

District of Columbia International School

Enrollment Document Requirement

- [Online New Student Registration Form 2022-2023\(here\)](#) (includes demographic & emergency information)
- [Residency Verification](#) - Must be done in person at DCI. Do not upload proof of residency into the online application or send via email. Make sure to review the list of acceptable documentation available on page 2 of the form.
- [DC Universal Health Certificate](#)- Current immunization forms are due upon enrollment and must be completed annually per DC Health requirements. Failure to provide these records could result in the removal of your student from school. Forms can be submitted in person or via email at reception@dcinternationalschool.org.
- [DC Oral Health Certificate](#)- Due upon enrollment and to be completed every 6 months. Forms can be submitted in person or via email to reception@dcinternationalschool.org.
- [Home Language Survey](#) Only for students enrolling in the District of Columbia for the first time. Please upload the signed survey in the space provided under 'Upload Supporting Documents' in the online registration form.
