exercise caution, sound judgment, and common sense when using professional social media sites.

When establishing professional social media sites, supervisors and employees should consider the intended audience for the site and consider the level of privacy assigned to the site, specifically, whether the site should be a private network (for example, it is limited to a particular class or particular grade within the school) or a public network (for example, anyone within the school or individuals outside of WLPCS). It is recommended practice for professional social media sites to be private networks, unless there is a specific educational need for the site to be a public network.

WLPCS employees should obtain their supervisor’s approval before setting up a professional social media presence. Employees must also inform their supervisor if the social media site undergoes a significant change in content.

Supervisors or their designees are responsible for maintaining a list of all professional social media accounts within their particular department.

Professional WLPCS social media sites should include language identifying the sites as professional social media WLPCS sites to differentiate from personal sites. For example, the professional sites can identify WLPCS, the department, or particular grade that is utilizing the site.

Professional social media sites that are non-student based should have a clear relationship to the mission and function of WLPCS.

WLPCS employees should use privacy settings to control access to their professional social media sites with the objective that professional social media communications only reach the intended audience. However, WLPCS employees should be aware that there are limitations to privacy settings. Private communication published on the Internet can easily become public. Furthermore, social media sites
can change their current default privacy settings and other functions. As a result, each employee has a responsibility to understand the rules of the social media site being utilized.

Professional social media communication must be in compliance with existing Latin policies, including, but not limited to, prohibitions on the disclosure of confidential information and prohibitions on the use of harassing, obscene, discriminatory, defamatory or threatening language.

No personally identifiable student information may be posted by WLPCS employees on professional social media sites that are open beyond the classroom without permission. **Images of students are not to be posted online under any circumstance.**

It is not recommended that WLPCS employees post photos of other WLPCS employees on professional social media sites without prior permission of the photographed employee.

**Monitoring of Professional Social Media Sites**
WLPCS supervisors are responsible for monitoring and providing feedback regarding their employees’ professional social media sites. The monitoring responsibilities include reviewing the professional social media sites on a regular basis. If supervisors discover questionable communications or behavior on professional social media sites, they are required to contact the Head of School or Principal.

WLPCS supervisors reserve the right to remove postings and/or disable a page, of professional social media sites that do not adhere to WLPCS policy or do not reasonably align with these guidelines.

Employees using professional social media have no expectation of privacy with regard to their use of such media. WLPCS supervisors will regularly monitor professional social media sites to protect the school community.

WLPCS supervisors should maintain a detailed log of all reported non-compliant communications as well as any violations that are otherwise brought to the supervisor’s attention. Such reports of non-compliant communications should be immediately shared with the WLPCS employee so that the WLPCS employee may take corrective action, if necessary and if possible.

**Press Inquires**
Any press inquiries received via professional social media sites should be referred to the Head of School and the Director of Advocacy, Communications and Engagement.
Personal Social Media Use

Communication with WLPCS Students
To maintain a professional and appropriate relationship with students, WLPCS employees should not communicate with students on a personal social media site.

Guidance Regarding Personal Social Media Sites
As a recommended practice, WLPCS employees are encouraged to use appropriate privacy settings to control access to their personal social media sites. However, be aware that there are limitations to privacy settings. Private communication published on the Internet can easily become public. Furthermore, social media sites can change their current default privacy settings and other functions. As a result, employees are responsible for understanding the rules of the social media site being utilized.

It is not recommended that WLPCS employees “tag” photos of other WLPCS employees, WLPCS volunteers, WLPCS contractors or WLPCS vendors without the prior permission of the individuals being tagged.

Personal social media use, including off-hours use, has the potential to result in disruption at school and/or the workplace, and can be in violation of WLPCS policies.

The posting or disclosure of student and co-worker information or confidential information via personal social media sites in violation of Guidelines, is prohibited. This includes the posting of pictures of students.

WLPCS employees should not use Latin’s logo or make representations that their personal social media sites speak in an official WLPCS capacity. The use of the Latin logo that is automatically populated on personal social media sites, such as LinkedIn, is permitted.

It is in the best interest of our students that employees are mindful of the influence that their social media pages can have on the reputation of the school. Making reference to Latin students, or other staff members, in a negative light, even without mentioning names, can have an impact on the WLPCS image. Staff should use their better judgment and act responsibly when posting on social media.

Relevance to WLPCS Policies and Other Laws
These Guidelines provide guidance intended to support existing policies governing professional conduct. Users of professional social media sites must comply with all applicable federal, state and local laws, including, but not limited to the Children’s Online Privacy Protection Act (COPPA), the Family Educational Rights and Privacy Act (FERPA) and intellectual property laws.
Additional Questions/Inquiries
This document is meant to provide general guidance and does not cover every potential social media situation. Should any questions arise, please contact your direct supervisor or our Human Resources Specialist (hr@latinpcs.org).

Technology is rapidly changing and WLPCS intends to regularly revisit these Guidelines and update them as needed.

COMMUNICATION
The School believes that its students will best be served if the faculty, staff, and administration all work together openly, honestly, and with a spirit of cooperation. All members of the community are welcome and encouraged to share their thoughts and ideas with the School’s leadership team. Drawing upon the talents and backgrounds of all its constituents, the School seeks to be a place where respectful, thoughtful, and energetic communication is an institutional norm.

Written communication from the school needs to be clear, accurate, and grammatically correct. Faculty comments to parents at the end of the marking periods need to be carefully proofread and submitted on time. Emails to parents require the same standards, and employees are asked to respond to emails from parents within twenty-four (24) hours. Please read about Email Etiquette below for more details.

Email Etiquette
Etiquette is a voluntary bargain we make to live peacefully together....the legal system prevents us from killing each other. The etiquette system prevents us from driving each other crazy!

Judith Martin (“Miss Manners”)

As email is a nearly ubiquitous means of communication, the school developed an “email etiquette” for the purposes of using this helpful medium more thoughtfully. Although it can seem a rather fussy word hinting at a by-gone era of white gloves and dessert spoons, etiquette simply signifies an agreed-upon system of rules for the purpose of helping a community function with more consideration and ease.

“Netiquette” – like all etiquette – is not just common sense. As a system of agreed-upon rules, it needs to be articulated to that everyone knows what to do!

Clearly, community is an important aspect of Washington Latin, grounded in the classical belief that human flourishing is achieved in human society. The way that we communicate as we work together therefore is important and should reflect our mission and our understanding that “words matter.”

Basic Principles
The school clearly believes in the value of personal human interaction and that talking and listening in person to another human being extend a dignity and courtesy to him or her. For any type of substantive discussion, face-to-face communication is preferential to communication by voice (e.g.
phone) which is preferential to email. Email can be a helpful tool, but it does not take the place of human interaction in significant matters.

Although face-to-face encounters over areas of difference are never easy, do not use email as a way to avoid conflict or say something you would not otherwise say in person.

When an employee sends an email from a Washington Latin account, s/he is always acting in a professional capacity and representing the school. Remember that, once sent, an email becomes a permanent document.

**When Writing Emails to Parents**

Do not use email to deliver either bad or surprising news about a student! If conveying bad news, always invite the parent(s) in or call. Feel free, however, to drop parents a line with some good news (although parents love hearing a positive report delivered in person or by phone as well!)

Please respond to parents within twenty-four (24) hours (or the equivalent of one business day), even if just to say that you have read the note and are preparing a thoughtful reply.

**To:** Make sure that the email is addressed to the correct person or persons. Try to narrow this list down as specifically as you can, even to one person if possible, especially if you are asking for something for followup. Emails with multiple people in the “to” section can be confusing and allow people to avoid responsibility.

**Subject:** For external emails, subject lines should say Washington Latin or somehow designate that this is a school-related matter.

**Body:** We are still clinging to the belief that email is the legacy of the written letter, so it should reflect standard written English rather than spoken conventions! It should also always be proofread for grammar and typing errors.

The email should contain a salutation such as “Dear Mr. Jones,”

It should state clearly and succinctly the matter at hand. If the email needs to be multiple paragraphs long, perhaps this is better suited for a face-to-face discussion or meeting. If it contains especially sensitive material, perhaps a meeting is a better avenue for delivering this information as well.

*Of course, we all know that writing in all caps is the equivalent of shouting at someone. Try to avoid looking rather aggressive!* 

The email should end with a closing such as “Sincerely,” followed by your name and position.

**Forwarding:** Be very sensitive about forwarding emails, especially of a personal nature. Remember that the writer addressed the matter to you, not to someone else and may not want it forwarded.
On the other hand, if you are sending an email, remember that it can be forwarded, so be careful that you do not put anything down that you would be unwilling to be forwarded.

_Miss Manners says, “For email, the old postcard rule applies: Nobody else is supposed to read your postcards, but you’d be a fool if you wrote anything private on one.”_

**CC:** Only cc: people who have a direct interest in the matter. If someone needs to respond, he or she should not be cc’d but addressed in the “to” line. On the other hand, if you are cc’d on an email, consider carefully whether you should respond as the email is not addressed to you.

**Writing to Students:** An email sent to a student should be about matters related to your duties here. It should be from your Washington Latin account to the student’s Washington Latin account. **Students should be sent emails instead of texts for electronic communication.**

Do not accept emails from students that are not in proper format (Yo, are u giving homework tonite? – all in the subject line!) or that come from a non-Latin email address (sexyphillygirl129@gmail.com!). Making students write proper emails will prepare them for their next academic and professional steps!

**Writing to colleagues:** Although writing with colleagues may be somewhat more informal, you should still maintain a professional and collegial tone. Please answer colleagues’ emails as a sign of respect – **within 24 hours.**

Do not attempt to address significant or systemic issues on email, especially with multiple people. If you have a serious concern or issue with the school, schedule a conversation with an administrator.

