Appletree Field Trip Permission

Throughout the school year, teachers will be taking their students on educational field trips that relate to the instructional areas being studied. These trips not only extend learning outside the classroom, but are special social times for the classes as well.

AppleTree Early Learning Public Charter School field trips are well planned, approved by school leaders, and appropriately supervised by our staff with support from parent volunteers.

We request written permission from you in order for your child to participate in all class field trips throughout the 2019-2020 school year. Rather than ask you to give written permission each time a field trip is scheduled, we ask that you give your written permission for all field trips planned for the school year. Prior to each trip, teachers will send notification including destination, focus of trip, travel arrangements, appropriate dress, information about meals and information regarding any monies needed for the trip.

We also ask you to grant your permission for your child to take walks in the surrounding area of the school for the purposes including, but not limited to: physical fitness, parks for educational/recreational purposes, and/or local field trips. Permission also includes visits to local libraries and other educational venues as part of the normal school day.

Granting prior permission will allow your child to participate fully in all of our important off-campus learning experiences.

Thank you for your support,

Sincerely,

The AppleTree Team

This student has my permission to participate in all field trips sponsored by AppleTree Early Learning Public Charter School.

Dear Parent,			
The purpose of Every Child Ready is to create high quality curriculum and professional development resources for other preschools. We hope that these resources will allow children in other programs the opportunity to experience a high quality preschool program.			
Through Every Child Ready , your child's classroom will receive additional books and literacy related materials and your child's teacher will receive curriculum materials and training. If you participate, you may also receive books and materials that will help you support your child's learning at home.			
In order for your child to take part in this important project, we are asking you to give AppleTree project staff permission:			
1. For my child's assessment results and findings to be shared with my child's teacher, other School staff, consultants, educators, AppleTree, and appropriate regulatory authorities, including the District of Columbia Public Charter School Board.			
2. To videotape and photograph your child in his/her class. Videotape and photographs may be shared with your child's teacher, project staff, consultants, other educators and the public. Videotapes and photographs may be included in later curriculum and professional development products that will be commercially published and widely distributed to improve teaching and learning for all children. In the course of filming normal instruction, the teacher may use your child's first name. No other identifiable information will be disclosed regarding your child.			
3. To talk with your child's teachers and other school personnel about your child's learning.
