

Registration for New Scholars

If your child was matched with Achievement Prep through the My School DC lottery, we are thrilled to welcome you and your scholar to our family! We are a community of dedicated and supportive educators who are committed to providing our scholars with the high quality education that they deserve. Matched families from the first round of the lottery should complete required enrollment documentation by Monday, May 1, 2023 in order to accept and guarantee enrollment for the 2023-2024 school year. **After May 1st, waitlisted families will have 5 days from the time they were extended an offer to complete all of the required enrollment documentation.**

Once you've been matched to Achievement Prep, we will send your scholar's electronic registration code (InfoSnap) and instructions via email. You may complete the process electronically or in-person. On-site registration hours are between 9 am and 4 pm Monday through Friday to assist families with completing forms. There is no cost to complete the registration process. Scholars who do not submit required documentation **by the specified deadline** risk losing their seat, so we encourage you to submit your registration materials as soon as possible.