**PHOTO TAKING/POSTING**
This is a summary of Washington Latin’s policies related to taking, posting, and otherwise sharing photos of students. It covers both legal issues, policy, and best practices or guidelines for faculty.

**LEGAL**
☑ A person does not need to give permission to be photographed. They do, however, have the right to control the distribution of the image.

☑ The news media is the exception; they do not need to have permission to print or post a person’s photo.

**POLICY FOR LATIN**
☑ Washington Latin requires all parents to indicate whether they give universal, limited, or no permission for the school to use their children’s images in school materials, including marketing/recruiting materials and communications (newsletter, website, social media, etc.)
With the online enrollment form, they must answer the photo permission question to enroll their child (full permission, permission only if you ask first, and never use the image).

- The keepers of school images include: the communications team (Kate, Cheryl, Dena, Yule) and yearbook team (Khashif). That is, while there may be others taking photographs, we hold these two image banks on behalf of the school for a range of purposes, including online and print communications.

**BEST PRACTICES**

- **Taking photos**
  - DO take photos of students to contribute to the school's image banks: Faculty are encouraged to take photos of their school activities and share them with either communications or yearbook teams. This includes in class, field trips, extra-curricular activities, etc. These teams can then incorporate them into official Washington Latin communications, such as the school’s Facebook page, Twitter account, etc.
  - DO NOT take photos of students for the purpose of creating evidence of misbehavior or other problems.
  - ASK YOURSELF whether the photo you are taking could be shared in a positive way in any school communication. Is it positive? Does it illustrate something that we want to be known for (e.g., teamwork, friendships, academic rigor, etc.) Would you want yourself or your child photographed in the way you are taking the photo?

- **Saving, sharing photos**
  - The school will share photos of students as part of the communications strategy to reflect the nature of our work and our community. These images are selected to visually explain the school and to engage and appeal to the public.
  - Faculty should NOT save or share photos of individual or groups of students on their own personal communications tools and devices, including (but not limited to) computers, phones, social media profiles, etc.
  - If faculty are playing a role with alumni, they are encouraged to have a separate profile that is work-related.
  - Faculty who know students outside of school should also be cautious in sharing photos of current students (example: if a faculty member attends a place of worship with a student and his/her family). It is recommended that this be avoided, and any questions should be directed to Leadership.

If there are any questions, please contact the Director of Communication (Kate Cromwell) or the Head of School.

Please note that the aforementioned items related to photos also apply to video images.

**NOTICE TO STUDENTS, PARENTS AND STAFF REGARDING THE USE OF CAMERA SURVEILLANCE ON SCHOOL PROPERTY**
For the safety of our students, staff and visitors, the School employs camera surveillance equipment for security purposes. This equipment may or may not be monitored at any time. Surveillance cameras will generally be utilized only in public areas where there is no “reasonable expectation of privacy.” Public areas may include school buses; building entrances; hallways; parking lots; front offices where students, employees, and parents come and go; and, possibly the gym during public activities and the MPR. However, it is not possible for surveillance cameras to cover all public areas of the building or all school activities.

**Weapons**
The School believes it is important to establish a clear policy that addresses weapons in the workplace. Specifically, the School prohibits all persons, including employees, who enter the School property from carrying a handgun, firearm, knife, or other weapon of any kind regardless of whether the person is licensed to carry the weapon or not. The only exception to this weapons policy will be police officers and security guards or other persons who have been given written consent by the School to carry a weapon on School property.

When appropriate, in addition to any disciplinary actions that may be taken, violators of this policy may be referred to the appropriate police and legal authorities for prosecution.

**Conflicts of Interest**
You should avoid any situation that involves or may involve a conflict between your personal interest and the interests of Washington Latin and its students.

Employees dealing with students, parents, suppliers, contractors, competitors, or any person doing or seeking to do business with the School are to act in the best interests of the School and its students. You should make prompt and full disclosure in writing to your supervisor of any situation or potential situation that may involve a conflict of interest.

**Gifts to Employees**
You should not accept gifts whose value would create a conflict of interests (or the appearance of a conflict of interest) between yourself and the family or contractor seeking to give a gift. You should avoid any perception of a conflict of interest concerning current or future students at the School. If a parent, former student or friend of the School wishes to offer a gift to the School, you should direct them to the Development Office for information about gift procedures. If you receive a gift whose value is perceived to be more than $100, you must report that gift to the Director of Finance.

**Modifications to School Property**
To protect its investment in property and equipment, and to ensure that the School remains in compliance with all relevant safety codes, the School requires that you obtain permission from the Director of Operations or Head of School before you modify or attempt to modify School property. This includes installing or removing shelves, dividers, window treatments, or any other permanent or semi-permanent fixtures (other than posters, photos, and other ordinary framed decorations appropriate to the School environment).
SECTION IV: POLICIES CONCERNING THE WORKPLACE

Emergencies and Inclement Weather
In cases of inclement weather or other emergencies, the Head of School will determine the appropriate operating schedule for the day. A decision will be made as early as possible, but no later than 6:30 am. If a closure or delay is necessary, we will contact families and faculty via email and text through PowerSchool. We will not call families or faculty. Our operational status will also be posted on the latinpcs.org home page and parents' home page and social media (Facebook, Twitter). We will also share information with the local media, including TV news, radio, and online (Washington Post, WAMU, etc.)

If the School is to be closed for inclement weather or other emergencies, we may elect to conduct classes remotely. You will be informed of such via email. Note that in some instances, maintenance, custodial, and security staff may be expected to report to work even if the building is closed. If at any time you believe you cannot reach work safely because of the weather, you should contact your supervisor so the supervisor may make necessary arrangements. If you are expected at work and do not report to work, you will be required to use the paid time off days that are available to you.

Emergency Procedures
The School has procedures for responding to medical emergencies or other emergencies which may require evacuation of buildings, shelter-in-place or lock-down situations. These procedures exist to protect the safety of employees, students, and other persons on school premises, to preserve order, and to ensure prompt rescue and medical treatment as needed. These procedures are tested in compliance with the law. Unless otherwise instructed, you should regard any activation of these procedures as an actual emergency, not as a drill. You should be certain that you are familiar with the emergency procedures and that you discuss them with your supervisor to determine your own responsibilities. If you have questions or concerns about the procedures or about your responsibilities under a procedure, you should contact your supervisor or the Head of School.

Directions for exit routes used in a building evacuation are posted in each classroom and all other school facilities. Teachers are responsible for instructing students what route they need to take to exit the buildings. When a room is empty, the doors should be closed. The rule of no talking by students during fire drills should be strictly enforced. Teachers should remain with their classes until students reach the assigned evacuation location.

Contagious Illnesses
Washington Latin recognizes your dedication to performing your duties and to assuring that the needs of the students are met. At the same time, however, it is important that you do not unintentionally jeopardize the health of the School community by spreading contagious illnesses to students or others. For that reason, if you contract a contagious illness, you should take necessary steps to avoid the spread of infection during its contagious period. You should stay home if you present any symptoms of contagious diseases, until you have returned to health or until you are cleared by a personal physician.
In addition, the School recommends the following healthy habits as outlined by the Center for Disease Control:

- Avoid close contact with people who are sick.
- Cover your coughs and sneezes.
- Avoid touching your eyes, nose and mouth.
- Wash your hands frequently, especially after coughing or sneezing and before eating.
- Practice other health habits such as getting enough sleep, managing stress, and drinking plenty of fluids.

Blood-borne Pathogens Exposure Control Plan
The School has developed a Blood-borne Pathogens Exposure Control Plan in accordance with federal health and safety regulations. This plan is designed to assist in maintaining a safe working environment. Please see the Director of Operations if you have any questions about the plan or would like a complete copy of it.

Employee Use of School Facilities
Campus facilities may be reserved by school departments, faculty, and staff for school business, and by recognized student organizations or sponsored non-school organizations for use that is consistent with the School’s missions and goals in education, culture, or community service. You are permitted to use the facilities for school purposes during school hours, provided that the time and space have been cleared with the Calendar and Facility Use Coordinator.

All non-school activities occurring on campus facilities, including private social gatherings, must be coordinated and approved through the Director of Operations. Activities cannot conflict with academic use. Events may be scheduled no earlier than two months in advance. The Director of Operations, in consultation with the Head of School and Business Office will set an appropriate facility rental fee.

Transporting Students

In a Private Vehicle Transporting students in a private vehicle carries substantial liability for the driver and the owner of the vehicle, since the owner’s insurance provides primary coverage. For this reason, you are discouraged from transporting students in your private vehicle.

In a School-Owned Vehicle If you request the use of a school vehicle, you must present a valid driver’s license to the Executive Assistant to the Director of Finance forty eight (48) hours in advance of the need for the vehicle. You must also be eligible for coverage by the School’s vehicle insurance. You may be asked to present a current driving record history. While using a school vehicle or while using a personal vehicle in the conduct of school business, you must obey all applicable traffic rules and laws, including laws prohibiting the use of cellular phones while driving.

SECTION IV: GENERAL CONDITIONS OF EMPLOYMENT
**Offer of Employment**
The issuance of all offers of employment – to administration, faculty, and staff members alike – is the prerogative of the Head of School. In the second semester of each year, the Head of School will, at his/her sole discretion, tender to returning faculty members new offer letters outlining duties, compensation, and benefits for the next employment period. The letter (or additional written correspondence) will stipulate a time within which the faculty or staff member may accept or decline the offer. A faculty member’s duties and/or teaching assignment may be altered during the school year at the Head of School’s discretion. The Head of School reserves the right, again at his/her sole discretion, not to invite an employee to return for the following year. All Washington Latin employees are considered *employees at-will.*

**Statement on Nondiscrimination**
The School provides equal employment opportunities on the basis of merit and without discrimination based on race, color, marital status, religion, gender, sexual orientation, age, national origin, veteran status, genetic information, citizenship, or physical or mental challenges which do not prevent performance of essential job tasks. For further information, see the sections of the handbook on “Standards of Conduct” and Appendix A.

