A Note from the School

Washington Yu Ying PCS builds the foundation for global citizenship through dual English and Chinese language cultural immersion. Through an alternating day model, students receive equal instruction in Chinese and English in all core subjects. This proven approach allows students to gain a deep understanding of content in both languages. In 2013, Yu Ying was recognized as an International Baccalaureate Primary Years Programme (IB PYP) World School after a rigorous authorization process. The International Baccalaureate Organization offers an international education framework that is designed to develop the intellectual, personal, emotional, and social skills of young people to help them live, learn, and work in a rapidly globalizing world. As an IB PYP school, Yu Ying is positioned as a premier education experience under an internationally recognized pedagogy.
