

District of Columbia International School

Required Student Enrollment Documents

- [Online New Student Registration Form 2023-2024\(here\)](#) (includes demographic & emergency information)
- [Residency Verification](#) - Review the list of acceptable documentation available on page 2 of the DC residency verification form. Supporting documents for verification can be submitted in person or online. Electronic submissions of the DCRV form must have a [certificate based digital signature](#). Submit your supporting documentation to enrollment@dcinternationalschool.org. Once the enrollment team approves the supporting documents, they will send you a DCRV form via DocHub that must be completed within 3 days. DCI reserves the right to require hard copy forms. Do not upload verification documentation into the online new student registration form.
- [DC Universal Health Certificate](#)- Current immunization forms are due upon enrollment and must be completed annually per DC Health requirements. Failure to provide these records could result in the removal of your student from school. Forms can be submitted in person or via email at reception@dcinternationalschool.org.
- [DC Oral Health Certificate](#)- Due upon enrollment and to be completed every 6 months. Forms can be submitted in person or via email to reception@dcinternationalschool.org.
- [Home Language Survey](#) *Only for students enrolling in the District of Columbia for the first time.* Upload the signed survey in the space provided under the 'Upload Supporting Documents' section of the online registration form.