**Form I-9 Compliance**
Every applicant must, prior to beginning employment, complete an I-9 form declaring that he or she is a citizen of the United States or is otherwise legally permitted to work in the United States. The applicant must provide proof of citizenship, lawful resident alien status or a work permit, as appropriate. If the employee, at any time, cannot verify the employee's right to work in the United States, Washington Latin will terminate the employee’s employment.

**Background Checks**
It is essential that the School create and maintain a safe environment for students, employees, and visitors. The School requires that all employees – whether full-time or part-time, permanent, or temporary – provide personal descriptive information to obtain criminal history record information periodically for the purpose of screening individuals who accept an offer of employment. The Head of School or the Head of School’s designee shall conduct checks into the criminal and sex offender history of every person offered employment at hiring and annually, and the offer will be contingent on a satisfactory completion of the background check.

**Compensation**
The Head of School or his/her designee, generally the employee’s supervisor, will review the performance of every employee annually. Adjustments to compensation are determined by the Head of School and will be communicated to the employee in writing before the new employment period begins.

**Wage Assignments (Garnishments)**
The School will notify any employee of any garnishments of or court-ordered deductions from the employee’s compensation.
Error in Pay/Time Corrections
If an employee believes an error has been made, either in favor of the School or the employee, the employee shall inform the Business Office immediately so the School can remedy the mistake. The School shall have the right to collect any overpayments made to an employee.

Employee Attendance and Punctuality
Supervisors are responsible for monitoring employee attendance and notifying the Business Office when an employee is close to exhausting the allotment of personal time off. Attendance and punctuality are important. Habitual tardiness or absenteeism may result in discipline including, but not limited to, written warnings, pro-rated docking of pay and/or termination.

Return of School Property
All School property that an employee has, including, but not limited to, office supplies, curriculum materials, computer equipment, mobile phones, keys, fobs, and parking passes shall be returned to the School on the employee’s last day of employment. In addition, materials of any kind purchased with School funds are School property and shall be returned to the School on the last day of the employee’s employment. Employees shall be responsible for any lost or damaged items. With respect to the materials and items that the employee is to deliver to the School on the last day of employment, the School reserves the right to require the employee to deliver such items and materials prior to the last day of employment. For School property that an employee has not returned by the last day of employment, the employee will be responsible for compensating the School for the value of the School property.

Expense Reimbursement
Employees will be reimbursed for expenses paid by them directly related to the execution of their duties. Employees must seek prior approval for such reimbursements and must not assume ahead of time that a reimbursement request will be accepted automatically. All requests for reimbursements for purchases intended for use in academic instruction must be approved in advance by a budget manager of department director. All other requests, including professional development expenses, must be approved by the employee’s supervisor. Employees must complete the appropriate voucher form and attach all receipts and should be submitted to the business office within 90 days. Note that if an expense reimbursement is submitted after 90 days of the purchase, the school may not be able to issue a reimbursement.

Holidays
All full-time employees have paid holidays when the school is closed over the Thanksgiving, Winter and Spring breaks. Office staff may, however, be asked to cover up to two days, if needed, during the Winter and Spring vacations and receive compensation time during the regular school year. In addition to these breaks, the School observes holidays including but not limited to Indigenous Peoples Day (formerly Columbus Day), Labor Day, Memorial Day, Martin Luther King, Jr. Day, Juneteenth, and others indicated in the School calendar posted on the School’s website.
For all such School breaks and holidays, all regular, non-exempt full-time employees in good standing will receive holiday pay of their normally scheduled workday at their regular rate. An employee will not be entitled to holiday pay if the employee is on a leave of absence when the holiday occurs.

The School recognizes that there may be religious holidays that employees would like to observe which are not part of the holiday/break calendar of the School. Employees may take up to three (3) paid days annually for personal holidays. Personal holiday must be scheduled at least five (5) days in advance with the employee's supervisor.

**PAID TIME OFF (PTO)**

Employees are expected to be present on each regularly scheduled workday during the academic year. The School recognizes, however, that illness or the need to attend to pressing personal matters may prevent an employee from being in School. The School, therefore, provides PTO for all instructional and non-instructional staff. All PTO requests must be approved at least one week in advance by the supervisor, except for emergencies. Only in unusual and pressing situations would PTO days be granted directly before or after a scheduled school vacation. Instructional staff members (employees who teach) are expected to take time off only during the vacation times indicated on the academic calendar. Instructional staff taking time off on class days disrupt the education of students and cause a strain on the school. Instructional staff have ample vacation days during scheduled school vacations which include the holiday break at the end of the calendar year, a spring break in March or April, and a summer vacation following the completion of all job responsibilities in June.

Ten-month employees are granted eight (8) PTO days. Eleven-month employees are granted eleven (11) PTO days. Twelve-month employees are granted twenty (20) PTO days. For other contract length arrangements, the Letter of Employment will specify the exact number of PTO days granted.

**Leave Tracking System**

*Instructional staff members* must submit PTO requests, including requests for religious observance days, using the electronic “Coverage Request Form” located in “THE FOR(U)M”. PTO requests over two (2) days must be emailed to the Principal for approval as well. The Substitute Manager will send a confirmation email to the employee once the request is approved, with a copy to the employee's supervisor, and to Human Resources for tracking purposes. (See below for an exception to this policy during remote learning.)

For an anticipated absence, the teacher is responsible for giving lesson plans to the substitute teacher before the absence. Teachers who are absent are expected to work closely with the Substitute Manager to ensure that there are appropriate materials and easy-to-follow plans insofar as is possible. Teachers need to be sure their sub will also be covering non-classroom duties, such as supervision at breaks or lunch. Teachers are discouraged from taking personal days immediately before and after holidays or vacations and are required to obtain prior approval from their supervisor to take personal days during these time periods.
For emergency PTO requests, the Substitute Manager will notify Human Resources for PTO tracking purposes.

Note that if a teacher will only be absent for one or two periods in a school day, colleagues may be asked to assist with this coverage.

Administrative staff members (twelve-month or eleven-month employees) must email PTO requests, including religious observance days, to the employee’s supervisor and to Human Resources (hr@latinpcs.org). The employee’s supervisor will send a confirmation email to the employee once the request is approved, with a copy of the email to Human Resources for tracking purposes.

For emergency PTO requests, the supervisor will notify Human Resources for PTO tracking purposes.

NOTE: Administrative staff members who teach a class must submit the PTO request using the electronic “Coverage Request Form”, located in “THE FOR(U)M, then it goes to the Substitute Manager to obtain coverage for instructional time.

If an employee goes over the granted days stated in the Letter of Employment, the additional days taken will be deducted from the employee’s paycheck. Paid personal/sick days must be used in the school year that they are earned. Any paid personal/sick days that are not used by the end of the school year will not carry over to the following school year.

Family and Medical Leave
In accordance with the Family and Medical Leave Act of 1993 and the District of Columbia FMLA (“FMLA”), any employee who has completed one year of continuous service is eligible to take sixteen (16) weeks of family leave and sixteen (16) weeks of medical leave within a twenty-four (24) month period. Eligible employees may take up to twenty-six (26) weeks of military caregiver leave to care for a covered service member with a serious injury or illness during a twelve (12) months period.

Employees may take medical or family leave for the following reasons:

- Birth of the employee's son or daughter (employee may take leave anytime within 12 months of birth);
- Placement of a son or daughter with the employee for adoption or foster care (employee may take leave anytime within 12 months of placement);
- To care for his or her spouse, son or daughter, or parent with a serious health condition;
- The employee's own serious health condition which renders the employee unable to perform the functions of his or her position; or
- For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or call to covered active duty status.

As a matter of school policy, for any twelve-month (12-month) period as determined for purposes of
FMLA, during the first five (5) weeks of FMLA leave (or the equivalent of two pay periods), the School will pay the employee the employee’s regular compensation. Any holidays, school breaks or other days for which the School would otherwise pay the employee that occur during those four weeks shall be counted towards the four weeks. For example, if the four weeks included a legal holiday such as summer vacation, summer vacation would count towards the four (4) weeks.

While on FMLA leave, employees will continue to be enrolled in the School’s health insurance plan and the School will pay 100% of the monthly health insurance premium up to 16 weeks of FMLA in a 12-month period. Thereafter the employee will continue to be responsible for paying the same portion of the monthly health insurance premiums as the employee when on FMLA leave. Failure to pay the employee portion of the health insurance premium may result in cancellation of the employee from the health insurance plan.

Employees with a long-term disability may be eligible for extended unpaid leave of up to twelve (12) months, subject to a funding availability and the approval of the Head of School.

**DC Paid Family Leave Policy**

Pursuant to the Universal Paid Leave Amendment Act of 2016 (“Paid Leave Act”), beginning July 1, 2019, Washington Latin will be required to contribute an amount equal to 0.62% of the wages of each of its covered employees to the Universal Paid Leave Implementation Fund. Contributions will be collected electronically by payroll tax from the Department of Employment Services (DOES), Office of Paid Family Leave (OPFL), on a quarterly basis.

On July 1, 2020, employees will be able to apply to OPFL for paid family leave. A covered employee is any <school name> worker who spends more than 50% of his or her work time for <school name> working in the District of Columbia; or whose employment for <school name> is based in the District and who regularly spends a substantial amount of his or her work time for <school name> in the District and not more than 50% of his or her work time for <school name> in another jurisdiction. A covered employee may include part-time employees, temporary workers, and seasonal employees. The duration of benefits provided by the Paid Leave Act allows for 8 weeks of parental leave, 6 weeks of family leave, and 2 weeks of medical leave for every 52 weeks worked. The weekly maximum benefit amount is $1,000 and is funded solely by employer contributions. DOES will determine an employee’s entitlement to paid leave under the Paid Leave Act. WLPCS will not interfere with, restrain, or deny any employee the right to seek benefits under the Paid Leave Act. For more information regarding Paid Family Leave, you should visit does.dc.gov. A copy of the DC Paid Family Leave notice can be found in the Appendix of this handbook. Contact hr@latinpcs.org for more information.

