A Note from the School

Sela PCS is founded on a steadfast commitment to ensure all students have access to a diverse, nurturing environment that provides an education that assures high levels of academic excellence. At Sela, we focus on Hebrew language immersion, promote the value of diversity, and provide the skills for taking action in the world. We hold ourselves accountable to the five pillars that form the basis of our educational program: academic excellence, innovation, diversity, global citizenship, and trustworthiness. Furthermore, the STEM fields of science, technology, engineering, and mathematics are integrated throughout our instructional programming to foster the four C's of a 21st century education: creativity, critical thinking, communication, and collaboration.
