For schools serving grades PK-12, DC PCSB uses the **Performance Management Framework (PMF)** to assess school-wide academic performance. Schools are rated by tiers: **Tier 1** schools meet standards of high performance; **Tier 2** schools fall short of high performance standards but meet minimum overall performance standards; and **Tier 3** schools fall significantly short of high performance standards, showing inadequate performance. * Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.

A Note from the School

The mission of Thurgood Marshall Academy PCS is to prepare students to succeed in college and to actively engage in our democratic society. The school's college prep curriculum provides students with Advanced Placement and dual enrollment/dual credit early college access. In addition to rigorous academics, the school boasts extensive after-school opportunities in athletics, arts, and academics to support holistic development of students. A robust college and alumni program has ensured that since its first graduating class, 100 percent of graduates have been accepted to college. In 2018, we graduated 100% of our seniors and 84% of the class of 2017 went on to enroll in college within one year of graduation.