**Bereavement Leave**

An employee will be allowed up to three days of paid leave in the event of a death in his or her immediate family. The term “immediate family” shall be construed to mean spouse, domestic partner or other person with whom the employee regularly cohabits, child, stepchild, father, stepfather, father-in-law, mother, stepmother, mother-in-law, sister, stepsister, sister-in-law, brother, stepbrother,
brother-in-law, son-in-law, daughter-in-law, grandparent, grandchild or some other close relative of the employee.

**Jury Duty**
All employees will be granted paid leave when summoned for jury duty. Any employee required to serve on jury duty must notify his or her supervisor as soon as he or she is summoned. Employees will submit proof of jury service to the business office for inclusion in payroll records.

**Military Leave**
The School will follow all federal and District laws regarding the compensation and employment status of any employee who is called into the service of the armed forces of the United States.

**Employment Classification**
Administrators, teachers and staff members working at least thirty (30) hours per week on a permanent basis are considered *regular full-time* employees and receive their salaries over the course of twelve (12) months (twenty-four pay periods ending on the 15th and on the last day of each month). All regular full-time employees qualify for all employee benefits.

Employees working fewer than thirty (30) hours per week are classified as *regular part-time* employees. Regular part-time employees who work more than thirty hours per week are considered *qualifying part-time employees*. Qualifying part-time employees are eligible for healthcare benefits. For all other regular part-time employees, the Letter of Employment will specify any eligible benefits. Temporary employees, those employed for six months or fewer, are *part-time* employees and are not eligible for benefits. Substitute teachers and tutors are considered part-time employees.

**BENEFITS**
Washington Latin prides itself on providing competitive benefits. Eligible employees receive a benefits information packet and may elect to enroll in various group plans. Any questions about benefits should be directed to the Director of Finance, HR specialist or the Head of School. The terms, conditions and eligibility requirements for benefits are set forth in letters of employment or within the plan documents available in the Business Office. At all times, if there is a discrepancy between plan documents and summary of benefits in this employee handbook, the plan documents shall govern. You are responsible for making contributions towards the required premium.

Washington Latin reserves the right to determine eligibility, interpret, suspend, modify or amend any benefit at any time and subject to any applicable law

**Health, dental & vision coverage**
Washington Latin will pay 75% of the base plan premium for the employee and dependents. Health premium increases paid by employees will be capped at 7.5%.

Lunch
Washington Latin PCS makes lunch available to all employees every school day at no charge

Paid Leave
During the first four weeks of leave, Washington Latin will pay regular compensation to the employee. While on FMLA leave, employees will continue to be enrolled in the School's health insurance plan and the School will pay 100% of the monthly health insurance premium up to 16 weeks

• Tuition Assistance
Washington Latin PCS makes available an education assistance program to employees that meet the requirements.

Self-Directed Professional Growth
In addition to professional development opportunities prescribed and/or approved for staff during the school year, Washington Latin offers full-time teachers, deans and counselors, the opportunity to design self-directed personal or professional growth experiences for the spring or summer break. These experiences are approved by a committee.

Many of the benefits described in this handbook, including insurance benefits, retirement plans, etc., are also the subject of detailed written plans and policies which are available for employees’ review upon request. If a question arises about the nature and extent of plan benefits or if there is conflicting language in the benefit plan documents and this handbook, the formal language of the benefit plan documents govern. The information in this handbook about plan benefits is intended only for general information purposes.
PROFESSIONAL DEVELOPMENT AND EVALUATION

Professional Development
The School is committed to providing ongoing professional development workshops and opportunities for faculty. Programs focus on what constitutes excellent teaching. The Principal will plan meetings and workshops that speak to this issue.

Performance Evaluations
The purpose of a performance evaluation is to provide an individual with the support needed for personal and professional growth and to assure institutional excellence. The evaluation process should be valuable for both faculty and administration, allowing for open and honest communication about goals, performance, and expectations.

Each member of the faculty will be observed by a member of the administration and evaluated according to published criteria. Faculty evaluations will include a review of classroom teaching, grading, commitment to all students’ progress, extracurricular duties, professionalism, and commitment to professional growth. An administrator will meet with each faculty member to review his or her progress before letters of employment are issued. Faculty will have the opportunity to respond to the written evaluation should they wish to do so.

Non-faculty staff and administrators will undergo a yearly evaluation by the immediate supervisor. The evaluation will describe the employee’s success in performing the tasks articulated in his/her job description. The staff member will be invited to respond to the evaluation in writing and in a debriefing conversation with the supervisor. The goal of this process is to identify areas of strength and opportunities for improvement. The written evaluation and response, if there is one, will become part of the employee’s personnel file. Poor performance or serious concerns will be included in the performance evaluation.

Tuition Assistance
While the School has a limited budget for professional development, we do support coursework toward a degree to the best of our ability. Full-time employees of Washington Latin are eligible for educational assistance in accordance with this policy upon completion of six (6) months of continuous employment prior to the time of course enrollment and provided that the employee is enrolled in courses which are part of a degree program subject to the School’s staffing requirements, school calendar, and budget capacity at the School’s sole discretion.

Washington Latin offers assistance to employees for tuition, including required course fees, with a maximum benefit of $1,500 per year for undergraduate studies and $2,500 per year for graduate and post-graduate studies subject to the previous paragraph. In all course-work financially supported by Washington Latin, a passing grade must be earned. Payments for tuition assistance may be made to the institution or reimbursed to the employee directly, provided appropriate documentation is submitted.
Employees who receive financial assistance for course-work must provide documentation of having passed the course within 90 days of finishing classes. Failure to satisfy the minimum passing grade will result in reimbursement of monies to the School for the applicable course(s). Each year the Head of School will allot a specific amount in the school's budget to fund this policy. To ensure that all employees have equal access to opportunities under the policy, the school will disburse funding on a first come-first serve basis.

**Tuition Assistance Requirements**
An Employee interested in participating in this education assistance program must complete the [Request for Employee Tuition Assistance Form](#) prior to the commencement of any coursework. An employee seeking tuition assistance should provide the School with a college/university invoice or statement indicating fees charged and the amount paid. The invoice must contain the institution's name and address. Copies of canceled checks and credit card receipts will not be accepted.

The Principal must approve the request. Payments may be made to the institution or reimbursed to the employee.

**Application Process**
The employee should complete the Request for Assistance Reimbursement Form 30 days prior to each course the employee wants to take in conjunction with this program. The Principal must approve the request form. When completed, the Request for Tuition Reimbursement Form is submitted to the Head of the School for review, approval and processing.

**Compliance Process**
Upon completion of the course, the employee must submit, within 90 days, legible copies of the institution grade card/report indicating the employee's name, term, course name(s) and grade(s) for the term. These records will be kept in the employee's personnel file.

**DAILY OPERATIONS**

**Hours**
The workday for all full-time faculty members begins 30 minutes before the start of school and ends 30 minutes after dismissal, except when coaching or advising necessitates a later departure time or upon the request of the School. Faculty members are expected to be present in their homerooms promptly to ensure adequate student supervision.

During the workday, faculty members are expected to be accessible in the building, except when taking students out of the building for class work. When an appointment necessitates leaving school early or stepping out in the middle of the day, faculty should address their request with their school director. As a courtesy, when leaving the building, they should also inform the receptionist. A staff member's working hours are determined by his or her supervisor.
Safety
All adults in the community – faculty, staff and administration – are obligated at all times to make the safety and well-being of the students their first priority. Employees must know fire drill procedures and evacuation routes, medical procedures, and other emergency protocols. Anyone who observes an unsafe situation must report it to a senior administrator immediately. Please refer to our Emergency Response Plan for more details on specific emergencies, drills, and roles and responsibilities.

Discipline
Washington Latin maintains high standards of conduct for all students. Faculty members are obligated to enforce rules and respond to violations they may witness both during the school day and at school-sponsored events. See the Family Handbook for disciplinary policies and procedures.

Faculty Meetings
Division or full faculty and staff meetings are generally held on Tuesday afternoons. Attendance is required unless specified otherwise. Employees are asked to avoid scheduling appointments or other commitments on Tuesday afternoons.

Workload
Generally, the normal course load for a faculty member is five courses plus serving as a homeroom teacher or advisor. Some English teachers, however, teach only four sections. Teachers who have only four classes are asked to take on additional responsibilities such as coaching or covering study hall. The Principal approves faculty course assignments.

All faculty members also serve on regular and ad hoc committees. They are expected to attend all faculty meetings and student assemblies. They shall complete all reports and meet all other such obligations, including attendance at the final faculty meeting, prior to departure for the summer. All faculty members may be assigned additional non-teaching duties including, but not limited to, chaperoning school events, covering lunch duty, detention, and tutorial periods.

Student Attendance
The School is required by law to maintain attendance records for all students. Student absences due to illness or personal matters are reported to the Assistant to the Principal. The Registrar will compile a list of any absences for the day, post the list via email, and make an additional copy to be used in the event of a School evacuation. Instructors should record all absences in their classes each day and send the names to the Registrar if a student is not already on the absence list.

Chaperoning Responsibilities
Because the School has an obligation to provide adequate adult supervision for student activities and social events – sometimes outside of the normal school day – all faculty members are expected to chaperone school activities and events from time to time. The Assistant Principal/Student Life shall have responsibility for securing adequate adult supervision for School events and may require faculty to rotate for chaperoning duty. Chaperones for a given activity are expected to:
☑ Ensure, within his or her ability, the personal welfare of everyone present at the activity;
☑ Enforce the rules of the school;
☑ Ensure that only Washington Latin students and their guests are admitted; and
☑ Ensure, to the best of his or her ability, the success of the activity and exercise a positive influence on the tone of the activity.

