

New Student Enrollment for 2023-2024

Welcome to Lee Montessori Public Charter School! We are so excited that you've chosen our school to assist in the development of your child. Lee is looking forward to meeting your family.

For the 2023-2024 school year, our enrollment process will be completed online. However, we are here and available to assist your family every step of the way.

Please read our [Lee Montessori Enrollment Guide](#) to learn the three steps you must complete to enroll your child. If enrolling siblings, families must submit separate forms for each child accepted.

Please prepare the following documents to submit via the PowerSchool Parent Portal.
