Sexual Harassment

Sexual harassment, like any other form of harassment, will not be tolerated at Paul Public Charter School. Sexual harassment includes sexual overtones, either verbal or physical, which could be construed as affecting employment, continued employment, salary, appraisal, advancement, or other employment decisions.

In addition, sexual harassment includes remarks or actions directed toward an individual on the basis of gender, sexual orientation, or gender identity, which have the effect of producing an intimidating or offensive environment for that individual or that interfere with his or her ability to perform.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment refers to behavior that is not welcomed, that is, or would be offensive to a person of reasonable sensitivity and sensibilities; that fails to respect the rights of another; and that, therefore, unreasonably interferes with performance and effectiveness, or creates an intimidating, hostile, or offensive environment.

Specific forms of behavior that are considered to be sexual harassment include, but are not limited to the following:

a. Verbal

Explicit or implicit threats of retribution, or promises of benefits, in return for sexual favors. Abusive language related to an individual's sex, including sexual innuendoes; slurs; suggestive, derogatory, or insulting comments or sounds; whistling; jokes of a sexual nature or concerning gender-specific traits; sexual propositions; and threats. Use of demeaning or offensive words when referring to an individual's gender. Demands for sexual favors or sexually oriented comments about an individual's body or appearance, sexual habits, sexual preference, or sexual desirability. None of the above are acceptable in the workplace.

b. Visual

Sexual harassment is not limited to oral comments. It includes abusive written language, showing or displaying pornographic or sexually explicit objects or pictures, graphic commentaries, or obscene gestures in the workplace or school.

c. Physical Contact

Any sexual advance involving physical contact that is not welcome, including touching, petting, pinching, coerced sexual intercourse, assault, or persistent brushing up against a person's body.

Persons who believe they have been the victim of sexual harassment or have witnessed an incident that made them feel uncomfortable should inform the Director of Talent Management or her/his designee immediately. If an individual is not comfortable reporting suspected harassment to the Director of Talent Management, he or she should instead report the suspected harassment to the CEO or member of the Board.

Equal Opportunity Employer

Paul is an equal opportunity employer. Paul Public Charter School shall not discriminate because of race, color, age, sex, marital status, sexual orientation, personal appearance, gender identity or expression, disability, national origin or ancestry, religion, economic status, family responsibility, genetic information, union membership, or political affiliation. This covers all areas of employment, recruitment, advertising, hiring, promotion, demotion, lateral reassignment, transfer, layoff, discharge, rates of pay or other compensation, training, or any other benefits. Employment will be solely on the basis of merit and qualification.

Paul Public Charter School shall comply with the intent of the Americans with Disabilities Act of 1990 and shall not knowingly discriminate against individuals with disabilities. Paul Public Charter School will consider modifying schedules and other adjustments to reasonably accommodate employees with disabilities unless this creates an undue hardship.

Any grievance regarding discrimination shall be handled through the Board of Trustees of the Paul Public Charter School in accordance with and in consultation with the Personnel Committee when appropriate. The complainant should contact the Chair of the Board of Trustees, who shall provide information and assistance on filing and pursuing the complaint. Nothing herein shall be an attempt to interfere with an individual's right to pursue claims in the appropriate forum outside of the school.

Nepotism Policy

All applicants and employees are required to advise the Director of Talent Management if they are related to, friends with and/or in a romantic relationship with another Paul employee. The Director of Talent and/or executive leadership will decide all situations regarding the hiring of relatives, friends and/or significant others on a case-by-case basis in accordance with applicable laws.

Drug Free Workplace

Paul has an established policy of providing a safe work environment for all employees based on current federal, state and local standards. Paul strives to maintain working conditions, which afford all employees, students and volunteers a reasonable degree of comfort and protection from injury or dangerous situations while assuring orderly and efficient performance of duties; however, it is only through the combined efforts and interest of all employees that we can continue to make Paul PCS a safe place in which to work. Employees are expected to work safely, observe safety regulations, and immediately report any unsafe condition to the Principal or Director of Operations.

a. Smoke - Free Workplace

For the health and safety of students, staff, and visitors to Paul PCS and pursuant to District of Columbia law, there will be no smoking of tobacco products within the facilities and upon the school premises at any time, or when supervising students in any setting. Staff members, when on an approved break, are not to smoke in public spaces near the school that are easily visible to students and visitors. Employees found to be in violation of this policy may be subject to discipline.

b. Alcohol and Drug - Free Workplace

Paul has an obligation to provide an environment that is free of illegal drugs,

marijuana and alcohol. Illegal drug use, use of marijuana and alcohol abuse compromises employee productivity, threatens the quality of our services, and invites the risk of injury or damage to Paul's property, employees, and students. Possessing, consuming, selling, attempting to sell, or distributing illegal drugs, abusing prescription medications, as well as being under the influence of an illegal controlled substance, marijuana or alcohol during work hours or on Paul's premises is strictly prohibited. Paul reserves the right to require an employee to submit to drug and alcohol screening. Refusing to submit to the test will be considered grounds for immediate termination. Employees are expected to remain responsible, professional, and sober at all times. Consumption of alcohol, illegal drugs or marijuana on a Paul field trip or at any time when students are present and/or under Paul's care is prohibited. Desks, storage areas, work areas, lockers, and file cabinets are Paul's property and must be maintained according to this policy. All such areas must be kept clean and are to be used only for work purposes. Paul reserves the right, at all times, and without prior notice, to inspect any and all property for the purpose of determining if this policy or any other Paul policy has been violated. Such inspections may be conducted during or after business hours and in the presence or absence of the employee. All containers, including but not limited to bags, boxes, purses, briefcases, lunch containers, etc. brought onto Paul premises are subject to Paul's inspection at any time a Paul representative has a reasonable suspicion that this policy has been violated. Violations of this policy will result in disciplinary action, up to and including termination.