Each chaperone will be provided with information and instructions pertaining to the event and his or her duties.

**ADVISING**
Each student has an advisor (homeroom teacher) who is responsible for overseeing the academic and social wellbeing of the students in that homeroom or advisory. Advisors serve as advocates for these students and are often the primary liaison with parents. Responsibilities include:

☑ Calling parents at the start of the school year to establish contact and invite communication
☑ Informing or involving other School personnel on issues pertaining to the student or the student’s parents or the need for additional academic and/or emotional support
☑ Reviewing grade reports and comments for all advisees and homeroom students and keeping backup copies of grades, comments, notes on conferences with parents, and schedules
☑ Meeting with parents to discuss student performance in all academic and extracurricular activities.

At the beginning of each year and before the first day of classes, advisors meet one-on-one with the parents/guardians of each of the students in their advisory.

**COMMUNICATING WITH PARENTS OR STUDENTS**
Faculty members are expected to return all parent inquiries in a prompt, helpful, and polite manner. All emails should be responded to within twenty-four (24) hours of receipt, excluding weekends. For their protection, faculty are discouraged from giving out home or cell phone numbers. If teachers choose to communicate with students through social media, they should have a designated account for this communication and not use their personal accounts.

**Parent/Teacher Conferences**
Besides advisory conferences, parent-teacher conferences are scheduled in the fall of each year. Conferences are also scheduled for students whose grades at certain points in a marking period are D’s or F’s. Parent requests for other conferences with teachers should be coordinated through the advisor, the Division Director, or the Principal.

**PROCEDURE FOR FILING A FORMAL FACULTY OR STAFF COMPLAINT**
While all Washington Latin employees strive to work in a collegial and forthright manner with each other, there may be occasions when issues or concerns arise for which resolution is needed. In such cases the Washington Latin employee shall follow the procedure described below for addressing those concerns.
1. Speak directly to the party or parties in question. The employee may ask another employee to join him/her in a discussion with the other party.
2. If this step does not successfully address the issue, the employee should bring the concern to his/her immediate supervisor.
3. If the concern cannot be resolved with the help of one’s supervisor, the employee and the supervisor will write a letter to the Principal, which outlines the issue(s) and provides background about steps taken thus far. The Principal will then meet with the parties, accompanied by their respective supervisors, in an effort to resolve the conflict. Minutes of that meeting will be kept and distributed to the affected parties and their supervisors.
4. Should step 3 not result in satisfactory resolution of the concern, the employee may appeal in writing to the Head of School. The appeal should clearly summarize the issues of concern and the minutes from the meeting with the Principal should be included. The Head of School shall then establish an Assessment Meeting. The format and attendees of that Assessment Meeting shall be determined by the Head of School. The Head of School will be the final arbiter of the issue and no further appeal shall be available. The concerned employee and attendees shall receive written notice of the Head of School’s decision after the Assessment Meeting in a timely manner.

Each step in the above process is established to permit each employee to openly share concerns in a cooperative environment while attempting to resolve conflicts in as comfortable and speedy a manner as possible.
COVID-19 EMPLOYEE HANDBOOK ADDENDUM

Policies and Procedures Under COVID-19 Conditions

The new school year (2020-2021) will begin with the city and country still in the throes of the COVID-19 pandemic. Amid this crisis, we ask staff for grace, patience, insights, and questions. We do not know the trajectory of this pandemic. What we do know, as we proceed, plans will need to be adjusted, timelines may be altered, decisions may change, and we will all need to be flexible and lead with courage and strength. We will continue to make decisions and navigate our new normal through the lens of our guiding principles:

Safety
First and foremost, Washington Latin prioritizes the health and well-being of the students and staff. Members of a school community stand in a social relationship, and this relationship requires them to think and act in ways that embody a certain form of mutual concern. Thinking of each other’s needs is reflective of the school’s commitment to the common good.

Quality
Besides rigorous instruction, an excellent educational program helps to develop values and pursue ideals. Washington Latin is committed to excellence in all domains as a norm.

Equity
Washington Latin will do all possible to meet the needs of all. What is best may not always be the same for all.

Clarity
Washington Latin values trust and transparency. As such, the school is committed to making expectations clear, and to communicating openly and often with staff, students, and their families.

Flexibility
Change is the constant. The school must be quick to learn and just as quick to adapt.

For more details about Washington Latin’s operations expectations, instructional delivery, and best practices during the pandemic, please refer to the school’s Continuous Education and School Recovery Plan, published on the OSSE website.
Phases of School Operation Under COVID-19

Phase 1
- August 27th to October 1st
- On or before Oct. 1st, school will determine whether to transition to Phase 2
- Virtual learning (all students at home)
- Student and parent orientations in August (beginning Week of August 10th)

Phase 2
- Sometime after October 1st
- Hybrid model of in-person and virtual instruction
- Based on health conditions and updated guidance from the city

Phase 3
- Dates TBD
- Mostly in-person instruction with some remote learning (family/staff member choice)
- Based on health conditions and updated guidance from the city

Safety Strategies
1. **Face Coverings** | All adults, students, and children age two and older must wear a face covering (mask or cloth covering) on Washington Latin's campus.
2. **Social Distancing** | Classrooms, hallways, lobbies, offices, buses, etc. will be reconfigured as best as possible to accommodate social distancing.
3. **Schoolwide Hygiene** | All adults and students must use hand sanitizer before entering a Latin classroom, office, and/or any other space. Additionally, students and staff will have specific times throughout the day to wash their hands with soap and water.
4. **Wellness Checks** | All adults and students must complete a wellness app, which includes temperature checks, before entering the school building. Student and adult wellness will be monitored while on campus.
5. **Cleaning and Disinfecting** | All spaces will be cleaned daily/nightly with high-touch/high-traffic areas being disinfected with greater frequency. Thorough (deeper) cleaning will take place once a week.
6. **Rapid Response Protocols** | If an adult or student is feeling sick, they are asked to stay home. Staff or students who get sick while on campus will be isolated and sent home as soon as possible.

Face Covering Protocols
- Face coverings need to cover one’s mouth and nose.
- Students and staff are required to wear a face covering while on the Latin campus and on a Latin bus.
- Students and staff need to wear a face covering throughout the day with few exceptions, which include:
While eating and drinking

When a medical waiver is provided for anyone who has trouble breathing (waiver must be signed by a doctor or nurse practitioner)

During recess when it is outside and social distancing can be enforced (this decision is subject to change)

Anyone who is in respiratory distress or is unconscious

Anyone who is incapacitated or otherwise unable to remove the face covering without assistance (this could include students who receive special education services)

☑ All Latin staff and students can receive a reusable mask if needed:
  - Staff can receive up to three reusable masks from the school

☑ A face shield will also be made available to any teacher or school staff member who requests one. Because shields are not as effective as masks, which fully cover one’s mouth and nose, face shields should be worn by teachers only during times when students need to see the teacher’s full face and mouth for the lesson. Once the lesson is done, the face covering/mask must be put back on.

☑ Disposable masks will be available for students, staff, parents/guardians, and visitors who forget to bring their face covering. These masks will be available at the reception area, the nurse’s station and, by request, from the Director of Operations.

Social Distancing/Use of Space

The goal of social distancing is to limit close face-to-face contact with others by keeping adults and students at least six feet apart when possible. Social distancing spaces include any interior or exterior space that students and/or adults utilize throughout the school day (i.e., classrooms, buses, offices, recess spaces, parking lots, etc.). The rule of thumb is to keep people at least two arm’s lengths apart. There will be situations which do not allow for social distancing. When this occurs, we must be even more vigilant that the other safety protocols are being followed.

The school will take the following measures in its use of space:

☑ Maximize spacing of occupants in each space with a minimum of six feet distance between desks.

☑ Limit occupants in any space based on the “Phase” per the DC Health requirement.
  - **Phase 1** - 10 individuals. Given that Latin will be 100% in remote learning mode during Phase 1, it is unlikely that 10 individuals will be in the same space. However, if there are 10 faculty members on campus, or if a faculty member conducts a small group tutorial on campus during Phase 1, no more than 10 individuals will be in a given space.
  - **Phase 2** - 12 individuals plus one additional staff (13 total individuals) briefly added to the class as necessary to support individual student needs.
  - **Phase 3**: Not provided at time of publication

☑ If Latin reopen for in-person instruction while DC is in Phase 2, the following protocols will be in place:
  - Students will have assigned seats throughout the day. They will face the same direction (rather than facing each other) to reduce transmission from virus-containing droplets
(e.g., from talking, coughing, sneezing). Although Latin’s classrooms are big enough to accommodate this seating arrangement, the school will also explore the option of sneeze guards and other plastic barriers in classrooms, labs, and the library:

- Individual desks will all be turned to face the same direction and students will be separated to maintain six feet distance.
- No more than three students will be assigned a table designed for six, and no more than two at tables designed for four. If sitting across from one another, students will maintain a six-foot distance.
- Computer stations will be separated by plastic screens.

- The use of communal spaces (such as the multi-purpose room, faculty room or library) will be staggered to provide time for cleaning and disinfecting between use. Six feet of distancing will always be maintained within those spaces. The day porter will provide enhanced cleaning on frequently touched surfaces of shared equipment such as refrigerators, photocopiers, microwaves, etc.

- Some of these communal spaces may be closed and accessible only to a select handful of administrative personnel.
  - E.g., The indoor faculty room will be closed for use for prolonged use (such as teacher breaks or prep between instructional periods). An external faculty work area will be set up with access to WiFi and electricity in an outdoor courtyard area with tenting.

- Physical education classes will be held outside, weather permitting, and students will maintain proper distancing using visual cues (e.g., mark the ground where students should stand). No interactive activities will be permitted (e.g. basketball, football, soccer)

- Nets will be removed from the outdoor basketball courts.

