

Employee Policies

In line with our [School Transparency Policy](#), DC PCSB aims to improve accessibility of information for DC public charter school families and other stakeholders by increasing the amount of school information publicly available.

To streamline the accessibility of information, we are providing this document which details the Employee Policies for each school year. Please click on the year you would like to access and navigate to the specific school desired.

- [2023-24 Employee Policies](#)
- [2024-25 Employee Policies](#)

Note: After the 2024-25 school year, all Employee Policies will be found on each LEA's website.
