Re: Grade Level Expansion to Serve Grades PK-3 – 3rd Grade at KIPP DC's Somerset Campus

Ms. Quinn,

It is our intention to expand the grades offered at KIPP DC's Somerset Campus to include grades PK-3 through third, in addition to the grades currently served by the school. In accordance with the guidelines of the Public Charter School Board, KIPP DC will submit a charter amendment application and appear at a public hearing to answer questions with respect to this charter amendment.

We are seeking this charter amendment for the following reasons:

1. To offer seats in the aforementioned grades to students seeking a quality public school option.
2. To expand the continuum of educational services to KIPP DC students in a location convenient to families.
3. To enable the younger siblings of current students at our Somerset Campus to attend school at the same campus.

Thank you for your consideration.

Sincerely,

Katie Cole