- Physical barriers, such as plastic flexible screens, will be installed between bathroom sinks and urinals, if applicable.

- Plastic screens will be used in the reception area and at the security desk.

- A designated area, with its own ventilation, will be available for any student or staff who exhibit symptoms, such as a fever or a cough, until the individual can be safely removed from the facility. This area will be separate from the area used for routine healthcare. Students and/or staff will be able to access this area without walking through highly trafficked areas.

**Schoolwide Hygiene**

Hand washing with soap and water and hand sanitizing with alcohol-based hand sanitizer is a simple, but effective, part of the overall safety plan. Hand sanitizer will be located throughout the building including in all classrooms, building entrances and common spaces, like the MPR. Every adult and student must sanitize their hands when entering a new room or space

The protocols and procedures that follow are designed to promote schoolwide hygiene:

- Staff and students should cover coughs and sneezes with the inside or an elbow or upper arm. Alternatively, they may use a tissue. Used tissues must be thrown in the trash and hands washed immediately with soap and water for at least 20 seconds.
We will install no-touch fixtures where possible.
Drinking fountains will not be used other than to refill individual bottles.
Regular hand sanitizing will be enforced:
  - The school will ensure that handwashing strategies includes washing with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing noses, coughing, or sneezing. If soap and water are not available and hands are not visibly dirty, each room and various common areas are outfitted with alcohol-based hand sanitizers that may be used.
  - Hand cleaning supplies will be readily available in classrooms, bathrooms, and offices.
  - Sanitizing stations will be set up throughout the building, including outside of large common spaces such as the gymnasium, multi-purpose room, outdoor spaces, and entrances/exits.
  - Students and staff must wash or sanitize their hands when both entering and exiting a classroom or between activities.
  - The school will enforce a “you touch it, you take it” policy in classrooms and the lunchroom.

Wellness Checks
In order to ensure the safety of the community, the school will require certain steps to be taken before entry to the school building and while on campus.

Traveling to school
Students, families, and staff members must be aware of safety considerations during their travel to and from school, including using public transportation, individual cars, shared cars, and school-provided transportation services.

Students, families, and staff who walk to school should wear masks and practice measures for minimizing exposure on their commute with the following tactics where possible:
  - Maintain six feet of distance between others on the sidewalk as much as possible avoiding most congested routes if an alternative route is reasonable and safe.
  - Stand back from gathering points such as intersections, where reasonable and safe, to avoid congregating in large groups.
  - Avoid touching unnecessary surfaces and objects.
  - When surfaces and objects are touched, such as crosswalk buttons, use hand sanitizer with at least the recommended percent alcohol.

Students, families, and staff who rely on public transportation to get to school should wear masks and take proactive measures for minimizing exposure on their commute with the following tactics where possible:
  - Maintain six feet of distance between others on the sidewalk and train platforms avoiding most congested routes if reasonable and safe.
  - Stand back from gathering points such as intersections to avoid congregating in large groups.
  - Familiarize and stay current with transit system procedures for safety of passengers.
- Avoid touching unnecessary surfaces and objects.
- When surfaces and objects are touched use hand sanitizer with at least the recommended percent alcohol.
- Use hand sanitizer after leaving the transit system.
- For the remaining distance, students and staff should follow the above regarding walking to school.

☑ Students, families, and staff who are dropped off at school or who drive will be instructed to wear masks upon exiting the vehicle and to take proactive measures for minimizing exposure on their commute with the following tactics where possible:
  - Maintain six feet of distance between others on the sidewalk as they walk up to the school building.
  - Use hand sanitizer with recommended percent alcohol after leaving the vehicle.

☑ For transport vehicles (e.g., buses or vans) that are used by the school, drivers and riders will practice all safety actions and protocols as indicated for other staff. Drivers will complete the same health self-check as employees. All vehicle occupants will wear masks and use hand sanitizer upon entry and exit of vehicles. Seating will be restricted. Vehicles will be disinfected after each trip.

**Entering and Exiting School Building**
All students, families, and staff will be provided instructions for entering and exiting the school.

☑ Washington Latin will stagger arrival and dismissal times to reduce peak student traffic in and out and use multiple entry points in the morning to minimize crowding and back-ups.
☑ There will be health screening at each entry point.
☑ Designated school personnel will ensure safety and security of all entry and exit points used.
☑ School will assign entry and exit points to students by their group that are close to their first and last location of the day. Each grade level will be assigned its own entry and exit doors that are closest to the pods where those grade levels will be learning.
☑ The school will indicate direction for entry and six-foot separation standing spots and post procedures for health screening at checkpoints.

**Wellness App**
Washington Latin has developed a wellness app. Students and staff members are required to use this each day before entering the building. Users must answer a series of questions, including a reporting of their temperatures. Users who are displaying symptoms of COVID-19 or who have been in contact with others with confirmed diagnoses will be required to follow quarantine protocols.
Protocols for using the Wellness App:

1. Open the Wellness App email sent to your work email address.
2. Open a browser and go to https://latinpcs.glideapp.io. We recommend either downloading this to your phone or saving it as bookmark in your computer browser for easy access.
   a. To download to iPhone: when you first click on the URL select on the iPhone Share icon (the center icon at the bottom of the browser) and scroll down to “Add to Home Screen”.
   b. To download to Android phone: a window opens when you first click the URL, which asks you to “Add to Home Screen”. Click “Add”.
   c. To bookmark it on a computer: follow instructions upon first visiting the site. Double-check that your browser allows you to save passwords. If you have private browsing on or the highest privacy browser selections, then you will have to enter a code each time.
3. Enter your latinpcs.org email address and a unique 5-digit code will be sent to your email.
4. If you wish to change your language preference in the app, select the menu icon in the top left and select “Settings/Configuración”. Choose Spanish or English.

5. To enter your daily information, click on the home icon at the bottom left and select “Enter My Data”. Fill out the questions, and click on “Submit” and the black X icon at the bottom (which means incomplete) will change to either a green check mark (able to enter the building) or red hand icon (unable to enter the building).
6. Once you have completed the questions, your status for the day can be seen in the “Status” window and a confirmation email will be sent. The “Log” window will contain a limited number of entries and older entries will be removed from the App to make space for new entries.
7. Health Checkers will screen all students and staff entering the building and make sure no one has developed symptoms while commuting. At their discretion, Health Checkers may take your temperature. If a staff member has developed a fever or other symptoms during their commute, staff will be asked to return home.

8. If a situation arises such that the Nurse (Ms. Stephanie Williams) or COVID Point of Contact (Ms. Martita Fleming) requires staff to quarantine at home for a period of time, the message will appear at the top of the Health Check questions section.

   a. Please continue daily Health Checks while in quarantine

Upon arrival at the school building and before being granted entry, all students and staff will be rescreened for temperature using non-contact thermometers. During temperature checks, use of barriers or personal protective equipment (PPE) will be used as much as possible to help to eliminate or minimize exposures due to close contact with a person who has symptoms.

**Exclusion or Dismissal from On-site Learning**

The School will adhere to the following exclusion and dismissal criteria:

**Exclusion Criteria:**

Students and staff must stay home, or not be admitted if:

- The student or staff member has had a temperature of 100.4 degrees or higher,
- Any member of their household is confirmed to have COVID-19, or
- Any member of their household is awaiting COVID-19 test results.

*If a student or staff member reports any of the above symptoms or exposure, or is confirmed to have COVID-19, the student or staff member must not return to school until:*

- 72 hours **after** the fever has resolved without the use of fever-reducing medication (e.g. Motrin, Tylenol) and respiratory symptoms have improved; AND
- At least 10 days after symptoms first appeared, **whichever is later**, OR
- Per their healthcare provider following DC health instructions.

*If any student or staff member has been in close contact with a person who is positive for COVID-19, then the student or staff member must not enter the facility until cleared by their healthcare provider or has completed their quarantine period without becoming symptomatic or diagnosed with COVID-19.*

*If any student or staff member has been in close contact with a person who is awaiting a COVID-19 test result, then the student or staff member must not enter the facility until the close contact tests negative. If the close contact tests positive, then they should seek guidance from their healthcare provider or DC Health.*
**Dismissal Criteria:**
If a student or staff member develops a fever or other signs of illness, the school will follow the above exclusion criteria regarding the exclusion and dismissal of students and staff.
- For students, the school will immediately isolate the student from other students, notify the student’s parent/guardian of the symptoms and that the student needs to be picked up as soon as possible, and immediately follow cleaning and disinfecting procedures for any area and materials with which the student was in contact.
- For staff, the school will send the staff member home immediately and follow cleaning and disinfecting procedures for any area, materials, and equipment with which the staff member was in contact.

If a school staff member must take a student’s temperature at any point, they should follow CDC guidelines to do so safely, including the use of barrier protection or PPE.

**Exposure Reporting, Notification, and Disinfecting**
To ensure a clear and efficient process for communication, the school has identified Martita Fleming (Director of Operations) as the internal COVID-19 point of contact (POC). She is responsible for ensuring the below steps are followed in the event of a confirmed case of COVID-19.

**Step 1: Report to DC Health Department**
The school will follow existing procedures for reporting communicable disease. **In the event of a confirmed case of COVID-19 in a student, staff member, or any individual who has entered the building, the school will notify DC Health by submitting the online case report (via this link).**

**Step 2: Communication to Families and Staff**
The school has communication protocols in place that protect the privacy of individuals, while still alerting families and staff of a positive COVID-19 case. Communication will be completed, per DC Health directive and will include:
- Notification to all staff and families in the event of change of school schedule;
- Notification to those staff and families of students in close contact with the individual (including asserting the requirement to quarantine for 14 days); and
- Notification to the entire community that there was a COVID-19 positive case, assurances that those impacted have been told to quarantine, and that all areas with which that individual had contact will be cleaned, sanitized, and disinfected.
  - Notification will be made via a combination of e-mail, text and/or phone.

**Step 3: Cleaning, Sanitization, and Disinfection of Affected Spaces**
In the event of a confirmed COVID-19 case in a student or staff member, the school will immediately close the room(s) occupied or visited by the COVID-19 positive individual once all students in that group have exited the school and follow cleaning, disinfection and sanitization guidance from the CDC, linked [here](#):  
- If seven days or fewer have passed since the person who is sick used the facility, the school will follow these steps:
(1) Close off areas used by the person who is sick.
(2) Open outside doors and windows to increase air circulation in the areas.
(3) Wait up to 24 hours or as long as possible before cleaning or disinfecting to allow respiratory droplets to settle.
(4) Clean and disinfect all areas used by the person who is sick, such as classrooms, bathrooms, and common areas.

- If more than seven days have passed since the person who is sick used the facility, additional cleaning and disinfection is not necessary, as per CDC guidelines. The school will continue routine cleaning and disinfection.

**Cleaning and Disinfecting**
Routine cleaning and disinfecting is important to maintaining a safe environment for students and staff and will be prioritized as part of the safety strategy. Cleaning removes dirt and germs and is usually done with soap and water, whereas disinfecting kills most germs. Additionally, to enhance the efficacy of this strategy, procedures will be put in place to limit the sharing of objects for both staff and students.

The school will regularly clean, disinfect, and sanitize surfaces and materials per [District of Columbia guidance on cleaning and disinfecting](https://www.dcparks.org/district-of-columbia-guidance-on-cleaning-and-disinfecting) and the [Center for Disease Control (CDC) Reopening Guidance for Cleaning and Disinfecting Public Spaces, Workplaces, Businesses, Schools, and Homes](https://www.cdc.gov/coronavirus/2019-ncov/community/schools-universities/schools-guidance.html).

**During Phase 1**
- While students are engaged in distance learning and the building is unused (at least through the end of September and likely through the end of Quarter One), the school will continue with the cleaning schedule in place since mid-March, 2020. This includes cleaning all classrooms and bathrooms at least twice per week, flushing toilets and running faucets to prevent stagnant water, and visually inspecting the interior and exterior of the building and making repairs or redressing areas of concerns, as necessary.
- Faculty/staff who need to access the building will be encouraged to attend during designated days and times to best take advantage of the current cleaning schedule.
- If faculty/staff attendance in the building is greater than expected during distance learning, that cleaning schedule will be adjusted as appropriate to daily cleanings.
- Faculty/staff entering the building during distance learning will be expected to complete a health assessment, wear masks in accordance with the Mayor's guidance, and use designated bathrooms which will be cleaned and disinfected multiple times per day.
- In all phases, the school will maintain the safety of staff carrying out cleaning and disinfecting by providing training, personal protective equipment (PPE), and supervision.
During Phase 2
✓ The custodial staff will routinely clean and disinfect surfaces and objects that are frequently touched. This includes cleaning objects/surfaces not ordinarily cleaned daily (e.g., doorknobs, light switches, classroom sink handles, countertops). This includes both surfaces used by students (like computer keyboards) and those used by adults (like classroom phones and two-way radios).
✓ Latin will employ a day porter who will implement increased, routine cleaning, disinfection and sanitization on a schedule to be documented with a posted checklist showing times when areas were serviced.
✓ Wednesdays will be designated as a deep cleaning day. As students and staff will be working remotely on this day, there will be time to do deeper cleaning.

For all cleaning, sanitizing, and disinfecting products, the school will follow the manufacturer's instructions for concentration, application method, contact time, and drying time. See CDC's guidance for safe and correct application of disinfectants

**Attendance/Punctuality**

We know that the impact of COVID-19 on employees’ schedules is significant. During the period of remote work or essential onsite work, we expect that managers and team members will communicate about daily schedules, and that managers will work to schedule check-ins and team
meetings at a time that works for everyone, to the greatest extent possible. Given this, employees are expected to attend required virtual meetings (including Tuesday afternoon meetings) unless on an approved leave or PTO. If employees cannot attend required meetings, they must notify their supervisor via email prior to the meeting start time with the reason for the absence and whether that reason will impact the employee’s ability to complete their work expectations for the day. Certain exceptions can be made in remote work situations, including childcare conflicts, or conflicting work arrangements with a spouse/partner.

**Continuation of Pay**
If an employee is not accessible during business hours, he/she may be required to take leave. If you are unable to report to work in person or remotely due to illness or for some other reason, please see the FMLA leave section listed above.

**Work Reassignment**
During this time, some staff may be required to complete work outside of their current roles and responsibilities to ensure business continuity. Employees may be asked to complete the following tasks:

- Food prep or delivery
- Technology distribution
- Other administrative related projects
- One-on-one check-ins with students

The Director of Operations will facilitate conversations about the tasks that need to be completed. She will also provide the appropriate training to complete the work by the agreed upon deadline.

**Absences During Synchronous Instructional Time**
Instructional staff members unable to be present for synchronous teaching sessions must prepare asynchronous assignments for students to work on in their absence.

**Substitutes**
During Phase 1, the school will likely not use external substitutes to cover absent instructional staff members. Current staff members may be reassigned to support absent colleagues. During Phases 2 and 3, substitutes may be necessary to cover onsite instruction. These substitutes will need to follow the same health and safety procedures as Washington Latin full-time staff. Substitutes must complete orientation and training on health and safety guidelines.

**Garnishments**
Unless otherwise notified by the appropriate agency, wage garnishments will continue to apply to relevant employees’ paychecks. However, under the CARES Act, federal student loan wage garnishments authorized under The Higher Education Act will be suspended until September 30, 2020.

Please reach out to the Business Office for additional questions about garnishments.
Social Emotional Support for Staff

APPENDIX B -- MANDATED REPORTER PROCEDURES: RESPONDING TO SUSPECTED CHILD ABUSE OR NEGLECT

It is the policy of Washington Latin to ensure the safety and well-being of every student. When a concern of possible abuse/neglect arises, the expectation is that we as a school will act swiftly and in an organized manner to respond.

In accordance with D.C. Code § 4-1321.02 (2008), Washington Latin faculty members will comply with the following legal guidelines:

§ 4-1321.02. Persons required to make reports; procedure [Formerly § 2-1352]

(a) Notwithstanding § 14-307, any person specified in subsection (b) of this section who knows or has reasonable cause to suspect that a child known to him or her in his or her professional or official capacity has been or is in immediate danger of being a mentally or physically abused or neglected child, shall immediately report or have a report made of such knowledge or suspicion to either the Metropolitan Police Department of the District of Columbia or the Child and Family Services Agency.

(b) Persons required to report such abuse or neglect shall include school officials, teachers, athletic coaches, social service workers, and mental health professionals. Whenever a person is required to report in his or her capacity as a member of the staff of a school, he or she shall immediately notify the person in charge of the institution or his or her designated agent who shall then be required to make the report. The fact that such a notification has been made does not relieve the person who was originally required to report from his or her duty under subsection (a) of this section of having a report made promptly to the Metropolitan Police Department of the District of Columbia or the Child and Family Services Agency.

Preventive Measures
The following steps are taken as preventive measures:

In accordance with DC regulations, ALL new staff members and personnel are to participate in a Mandated Reporter training at the beginning of the school year they commence employment at Washington Latin. Returning staff members and personnel will attend a Mandated Reporter training at least once every two years. Online training is available for any person who is either unable to attend an in-person training or would like to review information between trainings. Attendance will be tracked to ensure full participation.

To minimize risk in the school environment, one-adult/one-student situations should occur only when necessary. If they are to occur, the interactions and/or activities should take place where they can be seen by others and interrupted easily.
Reporting Procedures

The following procedures shall be followed when a staff member suspects abuse and/or neglect:

1. If a staff member observes a student being abused in any capacity, it is the responsibility of that staff member to ensure the child’s immediate safety by taking realistic and appropriate steps. Only after the child’s safety has been secured, should the staff member begin the reporting process.

2. If staff members receive a disclosure of abuse or neglect from a student or observe something of concern (incident, marking on child, etc.), they are to IMMEDIATELY report their concern to the in-school mental health provider (e.g. school counselor or psychologist). If the mental health provider is unavailable, the report should be made to the Principal or Division Director.

3. The staff member who originally initiated the response shall complete an incident report immediately following the incident or disclosure. The mental health provider or other designee will provide the incident report form to the staff member. The report will include the circumstances around the disclosure, incident, or observation, including the specific words of the student if applicable and steps taken in response (e.g. reported the concern to the AP, brought the student to the counselor’s office, etc.). The staff member is to turn in the completed incident report form to the mental health provider or designee by the end of the same school day. All incident reports are to be kept in a confidential mental health file.

4. After returning the incident report, the staff member who originally initiated the response must determine if he/she should make a report to Child and Family Services Agency (CFSA) or to the Metropolitan Police Department (MPD) based on the information they have received.* The staff member can request that the mental health provider or designee be present when the report is made if they so desire. If a report to CFSA or MPD is made, both the Principal and the Head of School must be notified.

5. When a staff member reports concern of abuse and/or neglect, the in-school mental health provider or other designee will meet with the student to obtain additional information about the concern that same school day. To ensure confidentiality, no other staff member should question the student about the concern/disclosure.

6. The in-school mental health provider or designee shall determine next steps (call to parent, report to CFSA or MPD, etc.). A parent should be notified if, in doing so, no further harm will come to the student. Do NOT notify parent or caregiver if these individuals are suspected to be involved in the suspected abuse and/or neglect.

7. If the in-school mental health provider or designee determines a call to CFSA MPD is warranted based on any additional information received during student interview, he/she will call to make the report. This call may be in addition to a previous call to CFSA or MPD made by the staff member who received the initial disclosure.

8. After a call is placed, the following documentation is required: when the call was made, the Agent number of the hotline worker with whom you spoke, what the response was from the hotline worker (accepted the report, did not accept the report, etc.), and what follow-up can be expected (CFSA or MPD will investigate report, CFSA or MPD to come see the student at the school, etc.) if this information is provided.
*Note: If a staff member reports a concern to the in-school mental health provider and that individual and or designee does not think a call to CFSA or MPD is warranted or cannot contact either agency at that time, it remains the responsibility of that staff member to make the report if they feel it is warranted. Reporting is an individual responsibility, and failure to report can lead to penalty.

**APPENDIX C: WLPCS WHISTLEBLOWER PROTECTION POLICY**

Washington Latin Public Charter School (“WLPCS”) is committed to operating in furtherance of its tax-exempt purposes and in compliance with all applicable laws, rules and regulations, including those concerning accounting practices, internal controls and auditing. To that end, WLPCS strictly prohibits fraudulent practices, and requires its governors, officers, employees, and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities.

This Whistleblower Protection Policy (the “Policy”) outlines a procedure for employees to report actions that an employee, acting in good faith, has reasonable grounds to believe violate any applicable laws, rules or regulations, including conduct that constitutes fraudulent accounting, auditing or other practices. This policy applies to any matter which is related to WLPCS’s business and does not relate to private acts of an individual not connected to the business of WLPCS.

It is the responsibility of all WLPCS employees to promptly report suspected violations of any applicable laws, rules or regulations, including those concerning accounting practices, internal controls or auditing, in accordance with this Policy. If an employee, acting in good faith, has reasonable grounds to believe that a WLPCS governor, officer, employee, or volunteer has engaged in conduct that violates any applicable laws, rules or regulations, the employee is expected to share his or her questions, concerns, suggestions or complaints with someone who can address them properly. In most cases, an employee’s supervisor is in the best position to address an area of concern. Supervisors and managers are required to report suspected violations to WLPCS’s Director of Operations. If an employee is not comfortable speaking with his or her supervisor or is not satisfied with the supervisor’s response, employees are encouraged to report suspected violations directly to WLPCS’s Compliance Officer and/or the Head of School. If the employee does not feel comfortable reporting the information to the Head of School, he or she is expected to report the information to the Chair of the Audit Committee of the Board of Governors if the matter relates to a financial issue and to the President of the Board of Governors for all other matters.

The Compliance Officer will promptly acknowledge receipt of any reported violation. All reports will be promptly investigated by the Compliance Officer and appropriate action will be taken, including, at the Compliance Officer’s discretion, advising the Board of Governors and/or the audit committee. In conducting its investigations, WLPCS will keep the identity of the complaining individual confidential to the extent possible, while conducting an adequate review and investigation.

No WLPCS governor, officer or employee who in good faith reports a suspected violation shall suffer harassment, retaliation or any adverse employment consequences. Specifically, WLPCS will not
retaliate against an employee in the terms and conditions of employment because that employee: (a) reports to a supervisor, the Compliance Officer, the Head of School, the Board of Governors or a federal, state or local agency his or her good faith suspicion that a violation of any applicable laws, rules or regulations occurred; (b) participates in good faith in any resulting investigation or proceeding, including providing to law enforcement personnel or a court truthful information relating to the suspected violation of an applicable law, rule or regulation; or (c) exercises his or her rights under any state or federal law(s) or regulation(s) to pursue a claim or take legal action to protect the employee’s rights.

WLPCS may take disciplinary action (up to and including termination) against an employee who in management’s assessment has engaged in retaliatory conduct in violation of this Policy.

Supervisors will be trained on this policy and WLPCS’s prohibition against retaliation in accordance with this Policy.
APPENDIX D: WLPCS SCHOOL VAN USE POLICY

Washington Latin has three 15-passenger vans for use for student travel.

☑ Unless special permission is granted by the Head of School vans should be parked on school grounds in the view of the WLPCS camera network for security each night. Vans being used for out-of-town trips will be an understood exception; however, when the vans are in town they are to be parked overnight on campus.

☑ Vans should be used for Washington Latin school business. Personal use of the vans is generally not allowed. Expressed permission from the Head of School must be granted for exceptions to this rule.

☑ Primarily, the vans will be used to drive student shuttles to and from METRO stops, sports teams to and from practices and competitions and for field trips.

☑ As a general rule, student shuttles and sports team use will receive priority for van use.

☑ Morning student shuttles begin at approximately 6:30 AM and finish at approximately 8:00 AM. Afternoon shuttles run from approximately 4:30 PM until 6:00 PM. The Athletics Director will work with The Director of Operations and the business office to work out scheduling of the vans between shuttle and sports use.

☑ The vans will, however, be available for field trips during the day and, at times, after school. Requests should be sent to the business office, who will check the schedule for conflicts and check availability of van use.

☑ There is a shared Google Calendar "Van Use" to be maintained by the business office, but available for viewing to all faculty and staff through Washington Latin's Google Mail.

☑ Requests for van use, can be made to the Director of Finance, the Director of Operations or the Community Partnerships Coordinator. Van use is not confirmed until potential conflicts with shuttle and sports use are cleared and a reservation is made on the “Van Use” calendar.

☑ When a van reservation is requested, please have a driver designated at that time. If you need to find a driver, please make your designation one week or more in advance. Your van reservation will be complete when you have a driver scheduled and the trip is on the shared calendar.

☑ Individual employees may drive the van. In order to be able to drive the van, a copy of a driver’s license and a current (within three years) five-year driving record must be submitted. The potential driver’s driving record needs to be reasonably clean. Those potential drivers with zero to one negative point may drive, depending on the reason for the earning of the negative point. Having more than one point will not necessarily preclude driving. It will, however, require further consideration. Also, some training on driving a 15-passenger van may be required. This may involve some practice driving the van without student riders.
General Rules
DRIVE SAFELY. When in doubt, drive safely. When not in doubt, drive safely.

ABSOLUTELY NO TEXTING OR TALKING ON THE PHONE (HANDS FREE OR OTHERWISE) WHILE DRIVING.

If you must use the phone, pull over and bring the van to a full stop in PARK.

1.) Make certain that van is clean when you exit. Make sure the students clean up after the trip. We have failed van inspections because of debris on van floors.
2.) Email early to reserve a van (Director of Finance, the Director of Operations or the Community Partnerships Coordinator)
3.) If the gas in the van falls below a quarter tank full, let the Business Office know. We will fill the tank, but we have to know it is necessary.
4.) Follow all traffic laws. The driver will be responsible for speed camera/traffic light camera tickets as well as moving violations.
5.) Insurance and van registration live in the center console. Make sure you know where they are before you drive.
6.) On the streets near the school, be extra courteous and yield right-of-way first.
7.) If you need to fill a van’s gas tank, please have the students exit the van first. Submit the receipt with a reimbursement form to the Business Office for reimbursement.

I have read and understand this van policy and agree to comply fully:

APPENDIX E – DC PAID FAMILY LEAVE FLYER

NOTICE TO EMPLOYEES
New Benefit Available Beginning in July 2020
Information on Paid Family Leave in the District of Columbia

Your employer is subject to the District of Columbia’s Paid Family Leave law, which allows covered employees to receive paid time off for qualifying parental, family, and medical events. For more information about Paid Family Leave, please visit the Office of Paid Family Leave’s website at dcpaidfamilyleave.dc.gov.

Covered Workers
In order to receive benefits under the Paid Family Leave program, you must have worked for an employer in DC before you experienced a covered event. Your employer should have reported your wages to the Department of Employment Services and paid taxes based on the wages they paid to you. To find out if you are a covered worker, you can ask your employer or contact the Office of Paid Family Leave using the information below. Your employer is required to tell you if you are covered by the Paid Family Leave program. You should receive information about Paid Family Leave from your employer at these three (3) times:

1. At the time you were hired (if you were hired after January 2020);
2. At least once a year starting in 2020; and
3. If (in 2020 or later) you ever asked your employer for leave that could qualify for benefits under the Paid Family Leave program.

Covered Events
There are three (3) kinds of events for which you may be eligible for Paid Family Leave benefits. Each kind of leave has its own eligibility rules and its own limit on the length of time you can receive benefits in a year. No matter how many different types of leave you may take in a year, you may receive no more than 8 weeks of Paid Family Leave benefits in a year. The three types of leave for which you may receive benefits are:

1. Parental leave - receive benefits to bond with a new child for up to 8 weeks in a year;
2. Family leave - receive benefits to care for a family member for up to 6 weeks in a year; and
3. Medical leave - receive benefits for your own serious health condition for up to 2 weeks in a year.

Applying for Benefits
If you have experienced an event that may qualify for parental, family, or medical leave benefits, you can learn more about applying for benefits with the Office of Paid Family Leave at dcpaidfamilyleave.dc.gov.

Benefit Amounts
Paid Family Leave benefits are based on the wages your employer paid to you and reported to the Department of Employment Services. If you believe your wages were reported incorrectly, you have the right to provide proof of your correct wages. Effective July 1, 2020 through October 1, 2021, the maximum weekly benefit amount is $1,000.

Employee Protection
The Paid Family Leave program does not provide job protection to you when you take leave and receive Paid Family Leave benefits. However, you may be protected against actions taken by your employer that are harmful to you if those actions were taken because you applied for or claimed Paid Family Leave benefits. When these harmful actions were taken because you applied for or claimed Paid Family Leave benefits, they are known as “retaliation.” If you believe you have been retaliated against, you may file a complaint with the DC Office of Human Rights (OHR), which receives complaints at the following web address: www.ohr.dc.gov.

For more information about Paid Family Leave, please visit the Office of Paid Family Leave’s website at dcpaidfamilyleave.dc.gov, call 202-899-3700, or email does_opfl@dc.gov.
